The Red Door is Now Orange

Here is some great news for Dunolly

We now have a full time Real Estate Agency established in our town. Many of you already know Kerri Jongebloed, who ran her hobby/part-time business *Little Shop of Interiors* opposite the well-known Dunolly Bakery. The shop has now been transformed into Kerri's estate agency.

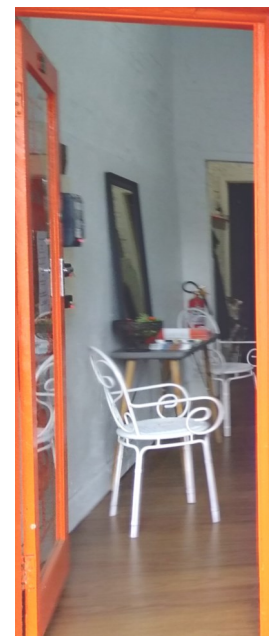

Kerri has 17 years' experience in real estate and has lived in Central Victoria including Maryborough and Dunolly, over the past 35 years. Kerri's clients, vendors, buyers, landlords and tenants benefit from her considerable experience and vast local knowledge of the area. The agency is offering a professional Property Management service as well as Selling Agent.

"Remember - List with a Local!"

The company Kerri works with is Priority1 and they have offices in Bendigo and Wedderburn.

You can be assured of a warm welcome at Kerri's office as she is always happy for locals to drop in for a chat.

ROSIE'S RAMBLE

What are the vegans protesting against? What are farmers going to do with all the animals that are currently living on farms?

When I went to Bendigo a couple of weeks ago, I noticed that the stone animals on the top side of the road to Tarnagulla were looking a bit dull. Last week as I passed them I noticed that they had been spruced up. The kangaroo (or red dog) is decked out in Essendon footy colours, and I thought the frog was in yellow and blue — not sure about that though. I wonder who does this maintenance on the many strange objects that are scattered around the state?

I reckon that the Coles' management should come 'down, down' on some of their van drivers, judging by the incident I was nearly involved in outside Kangaroo Flat. One of those little gutless wonders of delivery vans came flying out through a give-way sign and on to the main road close enough to cause some instant braking and very loud warning device usage on my part. Do the drivers have to pass a reading test before they are employed? P.S. I have the rego number of said van.

I thought I had ruined a couple of my small saucepans by letting fruit I was stewing boil dry and burn, apparently permanently. However, I put one out near the bins to throw out, and after a few days the burned-on stuff cracked like the bottom of a dry dam and came off. A bit of elbow grease and some Jif restored the pot to its as-new shine. It worked on the other one too.

ANZAC APPEAL 2019—DUNOLLY-BEALIBA SUB-BRANCH RAISING VITAL FUNDS FOR OUR HEROES

RSL ANZAC Appeal organisers at more than 200 sub-branches throughout Victoria are gearing up for the 2019 ANZAC Appeal.

Dunolly-Bealiba RSL S

sub-branch president Richard Gale said, "Every year our local community gets behind the ANZAC Appeal, buying an ANZAC Appeal badge.

I am always so humbled and proud of the generosity our local community shows during the ANZAC Appeal"

"Our volunteers will be out and about selling ANZAC Appeal badges in April, please stop and make a donation to the ANZAC Appeal or buy an ANZAC Appeal badge. 100 per cent of the proceeds will go towards supporting our veterans," Richard said.

RSL Victoria's appeals manager, Peter Smith OAM, said "The funds raised through the RSL's ANZAC Appeal enable the RSL to deliver much-needed assistance to those men and women who have served our country and now need our support."

The way in which the RSL provides that support varies from case to case, but it can include such things as assistance with medical and other household expenses such as food and utility bills, education and employment assistance, and providing advice and support with claims through the Department of Veterans Affairs.

Peter went on to say that the RSL is increasingly directing support towards a younger cohort of veterans.

"Traditionally we have been known to provide pension advice and advocacy on behalf of older veterans. But, more and more the RSL is being called on to support a new and younger cohort of veterans, those from the more recent conflicts and peacekeeping operations of East Timor, Iraq and Afghanistan. In this way, we are as relevant today as we were in 1916."

"Please show your support for our veterans, both young and old. Buy an ANZAC Appeal badge or make a donation to the ANZAC Appeal," Peter Said.

You can purchase an ANZAC Appeal badge from your local Woolworths, Officeworks, RSL Sub-Branch or from volunteer collectors in your local community from early April. You can also donate online at anzacappeal.com.au.

Hon Jaala Pulford MP
MEMBER FOR WESTERN VICTORIA
Media Release

Western Victoria – a great tourism destination that keeps growing Victoria has cemented its place as Australia's best tourist destination, with new data showing that 2018 was the tourism industry's biggest year on record. The Grampians experienced positive numbers, welcoming 51,300 overnight visitors in 2018.

