Ashlee McClelland and Ashlee Lierich, who have played in excess of 450 games for the club between them.

Before the game commenced Edo, sharing the special moment with her daughter Zoey, ran through our Dunolly guard of honour and banner the girls had prepared.

Dunolly Netballers Celebrate

The girls this week had a huge milestone to celebrate with Ashlee McClelland (nee Edwards) playing her 250th game with the club. Ashlee McClelland started as a junior at the DFNC in 1998, winning a Best and Fairest just the following year. Since then she has added 4 premierships, multiple league and club best and fairest awards, has been selected in numerous interleague teams and added many more games to the 250 since joining Natte Bealiba in 2011. Ashlee has returned to the club this year and plays alongside Ashlee Lierich, who together have become quite a duo playing in excess of 450 games for the club. Ashlee is a dynamic player whose versatility shines in every team she plays in. She is agile and unstoppable through the mid court, puts on amazing moves in the goal ring and quickly turns to defence when the ball is turned over. She is a pleasure to watch and the club congratulates her on 250 games.

ROSIE'S RAMBLE

What a dreadful day on the roads – eight dead. Be careful out there.

Saturday 5th May was World Nude Gardening Day. Not the day for pruning roses or re-arranging the cactus, I would have thought.

This week is World Composting Week. Who has the task of deciding all these weeks and days ?

On a real-estate program during the week- 'Which area are you desirous of living in?' I think that translates to 'Where do you want to live?'

A report out this week says that eating three pieces of fruit a week helps women fall pregnant. (Why do we say fall in that context?). That report will either cause an upsurge in the sales of fruit, or in some cases cause a fall in sales.

I became really annoyed last week after the umpteenth cold call on the phone. I put my name on the do-not- call line over a month ago , so should not be getting those calls. I rang do-not-call and after a long wait peppered with the usual apologies for the wait, I was complaining to a real person. Fat lot of good that did! I was told if it happened again, to find out who was calling, note the time and date and ring to complain again. I answered the phone for the rest of the day saying "Dunolly pole dancing club – can I make an appointment for you". Fortunately, no-one I knew actually rang.

Stupid TV reporter question of the week to that unfortunate man who had stolen something like 24,000 boots over some years—"Do you want to apologise to the victims?" I wonder why all those boot-owners (12,000) left their boots out the front of their homes in the first place.

HOW NOT TO RELAX

Every day take some time to sit at your desk, breathe deeply and say to yourself, "Have I left the iron on?"

LETTERS TO EDITOR

Dear Editor,

I'm writing to inform Welcome Record readers of an exciting new project which will allow individual communities the chance to nominate and decide on their own funding for projects.

It's called *Pick My Project* and will be backed by \$30 million from the Andrews Government, allowing every community the chance to benefit.

All residents over 16, with the backing of a local organisation, school, council or community group, can submit a proposal that helps build a stronger community.

This is about putting community funding decisions back in the hands of communities by helping them come together to improve their neighbourhood.

Ideas could include anything from sporting and recreation infrastructure, community arts projects, improvements to community facilities and the local environment.

Projects will need to be feasible and have land-owner consent, but there will be no restrictive guidelines, meaning many local priorities that fall-between the cracks of other grant programs will be eligible for funding.

Communities will then get to vote for the projects they think are most important, giving residents in Central Goldfields Shire the first and final say on the best way to improve their area.

We want to hear from young people, sporting clubs, community groups, schools – anyone and everyone who is active and involved in the local community.

Projects between \$20,000 and \$200,000 will be eligible under the program.

To register your interest, visit pickmyproject.vic.gov.au.

Bring Back The Trains!

Facebook amuses me with the vast array of people who think they have The Most Important Opinion on the interwebs.

On one hand we have people claiming that a massive billboard proposed for Carisbrook is "progress" which will boost the local economy and business, while on the other hand we have people claiming that Dunolly has no need of rail services.

Personally, I cannot see how a massive billboard in Carisbrook will benefit anyone except the sole business it promotes, while returning rail services to Dunolly WILL boost the local economy, tourism and local businesses.

I rely on public transport, as do many others, and transport to and from Dunolly is poor, especially on weekends when most tourists would possibly visit.

