Volume 32 Issue 26 Wednesday 13 July 2016

Donation: 50c

Club secretary Cheryl Lovel with Friday's winners Josh Hunt and Greg Dobbin

In perfect conditions on Friday, and despite fairly dismal ones on Sunday, the DGC Inc Mens and Ladies 4 BBB Annual Tournament held over the weekend of July 8 to the 10 was a great success. A few hard working members put in a great deal of work to make sure the course and club rooms were in tip top condition.

The event was kindly sponsored by the Bendigo Maldon and Dunolly Community Bank and the Wycheproof Grain Corporation.

Craig Burn represented the Grain Corporation and we sincerely thank both sponsors for their support.

Competitors visited from St. Arnaud, Quarry Hill, Pyramid Hill, Hopetoun, Neangar Park, Maldon, Belvoir Park, Kyabram Valley, Campaspe, Maryborough, Talbot, Landsborough, Calivil, Wycheproof, Midlands & Marong.

Friday 8 July was the Mens and Ladies 4 BBB Event: The Men's Winners were Greg Dobbin & Josh Hunt (Dunolly) who scored 49 points.

Runners Up were Craig Burn & Don Denney (Wycheproof) who scored 43 points on a count back from Colin Windebank & Noel Olver (Maldon)

Best 9 Out were Colin Windebank & Noel Olver (Maldon) with 23 points.

## Rosie's Ramble

At last a result! Who has been running the country for the last few weeks?

It is easy to tell which of the eucalypt trees are in flower. Every morning, very noisy gangs of lorikeets from the golf course race overhead and land in the "feed tree" and repeat the exercise in the evening going home. They absolutely wreck the flowers on the tree and leave a carpet of fallen blossom behind. They are pretty little creatures in spite of their untidy habits.

That sissy giraffe in Broadway is wearing a very fetching green poncho against the cold. Sun Hat and Raincoat – it really needs to toughen up if it wants to live in Dunolly.

The documentary for the Queen's 90<sup>th</sup> was very interesting, even Mr Ramble, who is not exactly a fan of the Royal Family, watched it without any rude comments. She certainly lives a full life, no walking stick to help her with all the stairs either.

I have an elderly small Sanyo food processor, which probably comes under the title of vintage. The other day I discovered what happens when you don't put the top on properly, just as well I was only grating veggies for the soup!

There was a story the other day on TV about research into a very nasty mite that could wipe out the honey bee population – which would be a national disaster. For some reason that I missed, the scientists have fitted bees with batteries that are powered by bee's wings. Can you imagine the size of those batteries?

Does anyone ever check the number of lollies, buttons, etc that are in those guessing competitions?

Glad the garbage truck was late this morning as I forgot to put the bin out last night. Did a quick trip to the roadside after breakfast.

## LETTERS

A letter to all Community Groups and Shop Owners in Dunolly:

The Dunolly Community Market is holding a Special Event on Saturday 12 November 2016. We will be hosting a display of "Mad Max" vehicles and entertainment at the Dunolly Football Ground. There will be camping available for those who wish to use the camping facilities.

On Sunday, 13 November 2016 the cars will be in the main street of Dunolly during the market.

We, the Dunolly Community Market Committee are looking for groups who wish to do catering for this event.

If your group or shop wishes to participate there will be a meeting on 25 July 2016 at 7pm at the Dunolly SES building to discuss catering options.

We look forward to seeing you there to discuss this exciting event for Dunolly.

Thanks and Regards,  
The Dunolly Community Market Inc.

Dear Editor,

Now that the dust has settled, I would like to take this opportunity to congratulate Dan Tehan following his re-election as the Member for Wannon.

Dan has an important job to do and I wish him all the best with it. I like Dan, and while we have different political allegiances, we like and respect each other behind the scenes.

Another really terrific candidate was Tom Campbell. Tom is a young man with a very bright future and he made the campaign a real hoot.

Running for office is one of the most important things I have done.

Our great democracy means that a train driver, or lawyer or even a school teacher can aspire to be a member of parliament, a minister or even Prime Minister.

I was assisted by a fantastic campaign team and hundreds of volunteers on election day.

These people gave up their time and energy to help get Labor's message out to the Wannon electorate.

Finally, to the many thousands of people who voted Labor. Thank you.

We achieved a 1.8% swing towards us which has helped make Wannon that little bit more marginal.