Member for Western Victoria, Jaala Pulford, welcomed the rise, saying it showed the strength of the region's tourism offerings.

Visitors to Victoria spent an unprecedented \$8.5 billion in 2018, up 12.9 per cent on the previous year, driving economic growth and creating thousands of jobs.

Data from Tourism Research Australia shows Victoria welcomed three million international visitors who stayed a combined 72.9 million nights in the state.

Ms Pulford said Victoria's tourism industry is growing at almost three times the national average.

"Victoria is a truly world class destination for international visitors and this strong growth shows what a popular destination the Grampians is for travellers from across the globe," Ms Pulford said.

"Western Victoria has something for everyone, whether they're looking to explore our natural attractions or our food and wine options. It's obvious why the figures released show how strong tourism is in Victoria when we have attractions like the Grampians right in our backyard," she said.

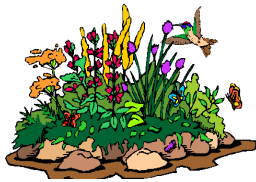

The increase in tourism spending was largely driven by visitors from across Asia, with expenditure by visitors from India, China, Indonesia and Taiwan showing strong growth.

These key growth figures indicate the increasing strength of tourism across Victoria, outpacing the rest of Australia as a tourism hotspot for visitors from around the world.

The figures also show Victoria is well on-track to reach our aim of growing our total overseas and domestic visitor spending to \$36.5 billion by 2025.

Tourism is one of the key contributors to the Victorian economy and employs around 215,000 people.

Connecting to Country Event

If you're interested in Aboriginal cultural heritage, then don't miss the opportunity to get along to a free family fun day at Boort on Monday 15th April.

To be held at Nolens Park from 12.30pm to 3.30pm, the Connecting to Country Event will bring the cultural significance and stories from the area to life.

Boort and the surrounding marshes, lakes and rivers are culturally and spiritually rich. Within a 20-kilometre radius of Boort it is understood that there are more than 2,000 scar trees, making the area one of the largest (if not the actual largest) collection of scar trees in the world. The area is also home to many cooking mounds and artefacts.

The day is a chance to hear and learn from traditional owners and elders. There will also be a barbecue lunch, Welcome to Country, weaving workshop, boomerang painting, traditional stories, cultural artefact display and much more.

The Connecting to Country Event is hosted by the North Central Catchment Management Authority (CMA) and Dja Dja Wurrung Clans Aboriginal Corporation.

For catering purposes, please RSVP to the North Central CMA on (03) 5448 7124 by Thursday 11 April.

Naturally Loddon Spring Festival — include your event

Dates are being finalised for this year's Naturally Loddon Spring Festival. The festival includes a series of events across the Loddon Valley, and is a great opportunity to showcase our region (and wonderful events) to locals and visitors alike.

Last year's festival included 14 family-friendly events across our region, such as the Kooyoora Wildflower Show, Tarnagulla Revisited, Boort's Family Carp Eradication Weekend and annual metal sculpture competition, Wedderburn Open Gardens and more.

If you have a local event that you would like to include on this year's Naturally Loddon Spring Festival calendar, please contact Shelby or Sandra at the Loddon Visitor Information Centre on 5494 1257 by Friday 26 April.

Event Sponsorship Scheme applications

Applications are now open for Council's Event Sponsorship Scheme. The scheme, which started in 1999, provides assistance to community groups organising events within the shire.

Under the scheme, community groups can submit applications for funding under the Major Event Category or Minor Event Category.

The Major Event Category provides \$1,000 towards events of regional or state significance. For example, state sporting events and/or major festivals, and that attract a significant number of visitors from outside the region.

The Minor Event Category provides \$400 towards events of local and sub-regional significance, such as annual sporting tournaments or local community festivals. These events will be of local and sub-regional significance, for example, annual tournaments and community festivals and will attract a moderate number of visitors from other communities.

For more information and to download an application form, visit www.loddon.vic.gov.au/Live/Community-support/Council-grants or contact Council's Community Support team on 5494 1200.

Recycling – what happens to tyres?

As mentioned in my last column, over the coming weeks I'll be focusing on a range of different areas relating to council's recycling processes. This week, I thought I would start with tyres.

From Monday 1st July 2018 to Wednesday 20th March this year, 128 tyres in Loddon Shire were collected (this does not include tyres from hard waste collections).

The tyres are sent to Melbourne where they are processed into a range of different products.

These products include athletics tracks, brake pads, building insulation, material for construction of roads and drains, matting products and new tyres (including tyres for your wheelie bins).

Tyres are also reprocessed for other products such as non-slip surfaces, road surfaces, cement, paper and steel production, playground, road and sporting surfaces, and adhesive for tiles.

Strengthening Rural Communities
offers flexible and frequent grant opportunities
to help local communities fund local solutions.

Learn more: frrr.org.au/src

The Victorian Regional Achievement & Community Awards are designed to encourage, acknowledge and reward the valuable contributions individuals, communities and businesses are making throughout regional and rural Victoria.