The free Friday bus run from the RTC relies on volunteer drivers, other bus services run by V/Line are few and far between.

Imagine how many more visitors we would benefit from during events like the Tiny Towns Art Trail, The Gilbert & Sullivan Festival, The Art & Craft Show, The Dunolly Whole Town Garage Sale, cycling events, not forgetting the fabulous fund-raising events held throughout the town on weekends. If only we had at least one rail service to and from Dunolly each day!

Here endeth my tuppence ha'penny worth of opinion!

Short film evening

Sixty five people came to St John's Hall on Saturday evening of the 27th May to watch two short films by Ballarat filmmakers *Wind & Sky*. The films were *Many Roads*, about the Chinese in the goldfields and *Seeing the Land from an Aboriginal Canoe*. The evening was presented by the **Goldfields Historical & Arts Society** which provided many of the images

used in the films. It was wonderful to see such an enthusiastic and keen audience, many of whom shared interesting stories. The filmmakers, Lucinda Horrocks and Jary Nemo, answered questions from the audience. We didn't need the fire as it was a warm evening, and it was a perfect hall for showing the movies. An interesting night was had by all. Thanks to St John's for the use of the Hall.

Tiny Towns Arts Trail 2018 Thank You

Tiny Towns Arts Trail 2018 is over for another year.

A big THANKYOU needs to go out to everyone who has been involved. From the Dunolly District Inc.'s support of the project by auspicing and managing the finances, the Dunolly Historic Precinct which makes the courthouse available at a community rate and who also volunteer to manage the exhibition; to the Central Goldfields Shire who gave us the use of the Tennis Shed and support through social media and tourism networks, and of course the State Government Regional Centre for Culture that gave us grants and much-needed wide coverage for our event through their media outlets.

This event wouldn't be possible without all the participants. Such enthusiasm, amazing creative endeavours, networking and support for each other as ambassadors for the district!

Plus a big special THANKYOU to everyone who came along and joined the Tiny Towns Arts Trail 2018.

This year saw us grow, with numbers in excess of 100 a day at the larger events and good visitation out in the smaller towns with sales and wonderful visitors comments. As we spend the next few weeks winding up the exhibitions, returning borrowed equipment, acquitting the grants, and taking a well-earned rest, I think we can all be very pleased with our combined efforts.

Of course planning for next year's trail is already underway. Put April 26th, 27th and 28th under your hat for next year. I think we can count on more spectacular weather and great times, welcoming visitors to share school holidays, Easter and the Anzac weekend in this wonderful part of the world.

What's on at the Hub

We have been lighting the fire for the past week for workshops as winter is here.

Dawn Lim's Landscapes in the acrylic medium, started last Saturday. These workshops will continue fortnightly on Saturday May 19th and Saturday June 2nd, 16th and Sunday 30th. Cost is \$30 per session. Bring your own equipment including a book of canvases. Tea and coffee available for a gold coin donation. New students are welcome to join in.

Coming up

Craft Exhibition on Saturday July 7th and 8th.

This year will be a slightly different craft show. We have decided to make it an exhibition of the high quality of craft available in our region. We intend making it a showcase rather than a competition, in the hope of it being more inclusive and therefore seeing more entries from folk who normally don't enter.

We will still have a People's Choice vote and prize.

Words in Winter Saturday August 4th.

The Arts Hub has always participated in the Words in Winter Festival and this year there will be plenty going on in Dunolly with events in the main street and at the Hub. We have two renowned romance writers coming for the event - "Stories of Love". This will be set within an exhibition called "Many Faces of Love". There will be a High Tea and Taltarni sparkling wine.

Dunolly Arts Hub Story Seat

The Arts Hub art group has been working on artwork for one of the Central Goldfields Shire's Story Seats for the past few months, led by arts facilitator and local artist Kerry Punton. Now we are just waiting for the launch of the Story Seat. You may have sighted one or two of the story seats outside Big Cat Printing, who have been working on the printing of the vinyl wrap for each of the dozen seats. Our seat features Tiddalik the greedy frog, a tale adapted from an Indigenous story. We have also printed a book featuring our torn paper artwork. We will be having an exhibition of our supporting artwork and a book reading at the launch of the seat. The date of the launch will be announced shortly.