Michael Barling  
ALP Candidate for Wannon

### Goldfields Sustainability Group

Goldfields Sustainability Group will recognise 2016 as the "International year of the pulse" at their July 2016 AGM with a pulse grower as guest speaker.

( <http://pulseaus.com.au/about/international-year-pulses>)

Pulses include chickpeas, broad beans, peas, lentils, lupins and mung beans. Burrum Biodynamic grow lentils and peas at Marnoo and sell them at the Talbot Market. They have agreed to attend as our AGM guest speaker.

The Goldfields Sustainability Group Annual General meeting will be held at 1.30 pm Sunday, 17 July. The venue is the Talbot Community Centre, 40 Scandinavian Crescent Talbot.

All are welcome and we encourage you to join us in buying your lunch at the market and bringing it to eat at the meeting venue from 1 pm onwards.

### Painting The Op Shop

Last year when the Uniting Church building inspector looked at the Op Shop he saw heaps of mould, peeling paint, loose plaster and suggested we consider painting the hall. A major project, but our prayers were answered, the Work For The Dole organiser arrived. We were able to sign a contract where if we employed Work For The Dole people for six months, we would be eligible for a grant to cover expenses.

They were to work Monday and Wednesday when the Op Shop was shut. Because of OH&S regulations they could only work off a two metre scaffold which meant we had to paint the upper hall.

After delays in obtaining workers we commenced at the end of January and will finish next week.

In that time we have painted, renovated and installed new shelving in the Op Shop, painted and installed shelving in the Messy Church and painted the vestry and church kitchen.

We would like to thank GForce for organising the scheme and WDEA for co-ordinating the workers, also the workers who have participated in the project, especially Veronica Bond, who has attended since the beginning and has grown in confidence as the task progressed. Brian and Irene, our church helpers did a sterling job painting and repairing the plaster in the upper hall.

There will be a thank you morning tea for all those people at the Op Shop on Wednesday 20 July at 10am.

Jim McKenzie

### A delightful way to spend a wet afternoon.

In Dunolly it was pouring with rain last Sunday and I thought of all the farmers that needed this weather after all our dry winters we have been having in the last few years. But I had said to Rachel I would go to her Recital so I redid my face, put on warm coat and down the road I went, not really wanting to leave my warm home.

Am I glad I did! Rachel welcomed me with open arms with a lovely glass of sherry and a huge fire which made the house cosy and warm. What a wonderful way to spend a wet dark afternoon listening to two brothers in concert playing and singing Peter Dawson's songs and more.

Melbourne baritone Graham Ford who has had an extensive career in the IT industry and is now currently teaching singing has a voice to die for and just to sit back and enjoy it (with my glass of sherry in hand) by the fire, I was in heaven!

John Bumford his brother and pianist studying with Russian pianist Alexander Semetsky completed his degree at Melbourne Uni. in 1991 and also played two pieces on the new baby grand by himself. One was the 'Warsaw Concerto' without music I might say. Many people who love the piano and are as old as I am will know this piece and the beauty of it.

To hear it played so well did my heart good. He also played 'Automne'. This was a piece I did not know but I am sure a lot did. The singing of songs we all knew by Graham and the banter between the two brothers made the afternoon fly by.

A cup of tea and cake after and a talk to these two accomplished men made me realise how lucky we are in Dunolly to have Rachel Buckley in our town. Thank you Rachel from the bottom of my heart bringing all your friends up here for us all to enjoy.

## 2016-17 Waste Information Booklet and and Calendar

The new Waste Information Booklet and 2016-17 Waste Collection Calendar are currently being developed and will be sent to rate payers in late August 2016.

The new Waste Information Booklet will provide updated information incorporating recent minor upgrades to waste services provided to residents in the shire.

Copies of the interim calendar for July and August are available from the Council office or on the website.

### Road Stabilisation Works: Works continue

The Technical Services department is responsible for the ongoing care and maintenance of roads and streets throughout the municipality. The department carries out both construction and maintenance works to ensure safe roads to motorists and residents alike.

Recent road works in Old Eddington Road involved stabilisation of one kilometre of road pavement and this project was just one of a number of road works projects recently undertaken. Other roads stabilised were Smeaton Road, Moolort, Market Street, Dunolly and Scandinavian Crescent, Talbot.

## Farm Security Expo in Bendigo

Victoria Police, Crime Stoppers and the Victorian Farmers Federation will be delivering the first Farm Security Expo in Bendigo in July.