Do you know an individual, group, business or organisation who deserves to be recognised? We would love for you to enter them into the Awards!

Below is a list of categories that are now open.

Great prizes are up for grabs with either \$2,000 into an account in their name from Bank of Melbourne or air time packages on PRIME7 for each of the category winners! One of the nine category winners will be named the "Bank of Melbourne Regional Achiever of the Year" and will receive an additional \$2,000 and state trophy.

Plus, we will send out a media release to each of the nominee's local papers encouraging them to write a story, and every nominee will receive a certificate of achievement.

The Awards are free to enter – and completing a nomination online is easy! If you are ready to start your nomination please go to our online portal and select the category from the dropdown nomination award menu.

Want to recognise someone but don't have the time? No problem, we are more than willing to help! Simply Refer Someone to us - it takes only 2 minutes to complete the form and our team does the rest! We'll get in contact with them and have them complete the questions. It's that easy

Nominations close Wednesday 3rd July 2019.

Fire permits for farmers issued next week

Central Goldfields Shire Council is issuing local landowners with permits to undertake controlled burning from Monday 8 April.

During the Fire Danger Period, these permits are only issued for farming purposes and farmers are encouraged to prepare their properties prior to applying for a permit.

Controlled burns are designed to assist with the removal of stubble and grass, to enable farmers the opportunity to prepare their lands for cropping.

If a permit holder fails to adhere to the conditions contained within the permit, it will result in police attendance and potential legal action occurring.

In addition to this, breaching permit conditions, or lighting a fire during this time without a permit can result in fines of more than \$19,300 and/or 12 months' imprisonment. As part of ensuring compliance with permit conditions during this period, burns may be inspected by the municipal fire prevention officer, Victoria Police or the Country Fire Authority with any non-compliance resulting in the permit being cancelled and the appropriate authorities informed.

It is important to note that permits will not be issued for piles of green waste or general waste.

If you believe a fire is not a controlled burn call 000 immediately.

Council enters into Ambulance Victoria lease

Council has entered into a 21 year lease agreement with Ambulance Victoria. The lease is for a 408m site for the Maryborough Aeromedical Transfer Station at the Maryborough Aerodrome.

Darkness and Light exhibition

Central Goldfields Art Gallery newest exhibition called *Darkness and Light: Landscapes of Central Victoria*. Michelle Kettle paints historic facades of the Central Goldfields; Mark Dober creates watercolours and oil paintings inspired by the Castlemaine Botanical Gardens; and Joanne Sisson's paintings originate from sketches and photographs produced on day trips to forested locations surrounding her home in Ballarat.

The exhibition will be on display until Sunday 12th May.

The Gallery is located in Neill Street, Maryborough, and is open from Thursday to Sunday 10am to 4pm or at other times by arrangement. Guided tours are welcome.

For further information, please contact the Gallery on 5460 4588.

Garden Club

This month's Garden Club is a trip to Iron Art Newstead and Shades Of Grey in Castlemaine.

The Iron Art Garden is an established art and sculpture Garden. Found objects are sited creatively in the space to engage

your sense of play and imagination. At Shades Of Gray gaze in wonder at candelabras, bowls, mirrors, fire screens, beds and sculptures made from rusty wire and odds and sods.

We leave the centre at 9.30am on Monday 29th of April. This will be a car pool trip. It would be nice if we can indicate to the owners of both these gardens of how many people they can expect, so please let me know if you would like to be a part of this trip!

If you love to wander around gardens, visit interesting and diverse places you would be welcome to become a member of the Neighbourhood Centre Garden Club. On the last Monday of every month there is an interesting garden to visit, an information session, or a plant swap over a cuppa.

For more information on any of the above contact details for the Neighbourhood Centre are Tel: 5468 1511 Email: admin@dunnhc.com.au

We are the building to the right of the Dunolly Hospital in Havelock Street and are open Monday to Thursday from 9am. Sharon Hiley, coordinator

The Wirework Workshop with Regina Dudek was a great success. We had 12 attendees last Sunday afternoon and the wirework birdcages that came out of the workshop were so diverse and varied, from delicate cages decorated with pottery flowers to a lovely memory birdcage that a local lady decorated with her late mother's butterfly jewellery collection. One favourite of the group had a handmade blackbird made to sit on the driftwood perch; all the works were artworks in their own right and Regina was an encouraging, supportive teacher who helped us let our imaginations fly. Thankyou to all the local folk who attended the workshop and encouraged friends to join in.

Printmaking Afternoon Saturday 13th April

At the Arts Hub we have inks and printmaking equipment to print off some works on paper; we have also been gifted from local printmaker Nyrel Saunders some wonderful inks. You will need your own lino cuts (sorry we don't have any lino), I am happy to lend my personal linocuts. If you are a printmaker and would like to gather and do some printing, come along on Saturday 13th April any time after 11am and join in.