Lynda Vater

One of the animals featured in the story seat and book. It is made from torn paper and was crafted by Jo Osbourne.

The Neighbourhood House sector has received funding from the State Government in this budget.

We are not sure yet how much of this funding will be allocated to the Dunolly & District Neighbourhood Centre, so we will wait with bated breath.

We sincerely thank all those who "signed post cards" on behalf of Dunolly & District Neighbourhood Centre and supported the campaign to gain more funding.

At this point in time The DDNC receives funding for 20 hours per week. In actual fact the Centre is open for 33 hours per week. That includes activities and programs run in The Arts Hub and other venues (but not including the Golden Triangle Treasures Craft Shop) and we provide over 60 hours per week of programs and activities.

This does not include yearly events such as our participation in the Tiny Towns Art Trail, Whole Town Garage Sale, Two Day Golden Triangle Archers Trad Shoot, Words In Winter and Art and Craft Shows. One-off events such as the Recycle Runway are also not included in that 60 hours.

These events and programs could not happen without dedicated volunteers to help organise, collate and cater for these activities and programs and of course a committee of management which is dedicated and committed to making a difference in our community!

This funding will go a long way towards helping us make that difference.

Happy Faces!

FUNDING

As you may be aware, through the media, we will be receiving \$161,000 to modernise buildings.

This is extremely exciting and very welcome.

We look forward to working with the school community and the Victorian School Building Authority to prioritise the works.

Last Weeks Students Of The Week

Funding for Dunolly Primary School

Dunolly Primary School has shared in the Labor Government's \$181 million investment to build and upgrade 60 regional schools, as part of the Victorian Budget 2018/19.

Dunolly Primary School has received a \$161,000 funding boost to upgrade and modernise facilities. Welcoming the funding, principal Katie Lovel said the school is "really excited" to have received the grant and will now prioritise which area of the school needs to be modernised.

"We will work with the Victorian School Building Authority to maximise the use of the funds," she said, labelling the school's multi-purpose building as "very outdated",

Ms Lovel said it would be "wonderful" if it could be upgraded or extended as part of the funding.

"The building is used for music classes and whole school assemblies. A lot of our buildings are in a fair condition, but they are in much need of modernisation," she said.

"The students have said they would love to see a purpose built music room in the multi-purpose building, which is really quite outdated and in need of a facelift."

Under the Sky exhibition to open at Gallery

Seven local artists take a fresh and creative view of our flora, fauna and landscape in a new exhibition that will open at Central Goldfields Art Gallery this weekend.

The exhibition will be officially opened by Central Goldfields Shire Administrator Karen Douglas this Saturday 12 May at 2pm and residents are invited to attend.

The seven artists featured in the exhibition are Philip Adams, Lynne Edey, Juliana Hilton, Wes Lancaster, Kerry Punton, Tiffany Titshall and Patricia Walsh.

Visitors will enjoy a diverse display including oil paintings, charcoal drawings, ceramics and bronze sculptures. Many of the artists in the exhibition have taught art in local schools for many years and continue to create art inspired by the environment.

The exhibition is a collaboration and cross promotion between Central Goldfields Art Gallery and Possum Gully Fine Arts Gallery to support the artistic talent of our region.

The exhibition will be on display at Central Goldfields Art Gallery until 17 June, 2018. Press Release

Dunolly, Sense of Place Project

We had a productive week with Deborah Halpern last week, starting the collection of stories from the children at the school, and a few community groups. The school students have also provided drawings of what they love in their life... and in Dunolly.

Deborah is now looking at possible shapes for the sculpture... derived from the drawings made at the school, so we will share some ideas when they start to materialise. We are hoping that by working through all the processes with someone of Deborah's experience, we will gain some of the skills to continue in the future.

We will continue talking to groups and others over the next few weeks, to get a bigger picture of what makes Dunolly tick....where 'we' have come from, what has been found that keeps us here, hopes and visions for the future, the importance of our history..... and stories that are on a more lighthearted note as well.

Physical work on the sculpture will be starting at the beginning of June. Dates will be advertised, so if you are interested in that side of things, watch this space, or let Philip, Anna or Judy know and we can put you on our list of workers. Keep an eye on the Facebook page for updates... Dunolly, Sense of Place project.