The expo is designed to educate farmers about risks and issues affecting the farming community – including crimes such as thefts and burglaries.

Inspector Paul Gardiner said the impact of stolen farming equipment could affect productivity, income and livelihoods.

“We know that farming properties and residences are viewed by criminals as easy targets as they are often very isolated,” Insp Gardiner said.

“We often see farming equipment taken which ends up being extremely costly to replace.

“Sharing information and experiences is a way to start the conversation about farm security with the goal to prevent more people becoming victims of crime.

“The expo provides a platform for farmers and the police to collaboratively minimise the risks involved in managing rural properties.”

The Farm Security Expo will be open from 9am-3pm on Thursday 14 July and Friday 15 July at Bendigo Stadium – 134 Marong Rd, Bendigo.

For more information, please contact Leading Senior Constable Dan O’Bree on 5433 3711 or Inspector Paul Gardiner on 5460 3301.

## Market report

The Dunolly Community Market was held on Sunday 10 July. It was a very cold and wet day, but we had a few stall holders and some people did brave the cold to visit the market. The Dunolly Kinder did the BBQ on short notice due to another group not being able to do it. So we as a committee would like to say a very big **thank you** to the **Dunolly Kinder** for hosting the BBQ.

Our next market will be on the 14 August 2016 and the BBQ will be hosted by the RSL, so come along and support all the stall holders. Reminder to the stall holders please: **Do not forget to move your vehicles**, so shoppers can stop and shop.

We look forward to seeing everyone there and hope to have a great market. Thank you to all stall holders who braved the cold and attended the market.

Thanks and Regards, The Dunolly Community Market Committee.

## Acapella Singing

Acapella is singing without accompaniment and the D'Sharps do just that!

They practise every Monday afternoon in the Centre from 3.45 to 5pm.

Shelly DiBiase is the singing director and she knows her stuff!

Some songs are picked up in a trice, others take a little longer to learn.

If you love to sing and would like to join the D'Sharps

(because the more voices the better the sound) please ring the Centre to express your interest.

## Archery

And now for something different!

The **Golden Triangle** Archers meet at their range behind the Dunolly oval on the 4<sup>th</sup> Sunday of every month.

Muster is at 10am. There are practice butts, a 25 target field course, and novelty shots.

Fees are \$20 per year, due now, and \$5 per shoot. Half price for juniors.

Equipment hire (until you get your own) is available.

And there are expert archers to show you how it's done.

Archery is suitable for all ages.

The next Golden Triangle Archers shoot is on Sunday the 24 July.

New members are welcome.

### **Financial win for local sport**

Four sporting groups in Central Goldfields Shire will share in almost \$8,000 of grants to benefit participants and help with the operation of clubs.

Member for Western Victoria, Jaala Pulford, said Colts Phelans Cricket Club Inc, Goldfields Gymnastics Inc, Maryborough and District Triathlon Club and Highland Bowling Club had secured grants under the Andrews Labor Government's Sporting Club Grants Program, helping them expand their skills and strengthen their operations.

A total of \$7,990 was provided to the four clubs:

Highland Bowling Club - \$5,000 – club operational grant.

Maryborough and District Triathlon Club - \$1,000 – for new uniforms.

Goldfields Gymnastics Inc - \$900 – for new uniforms.

Colts Phelans Cricket Club Inc - \$1,000 – for new equipment.

Ms Pulford said the Sporting Club Grants Program gives clubs the chance to secure grants of up to \$5000 to bolster operations and increase community participation, and \$2000 to expand the skill sets of coaches or officials, for training such as first aid courses or umpires' accreditation programs.

Grants of up to \$1000 are also available for clubs to buy new team uniforms or equipment.

"The program is part of the Andrews Labor Government's work to make sport more accessible and inclusive, increase local participation, stimulate local economies, and build sustainable volunteer opportunities," Ms Pulford said.

"Sport is such a big part of community in Central Goldfields Shire, with local sports and club facilities bringing together people of all walks of life to nurture the next generation of home-grown heroes," she said.

"I congratulate the successful applicants, and encourage other clubs in Central Goldfields Shire to make the most of these new grants when applications for the next round later this year," Ms Pulford said.

Applications for the next round of the four-year fund are now open.