Exhibition at Arts Hub for Tiny Towns Art Trail on

Saturday and Sunday 20th, 21st, 27th and 28th April

This year the exhibition is about showcasing the work we do at the Hub, and the considerable talent we have locally, over the two weekends the trail attracts many people from all over Victoria, it is a great opportunity to network, exhibit and sell. To make this exhibition a success we need you, the community to be involved, so if you have any items you would like to exhibit for the Tiny Towns Arts Trail please call Lynda on 0418875453.

Sew Simply Workshops at GELC in Maryborough

Sew Simply is a short set of workshops at GELC in Maryborough on Saturday 4th, 11th and 18th May. The workshops are a set of lessons in how to use a sewing machine with confidence, how to do the simple things like thread a machine or a bobbin; how to change stitches and sew a straight line. We will also be constructing a very simple bag over the three weeks, also touching on simple hand sewing, general sewing skills and shortcuts to make sewing a part of your life whether it's as a beginner or as someone who has no confidence in their skills. All are welcome across all ages and skill levels and we will supply the machines and equipment. Please ring Lynda if you need more information, bookings will be through GELC.

Current Programs

Mosaics on Mondays—Meeting from 10am to 12pm on a Monday morning. You can come to learn the art of mosaics, work alongside other artists, all equipment supplied. Come and have a yarn and a cup of tea.

Fire Restrictions are still in force

Fire Restrictions are still in force and will remain so until it is deemed safe to terminate. Unless we get some significant rainfall or local conditions are suitable, it is likely that the Fire

danger period can run its course and terminate in line with CFA legislation on Wednesday 1st May 2019.

Residents are reminded that fire restrictions remain in force due to ongoing very dry conditions.

Permits may be issued for primary producers, stubble burns, and pest and weed control but not for general burning off of rubbish, etc from Monday 8th April.

Municipalities in CFA District 20 (Gannawarra, Campaspe and Loddon shires) will also begin issuing permits from the 8th April for primary producers;

There is a zero tolerance policy for any unlawful fire during the fire danger period meaning that offenders will find themselves facing court and potentially large fines and/or imprisonment;

"We are still in the fire danger period, which means that fire restrictions remain in place. If you intend to burn off or have an outdoor fire at this time of year then you must comply with restrictions or obtain a permit."

"With a number of people camping during the Easter break it's important to understand fire restrictions, particularly if you're planning to light a campfire. It's also just as important to be aware that campfires are banned on total fire ban days and regardless of whether it is a Total Fire Ban or not, no fires can be left unattended at any time!"

"Fire restrictions limit the ways you can use fire on your property, including machinery which may produce sparks or flames. Any fire can quickly threaten lives and property given the right conditions."

"Fire restrictions remain in force for a very good reason and that is to try to prevent fires from starting unnecessarily! It's up to you to stay informed by checking the fire danger rating for your area daily and to act to protect yourself and your family by leaving early on hot, dry, windy days. Don't wait and see."

"It's everyone's responsibility to prevent fires from starting and spreading."

RUSH'S DAIRY

James Rush was born about 1818 probably in England. He married Catherine Ward and they immigrated to New South Wales. From the births of their children we know they were at East Maitland in 1843 and Sydney in 1845. From there they came to Port Phillip where James worked as a shepherd and Catherine would have been a hutkeeper. They were at Glenmona Station about 1846 living at the Daisy Hill Hut. This later became Amherst. The other shepherd at this hut was Thomas Chapman who discovered gold and started the Daisy Hill Rush of 1849. Although not successful this was the first ever gold rush in Australia. No doubt James and Catherine would have been involved in this. They may have looked for gold or they may have supplied food to the many hopeful prospectors or the Native Police who arrived to keep order. None of the 200-odd people who arrived had any real knowledge of how to find gold. Most just walked around looking for it. There were no pans or cradles. Within a few weeks it was all over and forgotten until the main gold rushes started.

James and Catherine Rush shifted to Charlotte Plains Station about 1850 and moved into a shepherd's hut at the bottom of Tullaroop Creek. This was about 300m upstream of the current Eddington Bridge near where the lucerne mills are now. James was a shepherd and Catherine looked after some milking cows. The place became known as Rush's Dairy. There were crossing places here on both the Tullaroop Creek and Loddon River.

When the gold rushes started, this became the preferred crossing for travellers to Maldon or Bendigo. For those travelling to the goldfields around Dunolly there was a bridge over the Bet Bet Creek. This bridge was erected privately but by whom is not recorded.

Perhaps it was built by James Rush to encourage travellers past the dairy?

At any rate in the 1850s and early 1860s this bridge was known as Rushes Bridge.

James and Catherine Rush and their seven children left the district for Creswick about 1860, three or four of them having been born at Rush's Dairy. By this time there were other bridges at Eddington and Bet Bet. The name Rushes Bridge was changed to Middlebridge. Later it was changed again and we now know the area as Betley.