If anyone has coloured tiles looking for a home, we will organise to pick them up from you, or drop them in at the Ministry of Fun! Other recycled items may be needed too....

Little Shop of Interiors Discovered

I don't know about you, but on Saturday last, I found out what is behind the red door at 96 Broadway Dunolly.

The Little Shop of Interiors is a new, vibrant shop offering a wide range of goods that can be used practically or decoratively. For instance, my knitting is now sitting in a light grey wicker basket rather than an old shopping bag, much more pleasant to look at and work with.

Amongst the many items for sale are cushions, crockery, platters, scarves, wicker baskets, mats, candles, soaps and so much more. The range is extensive as well as fairly-priced.

Looking for gifts or a prize for a special occasion? Then this shop offers the perfect range of goods and will, in time, prove to be a valuable asset to the town and district. Kerrie has done a wonderful job of displaying her products using flair, colour co ordination and style.

Call in and check out this cute, quaint shop.

Open on weekends from 10am until 3pm and market days.

We at The Welcome Record wish Kerri good fortune in her new venture, and encourage everyone to support a new, small business.

DUNOLLY CWA UPDATE

Our April was the branch International Day and was a lot of fun. We started the day a bit earlier than necessary, but that left more for the social side of CWA after the meeting. We enjoyed a very tasty Peruvian style lunch, which included spicy chicken salads, potatoes (Peru is the home of the spud), caramel sweets and a baked guinea pig.

At the meeting we remembered our gentle, long time member, Shirley Flett. We will miss her.

Leeane Mullan and Jan Watts intend to attend the State Conference in Melbourne in May.

The May meeting was at 1.30 as usual. We discovered that we have an interim Group President, due to the removal of the elected President. Dunolly Branch will be hosting the Group Conference in August.

It has been suggested that members make red poppies for the crosses at the RSL hall in Dunolly.

We are planning to go to the Sheep and Wool Show in Bendigo on July 20th as a branch, to celebrate our 71st birthday, about four months late. This sounds as if it will be an interesting day. Just hope it doesn't rain (chance would be a fine thing). The flower competition was won by Heather Weir, with Jan Watts second. The item competition was Something from my Childhood and the stories attending the entries were very interesting.

The next meeting is on Wednesday 6th June, and the competition is What I made in May.

Travels with Cynthia

When Liz and I were touring in Spain in our borrowed car, we arrived in Barcelona late at night. After stopping at traffic lights we realised we were being followed by some young blades who were tooting and calling out, probably "Hola señoritas". At the next lights one of them jumped out and ran to the window of our car but when he took one look at the two middle aged ladies instead of young señoritas, his face was a picture and he couldn't get back to his car fast enough! The lights changed before he had time and everyone was tooting them.

Our next dilemma was to find our hotel. In no time we realised it was an impossible task, with no Spanish and no map. Then we saw a number of people spilling out of a nightclub and stopped to see if anyone could understand us. Luckily, some did and their suggestion was to hire a taxi to lead us there. This we did, and the driver led us to our hotel in no time but became a bit agitated when he found we had no Spanish money; We suggested one of us run in and change a traveller's cheque. Instead the hotel desk man came out and paid him and put it on our bill.

The hotel was a quaint-looking tall, thin building with fancy iron balconies overlooking a beautiful church. The next day happened to be the special day each month when the Catalan people all assembled on the steps to dance. I imagine they came to worship too but we were fascinated to watch all the people, young

and old, put down their bags and belongings at the bottom of the steps and all join in the intricate Catalan dance, up and down the steps. I am sure there must have been musicians accompanying them but that bit escapes me. I must ask Liz.

The Welcome Record Grants Scheme

The Welcome Record invites community organisations to apply for a Grant for funding.

Please submit an application letter stating the amount required and the purpose of the proposed funds and if there is a deadline.

The applications will be reviewed in due course and selected according to the greater need.

Please be aware that the amount you have specified may not be the amount you receive.

We have a limited amount set aside for the Grants Scheme and will allocate until that amount is exhausted.

Applications can be submitted until Wednesday, 12th December 2018.