## Dunolly Branch CWA

Our meeting on Wednesday 6 July was very well attended – a full house when Leanne came in after work. The craft meeting began at 10am and was spent working out our entry in the Challenge for the Group Creative Arts Exhibition in October. We came up with a very secret idea.

At the meeting we discussed upcoming events in the group. The Group Conference is to be held at Sutton Grange on Thursday 21 July. Several members are hoping to attend.

The subscriptions for next year will be \$61 plus \$15 postage if you receive a magazine.

Newstead Branch will be visiting us on our next meeting day, 3 August. At the moment we will be having lunch and a social afternoon at the SES rooms. Members were allocated sweets or casseroles/savouries on a very democratic basis, as usual. We would need to be at the rooms at 10am for a short meeting, and to set up. Any change to these arrangements will be in the Welcome Record.

Our competition for a brooch was very popular with a number of pretty brooches, all with interesting stories to go with them. There were several yummy sounding chook recipes too. The flower competition was won by Carol Davies with Rosemary Mecredy second.

No competitions next meeting.

### The donkey raffle

Farmer Brown wanted to sell his donkey. He advertised it for the going price. Dave who wanted a donkey, responded to the ad and bought the donkey from the owner.

However, when he came to collect it a week later, Farmer Brown greeted him with bad news - the donkey had died! "Well I'll have my money back then," said Dave. "That's not possible," said the farmer. "I've spent the money."

"In that case," said Dave, "I'll take the dead donkey."

The astonished farmer asked "What will you do with a dead donkey?" Dave replied, "I'll try and find a way to recoup my money." Dave found a way. He raffled the dead donkey for \$2 a ticket.

Sometime later he ran into Farmer Brown. "What did you do with the donkey?"

"I raffled it," said Dave. "And what about the winner when he found the donkey was dead?"

"He was fine," said Dave, "I gave him back his two dollars."

## Dunolly Kokoro Kai Karate train with Australian Karate Team

On Saturday 2 July, several members from Dunolly Kokoro Kai Karate club attended a training session in Maryborough, with instructors Jonathon and Renee Caruso from the Australian Karate team.

Eric Omondi, from the Kenya Karate team was a guest at the training session, and offered some wise advice to young karate students,

This reinforced what we also teach in our dojo.

"If someone tries to fight you or treats you badly... just walk away. Tell a teacher; tell your Mum and Dad, or another adult.

"Don't get angry, don't try and get even... come to the dojo, use all that energy, train hard, and one day you will be a champion! Success is the best revenge!

Many people assume karate is about fighting! It is actually quite the opposite! We teach "there are no first strikes in karate".

Which means, we teach karate students not to start fights... we equip them with the skills to defend themselves, but never to start fights!

The day was a huge success! A once-in-a-lifetime opportunity to train with such highly talented karate athletes!

## The Somme Campaign

On 1 July I saw TV pictures from France which showed the Thiepval War Memorial. People were gathered there to remember the start of the "Somme Campaign" 100 years ago. This memorial has over 72000 names of Commonwealth Servicemen inscribed on its walls.

From the start of the War on 4 August 1914, until the end of the campaign, the French had over two million casualties. The allies in desperation at this time, mainly with British Troops under General Sir Douglas Haig decided on the big push. It was on a 20 kilometre front astride the Somme River, 30 kilometres from the city of Amiens. On the first day there were 58000 British casualties, nothing was gained and with over one million casualties on both sides, the Somme offensive continued until the end of 1916.

When one saw those beautiful green fields in the TV pictures it was hard to imagine what had gone on, as it was a continuous battle field until 11 November 1918. Over the years the farmers unearthed thousands of explosive items, even in 2013 around Ypres, 160 tonnes of unexploded munitions were dug up. They say today when it rains, the countryside smells of rust.

The Australians were camped in France and it was on 19 July that they were to experience their first battle on European soil at Fromelles. I will relate that event in the future.

SECOND WORLD WAR SOLDIERS OF VICTORIA'S CENTRAL GOLDFIELDS

## - CALL FOR SUBMISSIONS -

### Homecoming set to expand, capturing local Second World War stories.

The Central Goldfields Shire is pleased to announce the continuation of the Anzac project Homecoming. It is set to expand to capture the stories of **Second World War** service men and women from the Central Goldfields Shire.

A **NEW** publication recounting the soldier's stories will be produced, along with additional life size photographic banners.