TOUR OF MUPHYS CREEK

On Monday 15th April we shall be holding a tour of Murphys Creek.

Bring your own lunch, chair and car, carpooling is preferred. The cost is \$15 or \$5 for members.

All proceeds to the historical society.

This tour shall cover some early squatting history, gold rushes, unusual geology and sites of some of the former buildings at Murphys Creek.

Further details call John on 0428178669.

Almond and Pear Tart

- 2 tablespoons milk
- 2 tablespoons butter
- 1 cup S.R. flour
- 1/2 cup plus 2 teaspoons sugar, divided
- 3 tablespoons plain flour
- 4 cups sliced peeled fresh pears (about 4 medium)
- 3 tablespoons sliced almonds

Melt butter and milk in a pot. Add flour and mix together. Chill then roll into 10 inch circle. Place on a baking tray lined with baking paper.

In a large bowl, combine 3/4 cup sugar and flour, add pears and toss to coat. Spoon over pastry to within two inches of edges. Fold up edges of pastry over filling, leaving middle uncovered. Sprinkle with remaining sugar.

Bake at 200C for 15 minutes or until crust is golden and filling is bubbly. Sprinkle with almonds and bake five minutes longer. Using paper, slide tart onto a wire rack to cool.

St. Arnaud Rail Station Renovations for Community Use

Works are underway to restore the heritage listed St. Arnaud Rail Station and open it up to the community as an arts and education hub.

The works are being carried out on behalf of VicTrack by regionally based Searle Brothers building contractors.

They include replacing floors, repairing walls and ceilings, rewiring, creating new access paths, and building a kitchenette and accessible toilet.

The project is being carried out in conjunction with heritage architects Quadratum Architecture, to ensure works are sympathetic to the heritage status of the building.

The building will be leased by the Avoca District Co-operative Limited, which manages the Avoca Community Bank® branch, Maryborough branch and St. Arnaud agency of the Bendigo Bank.

They will sublease the station to the not-for-profit community group Raillery Hub Inc. (RHI), who will manage the space.

Works are scheduled to be completed around the middle of this year.

RHI plans to create the first permanent community art gallery in St. Arnaud offering rotating exhibits in multiple mediums, in support of regional artists.

An artists' library lounge will also be available for creative people to use as they wish.

They will also offer a space for quality, regionally produced products, handmade art and craft to be available for purchase.

It's planned to have a launch at the completion of renovations with food, entertainment, kids activities, speakers and a fundraising auction.

The facility will evolve over time as volunteers, resources and funds become available.

To join the RHI mailing list or for more information, please contact Paula Collard, Chair Raillery Hub Inc. on Tel: 5495 3151 or railleryhub@gmail.com

DUNOLLY CWA UPDATE

We started our meeting on 3rd April at 10.30am so we could fit in a busy day.

During the meeting we were told that the association has been asked to produce 6000 ANZAC biscuits (without coconut) for sale at the ANZAC Day races at Flemington. These need to be at HQ by Monday 15th April.

Joyce Vater gave her report on the foods of Iceland. A lot of lamb is eaten, with some vegetables, fish and fruit, especially blueberries.

We have booked a Danny Blume fashion parade for 20th September. The clothes will be the new summer range. More later.

It was our International Day lunch and as Iceland is the country of study, an interesting meal was expected. We began the meal with a tasty lamb, kale and veggie soup. This was followed by a selection of food - salmon, fish pie, baked fish, caramelised potatoes, spicy biscuits, caramel cake and other tidbits. We were well fed.

We also had our ACWW Women Walk the World day. After lunch, members set off for a walk from the SES to the Gordon Gardens. This was a gentle stroll spent admiring gardens we passed, and checking out the borough monument and playground in the gardens. Some of the younger members couldn't resist a ride on the bouncy see-saw.

There is photographic evidence. We then wandered back to the SES via Broadway.

Heather Weir won the flower competition with her lovely begonia, and there were three runners-up.

Next month the competitions are a flower and something treasured.

Travels with Cynthia

Once more I have reverted to my childhood visits to Tasmania.

I spent many school holidays with my Aunt Jean and my two cousins, Peter and Sue, in Hobart. My brothers and I found Peter a terrible bore and no wonder, now he is a High Court judge.

I will never forget the night we all went to a formal occasion at Wrest Point and my aunt made Peter grudgingly dance with me. I was about 15 at the time and believe it or not, rather self conscious. As we left the dance floor to return to our table, I slipped and fell over. Instead of the normal gallant gesture of helping me to my feet, Peter pretended he hadn't noticed and kept walking. Floods of embarrassment for me and a furious Aunt Jean, as he was her white-haired boy.

Years later I felt I had got even with my cousin when he showed me a photo of himself when admitted to the bar, wearing the full, flowing wig and I told him he looked like someone out of Gilbert and Sullivan. Peter had no sense of humour.