Send applications by email to: welcomerecords@inet.net.au or drop into the door slot at The Welcome Record office.

Round 4 – Dunolly V Maldon

Football

U11.5

U11's had a hard game this week playing the top side, but we were able to play strongly, get tackles and build on their game play, which is all I ask of them - that they go in each week improving on their skill set and position playing. So I'm really proud of them all.

Gavin Prigg

U14.5

U14's again put up a great effort with Luke G and the midfield showing great courage and determination all day. Special thanks to the U11's who put their hands up to help us with numbers. We loved having you in the team and hope you guys enjoyed it. Bring on next week.

Grant Raven

Reserves

The reserves team took on Maldon who have improved vastly since our encounters with them last season. We were unlucky in front of goal in the first quarter, missing 5 shots and failing to score a major.

We came out firing in the second quarter with Andi Le Marshall kicking 2 crucial goals. Unfortunately, we could not stop Maldon's scoring power and conceded 12 goals after half time. Raymond Richie and Josh Kelly were our other goal kickers. Matthew and Michael Lench were among our best.

Mitch Kerney

Seniors

This week Dunolly hosted the Maldon Bombers in their only home Sunday outing for the season at Deledio Reserve.

The Eagles were bolstered by the return of AJ, Sitto and Justin Poyser who both missed last week's match. Unfortunately Crackers missed due to an ankle injury sustained last week against Navarre.

The Bombers kicked to the southern end and drew first blood early. However, despite controlling most of the general play, we were wasteful in front of goal, only scoring three majors.

The second term began with an early goal to Maldon, for the next twenty minutes, the Eagles dominated around the stoppages and general play. Tim Johnson put the first major on the board for the Eagles and a couple of minor scores brought the Eagles back into the contest, The Eagles failed to take their chances in front of goal, with some costly turnovers resulting in late goals to the Bombers just before half time, Maldon, despite being challenged by the Eagles, held a handy buffer of 35 points at the main break.

The third term saw Maldon add four more majors, to the Eagles' two, with Shane Abdilla providing some spark up forward with his two majors for the term.

Maldon, sensing the Eagles were tiring, came out full of run in the final term, adding nine last quarter goals, to take the four points, 19.15. 129, to the Eagles 3.2.20

Best for the Eagles was Justin Poyser who racked up an impressive 39 touches.

Fridge, Heydo and Sitto.

Netball

Round 4 saw our last Sunday match against Maldon at home. With what started as a cold foggy morning, the sun soon began to shine as the afternoon came around. Maldon are always a tough opposition and our teams showed great sportsmanship and determination all day.

Under 13s

After 3 wins on the Board the 13 girls came into the match in good form. Unfortunately, Maldon were able to dominate early in the match and we couldn't seem to get into the right rhythm. Final score Dunolly 4 to Maldon 37.

Under 15s

After some close matches in the first few rounds, Dunolly knew they would have to bring their A game against a strong Maldon outfit. Similar to the under 13s, the 15s worked hard all game but couldn't quite stop the well-oiled Maldon machine. The girls ended up going down Dunolly 2 to Maldon 31.

Under 17s

The 17s were able to come out of the blocks early, taking a 4 goal lead in the first quarter, and continued strongly into the second quarter with a 8 goal margin at half time. In the third quarter Maldon were able to steady their game in an even quarter from both sides. Coming home strongly, Maldon were determined to make up the difference and really pushed our girls in the last, but our hard work in the first half paid off. Dunolly came out winners 26 to Maldon's 21. Maddie received the incentive for a great game in GK, always applying pressure in the ring and always being ready for those second efforts.

C Grade

Coming off a good win last week the C grade girls started off a little bit scrappily in the first quarter. In the second quarter the girls were able to steady their game and make their opportunities count, coming into the half time break with a 6 goal difference. The second half saw Dunolly play some brilliant netball with the goalies shooting accurately, the defenders rebounding strongly and the wingers picking off passes up the court. A huge shoutout to Caitlin for playing up and giving a stellar effort in C to bring in some much-needed fresh legs. Dunolly pushed out their lead in the last to take the game 37 to Maldon 27. While the incentive this week could have gone to any one of the girls, Alex had a fantastic game in GK.