Central Goldfields Art Gallery Curator Michael Grant is calling for submissions for this project. Relatives and descendants of Second World War soldiers from the Central Goldfields Shire are asked to contribute photographs of their family members in uniform. The photographs will be scanned at the art gallery and safely returned.

We want to interview Second World War veterans to capture their personal wartime stories. If any veterans would like to be involved, please contact Michael Grant at the Central Goldfields Art Gallery.

This project has been made possible by the support of the Victorian Government, Victorian Veterans Council and the Central Goldfields Shire.

### Deadline for photograph submissions, Sunday 4th September 2016.

Photographs to be submitted at the Central Goldfields Art Gallery. Thur - Sun, 10 - 4pm.

### For further information about this project please contact.

## Working with the rate cap

I believe Central Goldfields Shire Council has done a good job with regard to our rate capping, as there have also been reductions in State and Federal funding. These reductions mean that there is not a lot of money left in kitty. Whilst we have cut or reduced funding in some areas, we have tried to minimise the impact on the community.

The Community Grant Fund is closed for this year and those organisations that missed out on funding may well be able to apply for a grant in the 2016/17 financial year. I was sad to hear that the Bealiba Hotel has closed, but hopefully it may re-open in the future.

The local post office will be stocking items like milk and bread etc. Thanks go to the post office and Shire for their quick response to the situation.

I have spoken to the people at the Railway Hotel in Dunolly who informed me that they will be opening in late July. They will be serving meals on several days a week. The time is getting closer to the Local Government Elections. Please think about it as that time will fly.

## Your Life, Your Wishes

I subscribe to a number of email sites for over 60s; usually for the entertainment section: crosswords, puzzles, quizzes etc. They also have interesting stories on current affairs, travel, style, decorating, cooking and some handy life hacks.

I came across this article in the "Your Life Choices" newsletter on "Your Life, Your Wishes". It is about letting your loved ones know what you want towards the end of your life - it's called Advanced Health Care Directive (AHCD) - more commonly known as a "Living Will". I wrote an article in The Welcome Record several weeks ago, when Noelle Mason, a registered nurse and civil celebrant, gave a speech to the Probus Club on this very subject. The below link expands on the subject, also adding other sections that your family may be interested to know about you personally.

This handy downloadable PDF will serve as a prompt to help you jot down the memories, photos, secrets and details you want to share with your loved ones. You can also let them know the type of send off you want, how you hope to be remembered and the valuable lessons you've learned throughout your life.

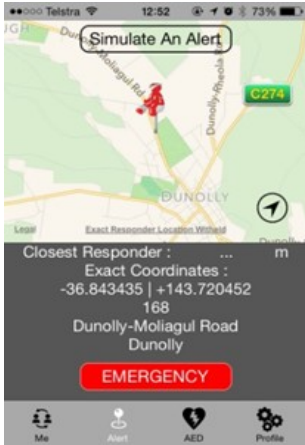

There's also more practical information on how you can draft an advance care directive, what you need to know before you write or renew your will and there's even space to record all your personal details, such as bank accounts, medical contacts and where to find your will. A recent survey showed that a whopping 92% of **Your Life Choices** members have thought about their own death, and 67% know exactly how they wish their lives to be commemorated. Yet only 40% have actually recorded these details.

So here's your chance to ensure your wishes

## Cookery Corner

### Crunchy pork cutlets with cabbage slaw

#### Ingredients

4x150g pork cutlets  
1 cup (70g) fresh breadcrumbs  
2 tablespoons chopped lemon thyme  
½ cup (40g) finely grated Parmesan  
¼ cup (35g) plain (all-purpose) flour  
2 eggs, lightly beaten

#### Cabbage Slaw

500g white cabbage, shredded  
100g pecorino or parmesan, shaved  
¼ cup (60ml) white wine vinegar  
2 tablespoons extra-virgin olive oil  
½ teaspoon fennel seeds  
Sea salt and cracked black pepper

#### Method

1. Preheat oven to 200C (390F).
2. To make cabbage slaw, place the cabbage and pecorino in a non-metallic bowl. Combine the vinegar, oil, fennel, salt and pepper. Add to the cabbage and toss well to combine. Set aside.
3. Place pork cutlets on a board and cover with a piece of plastic wrap. Use a rolling pin to flatten. Place the breadcrumbs, lemon thyme and parmesan in a bowl and mix well to combine.
4. Dust cutlets with flour, shaking off any excess. Dip into egg and press into breadcrumb mixture to coat. Place on a lightly greased baking tray and bake for 10 minutes or until golden and cooked through.
5. Top cutlets with slaw to serve.