In direct contrast was my cousin Sue who, like me, had no sisters, so we bonded at an early age. Sue had a friend Isobel who had a head of massive curls, the sort I always wanted.

One day we arrived to collect her for a bike ride and to our amazement found Isobel with her head on the ironing board, ironing her hair straight. She told us she hated her curls. Wonders will never cease.

We regularly went bike riding up the Tasmanian coast, taking our lunch with us and joined by some of the girls' friends.

One day we laboured up a steep hill, zig zagging to ease the effort, and arriving at the top rounding a bend, and stopped for a breather. Then we realised that Isobel was missing so we rushed back down to find no sign of her. We heard a feeble cry and spotted Isobel lying tangled in bushes with her bike on top of her. Luckily there were no bones broken but lots of cuts and bruises. She must have zigged zagged too close to the edge.

No mobile phones then, so two of us walked to the nearest house for help and Isobel got a nice, comfy ride home in someone's car while we pedalled back, much less-cheerful than when we set off.

What's happened?

The Australian Taxation Office (ATO) have reported an increase in the number of scammers contacting members of the public pretending to be from the ATO.

The scammers are sending pre-recorded messages claiming that you have a debt with the ATO, and if you don't call to arrange payment, a warrant for your arrest will be issued.

The scammers are using technology to manipulate the caller identification so that your phone displays a legitimate ATO phone number (otherwise known as 'spoofing').

Does it affect me?

Calls are being received by hundreds of Australian taxpayers.

How do I stay safe?

Calls from the ATO do not show a number on caller ID (they always appear as a private number) and the ATO doesn't use pre-recorded messages.

If you receive a pre-recorded message claiming to be from the ATO, do not return the call and do not provide any personal details; either hang up or simply delete the voicemail.

Remember that a legitimate caller from the ATO will never:

- threaten you with immediate arrest
- demand immediate payment, particularly through unusual means such as bitcoin, pre-paid credit cards or gift cards
- refuse to allow you to speak with a trusted advisor or your regular tax agent
- keep you on the line until payments are made

If you are in doubt about a call claiming to be from the ATO hang up and phone the ATO's official scam line on 1800 008 540 to check if the call was legitimate or to report a scam.

COMING ATTRACTIONS

Local production of *H.M.S Pinafore*

Our local performers are enjoying the rehearsals for the musical comedy *H.M.S Pinafore*.

Everyone is welcome to come along and watch the rehearsals and join us for a cup of tea at break time. I am always amazed at how well and how quickly our local performers can pick up the tune and comedy of the G&S works.

We always welcome new singers and promise it isn't as daunting as it looks. Once you get the tune in your head, it is a fun and easy thing to sing along to. The words are hilarious. G&S was the fun musical comedy of its day and still proves popular with young children.

Talking of which, we would love to welcome children on stage as cabin boys (kids always steal the show of course). We rehearse on alternate Thursday and Sunday afternoons at my place.

Pop in and say "Ahoy, matey"

We'd love to see you.

Central Goldfields Ratepayers & Residents Association Inc.

At the April meeting, several important issues were addressed. Further discussion took place on council's draft rating strategy. The submissions will now have been heard, but it appears that many people would prefer that a decision be delayed until an elected council can vote on it; those with local knowledge of the areas concerned. Most Maryborough property rates will decrease, but those outside Maryborough will be subject to an increase. It was noted by one attendee that council had advised him that there is no definition as to the urban boundary.

After much correspondence on behalf of CGR&RAI regarding an issue with NBN outages on days of total Fire bans, we were extremely pleased to receive a letter from The Hon. Bridget McKenzie, Federal Minister for Regional Services. She advised that the issue has been raised with the NBN, which will take it on board and schedule outages for more appropriate times.

Several members met with Jason Modica, independent candidate for Mallee on his visit to Maryborough last week and we later welcomed him to our meeting at Talbot. We are also hoping to meet with some of the other nine candidates in the near future.

Our next meeting is to be held in Dunolly, at the SES building on Broadway (entry at rear), on Tuesday 7th May at 7.30pm. You do not have to be a financial member to attend meetings, everyone is welcome. Please direct any questions to cgoldratepayers@mail.com or by post to PO Box 184, Maryborough 3465. In the Vegie Patch

April is such a nice month; it gives us a good feeling to be out in the garden, and to sow some seeds or do some planting out. For April—seeds of white and odourless onions can be sown, not plants. Near the end of this month the seeds of long keepers can also go in the soil while it is still warm. Onion plants like a cold start, but seeds need warm soil to germinate.