B Grade

The B grade girls were certainly out to turn around their run to date and bring home some chocolates this week. In the first , Dunolly played consistent, strong netball, to go into the half time break up by 4 goals. With some changes to the team at half time, the girls came out firing. The goalies were shooting amazingly, with 100% accuracy (12/12) in the third and this momentum continued right up to the final whistle. Final score Dunolly 34 to Maldon 21. Jayde received the incentive this week for a great game in GS/GA.

A Grade

Game on!

Maldon were able to get the jump early, taking our girls by surprise in the first quarter. A few silly mistakes in the second saw Maldon push out that margin to 8 at half time. The girls regrouped at half time and with positional changes had a great quarter to bring back the margin to 5, getting as close as 2 during the quarter.

Dunolly just couldn't quite seem to get into their usual groove and Maldon ran out winners, Dunolly 40 to Maldon 47. Playing a solid game in GD/GK, Ash Lierich took out the incentive.

DUNOLLY GOLF CLUB

This Saturday 12th May, is Bill Willmott Day at the Golf Club. This is an important day in the calendar and is a traditional event at the club, with a dedicated Honour Board and a Perpetual Trophy to the winners. It is a Stableford Event for both men and women.

Tee-off will be between 12.30pm and 1pm.

A special afternoon tea will be provided at the end of the round, and presentations to the winners will follow.

We remain very grateful for the contribution of the Willmott family to the history and development of the club. We are also grateful to Lorraine and Max Borneman of Lormax Consulting, for their continued sponsorship of the Bill Willmott Memorial Trophy.

See you all there on Saturday and social members are very welcome to attend the afternoon tea and presentations.

Last week saw an 18-hole Stableford Event held in perfect conditions.

Men's Winner was Ian Arnold with 40 points.

Runner Up was Arthur Deason with 35 points.

Women's Winner was Shenae Hunt with 36 points.

Runner Up was Cheryl Lovel with 33 points.

Resident Peacock

Not everyone can boast a railway station as their home address but that is where Robert and Heather reside at the Bealiba station. They are happy to welcome a regular visitor to this unusual abode. The visitor is a brightly plumaged peacock

which has been seen in Bealiba for the last three to four years. This peacock has become a familiar sight around the town and is welcomed and fed by the locals. He regularly perches on their rooves and has preferences for the school and the church. Of course the school children love him and collect the shed feathers. It is now the time of year when he is growing his new tail, so there are plenty of feathers to be found. He has to be protected from predatory foxes and dogs. Once he was chased by dogs and flew high up into a pine tree. It happened to be the habitat of a magpie nest and the magpies flew out in a great state.

Robert tells us, that when the peacock lands on their tin roof, it makes a loud clunky noise and thus announces its presence.

Dunolly Garden Club Visit

Eight members of the garden club headed north to St Arnaud last Monday to explore the delights of the North Central Farm Trees nursery. The nursery presented a colourful and varied array of mainly exotic plants, ranging from small tubs to mature trees. There were also several fascinatingly shaped and topiary plants on display, as well as colourful pots and bird-baths. It was a garden-lovers paradise and we all came away with car boots laden with a variety of plants.

Our next stop was a local café for lunch and of course an extended chat.

Before heading home we went in search of the St Arnaud Pioneer Park which is situated behind the magnificent town hall, adjacent to the swimming pool. The park has a fascinating history with land being donated to the local CWA in 1937 by the Shire Council. The CWA employed the services of Edna Walling to design the garden, which is dedicated to the pioneers of the district. It is the only remaining public garden designed by her. She opened the gardens in 1947. Today the only sign of her touch is the long pergola that stands in the rear of the gardens, against the foundations of the Lord Nelson mine. There are some beautiful trees in the garden, including a Turkish Oak and large Spruce. As expected, the garden looked very dry. It is testimony to the tenacity of plants that they are clinging on to life in this climate!

The gardens used to extend to the old public swimming pool, with a diving-board and jetty still in evidence. There is a memorial gazebo and seat around the pool, but these days only the ducks dare venture into the murky pond.

A drive around the streets of St Arnaud revealed some beautiful old houses and gardens. They must have some good soil around town!

A thoroughly enjoyable day was had by all. Now we just need rain for all our new plants!