Recipe [www.donnahay.com](http://www.donnahay.com)

### Amaretti biscuits

#### Ingredients

4 large egg whites  
500g almond meal  
400g castor sugar  
2 teaspoons baking powder  
Icing sugar for rolling  
Cherries, halved or almonds for topping

#### Method

1. Preheat oven to 170 degrees. Line trays with baking paper.
2. Beat egg whites with a whisk or fork until foamy.
3. Mix all dry ingredients together in a bowl.
4. Make a well in the centre of dry mixture and gradually pour in the egg whites, whilst mixing to blend to an even consistency.
5. Roll teaspoons of the mixture into walnut sized balls, then roll in the icing sugar.
6. Place on trays, allow room to spread and press a cherry or almond on top.
7. Bake for 12-15 minutes until risen and lightly coloured.
8. Cool on tray for five minutes before transferring to rack to cool completely.

NB: Mixture makes approximately 50 biscuits.

## SHOP NEWS

Members are reminded that their memberships are now due for renewal. It is still \$10 for the year. This money pays for the gas we use in winter to keep our volunteers a little warmer when they work their shifts. Without gas it would be too cold for anybody to stay open.

We have had a range of new items come in and some of them are displayed on a table in the front window. So do stop and have a look. We also have had some succulents come in and they have been popular. There are some bags of kindling as well as a great range of beanies, berets and scarves to help keep everyone warm this winter.

The Craft Shop is a not for profit initiative of the Dunolly and District Neighbourhood Centre. If you are interested in finding out more please call in and have a chat with our volunteers or call Vicky any evening on 54681365

### Having the book thrown at you

For those of my generation (and any others) who do not and cannot comprehend why Facebook exists: I am trying to make friends outside of Facebook while applying the same principles.

Therefore, every day I walk down the street and tell passers-by what I have eaten, how I feel at the moment, what I have done the night before, what I will do later, and with whom.

I give them pictures of my family, my dog, and of me gardening, taking things apart in the garage, watering the lawn, standing in front of landmarks, driving around town, having lunch, and doing what anybody and everybody does every day.

I also listen to their conversations, give them the "thumbs up" and tell them I like them. And it works just like Facebook. I already have four people following me: two police officers, a private investigator, and a psychiatrist.

## DFNC FOOTBALL REPORT

## DFNC NETBALL REPORT

### Round 11 Match Report – Dunolly vs. Lexton

Well this past week saw Lexton come to the Deledio Reserve for our round 11 clash.

In what started as a foggy morning our under 11/5 kicked off the footy action. So far this year the kids in this age group have not had a win, but keep on trying and are putting in good performances every game. With Mark and Cam working with the kids, a win is not too far away.

Next up were our 14/5s and this team is a new group this year, who are developing into a strong team. With a handful of boys from last year's U11/5 side and some new kids joining the club, they are coming along nicely as team. We knew this year was going to be a development year for these two sides and things are looking good for both teams.

The reserves were looking for a another win to cement their place in the top eight. With Darren coaching from the side line and with a couple of prime movers out this week the boys put up a good contest, but Lexton's speed and ball movement was just too good this time, and boys went down with a score line that did not show just how close this game was.

The Seniors were up and ready for a hard game against a side we have not beaten for a long time. The first half was a tight and hard fought game and at half time it was up for grabs. Well after the long break Dunolly came out fighting and had a top third term kicking 10 goals with everybody putting in. The last quarter was tight again as Lexton tried to come back but the lead was just too big and we ran out winners in one of the best wins for this club in a long time. It was a team effort that won the day.

The final scores: Dunolly 17-11-113, Lexton 11-13-79.

This week we play Navarre at Deledio and we would like to see as many of you at the game as possible for what should be a top day of football and netball, and if you are up for it join in our trivia night for more fun and games .

From the Eagles nest.

PS: Sorry to have missed some reports.

**DFNC three game passes are now available at Dunolly Meats and Dunolly Bakery for \$20.**

#### Under 13s

Good game Dunolly, our defence was pretty good and we got a few intercepts of the ball. Unfortunately we weren't able to bring it home for a win. Lexton put up a good game, better luck next week Dunolly.