Cos lettuce are great in cooler weather; they like well drained soil, but have shallow roots and need frequent watering, especially in hot and/or windy weather. Add compost and some fertilizer before planting. Another winter green is endive which can take the place of the winter lettuce. It is easy to grow and leaves can be pulled off them as needed but they are inclined to go bitter when left in the soil for very long; if so place a flower pot over them for a week or more and they will lose that bitter taste. Broad beans can be sown near the end of this month, but later sowings are more successful. Asparagus crowns can be planted out now; it is better to buy two-year-old crowns. If you've got heavy, clay soil, you'll need to mound the plants up or dig in plenty of organic matter so that it becomes well drained. Dig a deep trench, about 75cm, for the long roots - the deeper the better. Then add organic matter. Asparagus is very hungry and needs plenty of organic matter such as cow manure, sheep manure, or old chook poo. Scatter it thickly down the bottom of the trench because they will love it. Do not cut spears for the first season. Late short varieties of carrots, sown now can still result in a very useful crop. They will not grow a large root, but can be very welcome in late spring when the winter crop is spent. Other crops to go in include Chinese cabbage, most Asian greens, spinach, rocket, broccoli, spring onions, celery, silverbeet and leeks. To keep pumpkins in good condition until the plants die off, cover the pumpkins over if a frost is forecast. Once they are hit with an average frost they will not keep very long.

A Walnut Tree Stock Photo

Fruit Trees

Remove any "mummified" fruit still hanging on the branches and dispose of them in the bin. Peaches and nectarines are especially prone to brown rot, and mummified fruit is a major source of fungal spores.

If walnut trees need pruning, now is the right time. If pruned during winter they are more likely to bleed. Now the fruit tree leaves are starting to fall, don't waste them, they make very good mulch, and rot down rapidly.

Autumn Garden Hints

- While the soil is still warm, it's a good time to plant trees, shrubs, and herbs, as their roots will have a chance to take hold before winter.
- Cover ponds with netting to prevent autumn leaves rotting in the water.
- Divide overgrown perennials, collect their seeds, prune those that have finished flowering.
- Look out for slugs and snails now the weather is cooler. Go out at night and squash them or put out traps using saucers of beer. Surrounding plants with
- copper tape also works well.
- Move cold and frost tender plants under cover or indoors before they are damaged.
- Happy Gardening

WOW! It is hard to believe that term one is over already! We have literally blinked, and the last 10 weeks have gone—just like that!

It has been a very busy, but exciting, term for Kokoro Kai Karate here in Dunolly (and Maryborough too)

We welcomed new members to our Karate family.

We now have approximately 60+ members, who all train at least once a week, some even train twice a week by making the trip into the Maryborough Dojo on Wednesdays,

We have been training, and preparing for an upcoming grading, which will take place at the Dunolly Town Hall on Sunday 14th April at 10am until approximately 1pm.

(same day as the Dunolly Market).

Come along at 9.45am to see our competitors do a Kata demonstration!

We have purposely booked the Town Hall, as we decided to hold our grading on the same day as the market;

a) to support the market, hopefully some of our members and their family will stick around, and take a look around the market while they are in town!

b) booking/hiring the Town Hall means we are utilising a local venue, putting money back into local community facilities!

c) The session will be "open door" which means not only are people welcome to pop in and have a look!

We encourage it!

Some people in Dunolly and the surrounding district don't even know there is a karate club here and often those who do know we are here, have never actually seen what we do. So, we welcome members of the community to come along, pop in, and see what karate is all about!

Judge for yourself.

Our competitors have had a busy time too.

With the start of the year always that little bit more hectic for our competitors as a lot of karate comps fall in that two month period (February/March).

They attended four big tournaments over five weekends: the Melbourne Open, Karate Victoria State Championships, National All Styles (Round one) and the Shotokan Cup. We had many successes over the four tournaments.

We are very proud of our group of competitors, who have had to set the alarm between 4am and 4.30am (on a Sunday, ouch!) to hit the road by 5am, to get to these Melbourne tournaments on time.

Often, they haven't even left Melbourne until 4.30pm and 5pm in the afternoon. It's a huge commitment they have taken on, and they have taken it all in their stride.

On top of competing, athletes have not only dedicated themselves to training (often anywhere between two to five sessions a week); they have also been actively doing their own fundraising too!

We can not thank our supporters enough.

The support we have received has been incredible. It is because of the support we have received so far, we have been able to pay the entry fees for our competitors to attend the four Melbourne tournaments mentioned.

Our sponsors, Kylie Moloney Legal in Maryborough, Tania and Grant Raven from Bendigo Auto Electrical and Mechanical, the Dunolly Golf Club, the Dunolly Community Market, and *The Welcome Record*.

We have a few more fundraising ideas up our sleeve for the comps later in the year, but for now, we are turning our attention to fundraising towards Nationals (to help get competitors to the Nationals in Tasmania in August!) and also NAS Nationals later in November.

A group of karate mums and dads will be working the barbeque at the Dunolly Market to raise funds to cover competitor/entry fees for NAS Nationals in November.