#### Under 15s

The girls started the first quarter really well gaining themselves a very handy lead. Lexton were able to claw their way back for and even first quarter. We dropped off a little bit from there and Lexton were able to runaway with the win. The girls never gave up, which is one of their strong points and all the girls should be proud of that. We went down 14-30. Best went to Caitlin for her strong game in Shooter and Encouragement went to Lucy who tried her heart out.

#### C Grade

A very tough game was played against Lexton. They came out fighting from the first centre and worked the ball extremely well. We gave it our all and it was just not good enough on the day, Lexton were the better side taking the win. Final scores Lexton 46 to Dunolly 14. Best on court went to Jenny Straughair.

#### B Grade

In a physical encounter, although playing good netball by half time we trailed by 13 goals. In the second half the girls regrouped and became more focused and more aggressive to their approach to the ball to win the 3rd quarter 8 goals to 3. Last quarter much the same out scoring 9 goals to 6 to overall lose by 5, after being 13 goals down at half time showed the maturity and the mental toughness that the younger players are learning. This gives us belief to go forward for the rest of the year as I know we are good enough. Overall great team effort. Final scores 27 to 32.

#### A Grade

Started the 1st quarter positively, second quarter Lexton with power netball started to draw away. The 3rd quarter was a good quarter for us basically goal for goal and in the end Lexton goalies were too accurate and ran out easy winners. Overall a good fighting effort from Dunolly. Best on went to Frankie, a top performance. Final scores 29 to 60.

#### Thank you

Many thanks to John for the DFNC footy report this week. Congratulations on the win. We all love reading how the teams fared but we do realise how difficult it can be to find time to put pen to paper each week. Your reports are much appreciated. Good luck this week against Navarre!

## MAYORAL COLUMN

### Working together to get the job done

Loddon Shire's annual Community Grants Scheme has delivered welcome news to more than 30 groups across the municipality.

As Boort Ward Councillor, it's rewarding to see the social hub of my hometown's football, netball and hockey clubs benefit from a \$10,000 allocation to purchase kitchen white goods which will enhance recent extension and refurbishment works.

My fellow Councillors have also shared a range of positive feedback from beneficiaries in their respective wards.

Undoubtedly a \$10,000 allocation to support miniature railway extension works at The Blue Eucy Museum will provide invaluable assistance to one of Inglewood's key tourism drawcards.

With sport and recreation facilities central to community life in Loddon, it's also fantastic to see \$10,000 going towards a kitchen upgrade at Wedderburn Bowling/Tennis Club.

Meanwhile, \$9,924.82 has been granted for facility upgrades being undertaken by The Northern Victoria Quarter Horse Association in Pyramid Hill and \$10,000 to the Rheola Public Hall for power upgrades.

The community groups I have highlighted are just a small portion of those who are now better equipped to get on with the project at hand.

In fact, a total of \$198,820 is to be spread across the successful applicants who applied to have their project funded on a two for one basis.

Furthermore, since the scheme was initiated, Council has allocated \$1.9 million to 640 community projects which have generated an investment of \$5.4 million, now that's something worth celebrating!

It's always a juggling act balancing community needs and delivering value for money to the ratepayers as a whole to visit and stay in Loddon Shire.

## VICKY'S VIEW

### Waterfall In The Rain

Walking along a slippery track in the rain is probably not a great idea. But the pretty little waterfall at the head of the valley was definitely worth the effort. Nowhere could I see a name for these falls, but they are situated about thirteen kilometres out of Avoca into the Pyrenees. Tall trees grow up the steep valley walls, and pretty little ferns grow around their roots.

The falls were audible from the picnic ground where we parked, and at first sounded like wind in the cloud shrouded tree tops. The track into them was very pleasant. Fallen tree trunks lay dotted across the little water course which was filled with water worn pebbles and jumbled rocks. Rounding a bend in the narrow track we caught our first glimpse of the falls. The water falls down the rocks at the head of the valley in several stages and lands in a lovely pool at the bottom. Colonies of frogs make themselves heard over the cascading water. A tumble of rocks allow visitors to cross the little creek and enjoy the best view of the falls.

After heavy rains it would be spectacular watching a large volume of water splash down the rock face and hurry along the creek. Unfortunately it would be near impossible to get to the falls because sections of the track would be nearly impassable.

As water dripped down our necks on our walk back to the car Marion spotted a patch of jonquils flowering happily on the far bank. It has to be wondered, how did they get there? Thank you Margaret for telling me about this lovely spot.