Also, two of our junior members, Leah and Tyson, who are trying out for State Team Selection, will be at the Dunolly Market on Sunday 14th April, selling Cadbury Fundraising Easter eggs, as well as raffle tickets for an Easter egg hamper.

A big shout out and thanks to Caryl and Peter from the Dunolly Caravan Park, who also offered to help sell chocolates—for Tyson and Leah—helping these two kids chase their dreams, and achieve their goals.

We appreciate all the support we have received, and cannot wait to share updates with you about future tournaments and our competitor's achievements.

Maryborough Lions Market Sunday 7th April

Dunolly lady, Geri Grover, can't decide which bear to buy.

The Maryborough Lions Market last weekend, was bustling with good crowds. This was my first visit to the Maryborough Lions Market, which is held once a month. There were plenty of people about, looking, buying and asking lots of

questions. The chicken van was a popular stop. The array of stalls was wide, so there was something for everyone. Music from the Maryborough Brass Band filled the air adding to an atmosphere of fair and carnival. Watch out for next month's market, the cooler weather makes it much more comfortable for walking along Nolan and Alma streets.

These bears were a selection of wares being sold by Helen and Sharon from Baringhup. This was their first time at the Maryborough Lions Market, and they were pleased with the crowds who visited their stall.

Trees in Gordon Gardens are Thirsty Please Water

I attended the Central Goldfields Council meeting about the Gordon Gardens upgrade. While I'm happy about some of the improvements mentioned, one thing that worries me is that until the irrigation system is repaired, the council only waters the trees every two weeks as they have to cater to a large area and do the rounds of the townships within the shire.

I was thinking that as a community project, people could perhaps water the trees themselves. Someone wrote a letter to *The Welcome Record* a couple of weeks ago about it, so maybe that person can get a team going. Maybe get a group together to work on a roster?

To whom it may concern

The Dunolly Community Music Group would like to thank everyone who supported us over the last six weeks. We have averaged 20 people each night. Over the course of the evenings, many people have made the brave move to get up on stage and have a go. The more often you do it, the easier it gets. Thank you for your effort. As well as basics like stringing and tuning, music lessons are going to be available each night, either by an experienced player or a YouTube lesson.

Hope to see you at the Dunolly Bistro & Bar, Fridays 6.30 to 11pm, bar snacks and drinks available all night.

Good Friday Appeal Tarnagulla

Once again we will be travelling the district knocking on the doors of your houses, caravans and tents and rattling tins. Please give generously. The monster raffle is now open, tickets on sale at the pub and post office. \$1 per ticket. Hand made quilt, 32" TV and much more. Last year we had 50 prizes, this year heading the same way. People love this very worthy appeal.

Tarnagulla & District Golf Club Greenskeepers' Games Report

Well, what an enjoyable time was had by all participants in the Greenkeepers' Games last Saturday! Beautiful weather, great company and a seven hole surprise round on a well kept course.

The great enthusiastic people who attended the morning working bee have left the club house gleaming all over, the gardens trimmed and the golf course ready for the upcoming Easter Saturday Cup. We all used muscles some of us didn't know we had and good work was accompanied by funny stories and lots of laughter all around. Dead bushes and low growing branches certainly had met their match! Well done all!

After a lovely lunch at the club house, we all set out for the mysterious Greenkeepers' Games and enjoyed novelty holes such as teeing off on the 1st tee and putting in the 2nd hole. We criss-crossed the course with this unusual mix of fairways and sands. There were no handicaps, we just counted our scores.

Leo McCartin won the men's event and Mary McNamee won the women's.

Many thanks to all who made the day special and a community event. Bravo.

Come one, Come all, to the Easter Cup on Easter Saturday afternoon. Even if you don't play golf, come along to the afternoon tea and make some new friends and meet other lovely people. Bring your family and friends. Everyone is welcome.

Mary McNamee, Secretary

We hit off for the first official day of the season this Saturday, April 13th. with a Stableford event for all comers. Hit off will be at 12.30 so please be there at 12.15 if you can. The course is very dry, but all 18 holes are quite playable, and the scapes have been manicured by Darren and his co-workers, so there will be no excuses for poor putting!

Some old familiar faces are returning to the club this year, which will be good for our membership numbers. If you are new to the district, or new to golf, you will be made most welcome. All juniors are invited to participate, and we are very keen to have some new female members at the club. Even if you have never played, we will ensure that you are made welcome, and given coaching and guidance to help you enjoy the game. All social members are welcome and it would be great to see these members at the Club at around 5pm on Saturday for a chat and a drink!

Travelling Tractors to Who Knows Where

These photographs of tractors rolling along Broadway, Dunolly last Saturday 6th April, were taken by Jenny Scott. There were a variety of tractors, all older and maybe even vintage. All seem to have been lovingly restored. Does anyone know who the drivers are, where they were off to and what type of tractors were on a Saturday drive. Perhaps this was a mystery tour? Or a picnic day for tractor drivers?
