## The Uniting Church Op Shop Fashion Show

Ivan Scrubsole  
Model extraordinaire

To the budget-conscious, the Uniting Church Op Shop Fashion Show is one of the most anticipated events on the calendar.

On Thursday 2nd May, the hall was packed with ladies (and some men) looking for a bargain.

Jan Watts opened the proceedings by reading a lovely poem and then introducing Rev Gordon Wild, the new Uniting Church minister, who led us in a prayer of thanks.

The podium was then handed over to Carol Dodson who emceed the fashion parade. Last year was meant to be Carol's last parade, but she bowed to overwhelming demand and returned again. She swears will be her final year (we shall see).

The models then 'strut their stuff'. The separate pieces of clothing were put together to great effect showing how you could make a lovely outfit for next-to-nothing. There was very little that was above \$10 – and that was for the entire outfit – tops, skirts, jackets, jewellery and sometimes shoes and handbags. In fact, most individual pieces were only \$3 - \$5. I personally think they could increase the prices and it would still be very cheap. I was thrilled to purchase two beautiful leather handbags that cost only \$4 each; however, I was happy to pay \$10 for the two, not bothering with waiting for the change. I often buy from the op shop and am always happily surprised to find such quality outfits for such tiny prices.

Entertainment was in the form of The Dunolly Ukulele Group which played popular well-known tunes, inviting the audience to join in. Everyone was more than happy to raise their voices.

A comedy skit about the well-dressed man whose bright red lining matched all aspects of his apparel, including his boxer shorts, had the audience in stitches of laughter. Heather Cooper and Jim McKenzie roamed the hall with their basket of goodies for the door prize draw.

The afternoon ended with a wonderful afternoon tea, while shoppers snagged their bargains.

What a lovely rain!! May there be lots more.  
 I was on my way home when it started and was amused to see the galahs doing their celebration gymnastics on the power lines. They were upside down hanging from the lines. I reckon they were getting their wing-pits washed. There is water in our dam—enough to make quite a pool, I was surprised how much there was.  
 The frogs were next in line to sing for joy. I went out into the garden after the rain and was greeted by wall-to-wall cricket chirruping—really surround-sound.  
 One of those big brown moths we used to call rain moths was knocking on the window that night.  
 Did you see the retired politicians unplugged on "You can't ask that " on Tuesday? Very interesting.  
 Did you read about the massive population increase in the shire last year? 61 people! Don't know if that includes babies born, or if it was in-comers. No wonder there is a housing shortage.  
 While I was enjoying my weekly vanilla slice today, I got to wondering how the bakery cuts them into such neat oblongs. It must be a very sharp instrument—if I try to cut one, the filling oozes everywhere.

**SILLY STUFF—**

If the suitor pressing his suit with your daughter is thought to be unsuitable, even if he wears a designer suit, how do you handle the situation?

Rosie

**A word on suitors from Jane Austen**

"Every young lady may feel for my heroine in this critical moment, for every young lady has at some time or other known the same agitation. All have been, or at least all have believed themselves to be, in danger from the pursuit of some one they wished to avoid; and all have been anxious for the attentions of someone they wished to please."

## Travels with Cynthia

Paris seems to crop up in my reminiscences quite a lot but usually in glowing terms.

However, this time I have recalled a few Paris traffic problems. Going back to my young days, travelling through Europe with my friends, I was the driver on the last stretch home, heading through Paris en route to the ferry to take us back to England. That was the time when the gearbox jammed and suddenly I could drive in only one gear. With Paris traffic totally bedlam, cars hurtling in front of you at every intersection, no one giving way, it was a miracle that we avoided an accident. Next thing the gearstick came off in my hand. It was one of those surreal moments when you think you must be dreaming. Thankfully, with huge encouragement from my passengers, I managed to steer into a service station, still in one piece.

All those years later, when travelling with Liz, we were driving through Paris, this time heading in the opposite direction, in order to tour through France and Spain.

Liz was driving and it was pouring down buckets of rain. When we got to the circle at the Arc de Triomphe we were bushed. Twelve roads meet there and although we believed we knew the correct route from

our map it didn't turn out that way. Forging through the blinding rain we took the most likely street but next turn took us back in the circle. Over and over again we tried a different street and again we arrived where we had started we were obviously missing turn offs to get out of the circle, but visibility was terrible.. Finally we thought we had struck gold but in front of us was the huge outline of the Palace of Versailles; definitely not the direction we should have taken.

Unfortunately this was not the time for sightseeing, although I had actually visited that magnificent palace with all its gold furnishings and halls of mirrors, many years before.

Finally, by some twist of fate, Liz and I managed to get ourselves on to the correct route out of Paris, quite exhausted and very relieved.

Cynthia

## Osteoporosis service at MDHS

Central Goldfields residents can now receive osteoporosis testing in Maryborough thanks to new state-of-the-art technology which measures bone mineral density.

Maryborough District Health Service (MDHS) is now offering dual X-ray absorptiometry (DXA) scans using the next-generation DXA system from Hologic, Horizon.

The machine, which costs around \$90,000, was funded by a \$898,800 grant from the Department of Health and Human Services MDHS received around 18 months ago for X-ray and ultrasound equipment.

The hospital is currently averaging around 40 scans per month with the new technology and MDHS CEO Terry Welch said he is "delighted" to be offering the scans in Maryborough for the first time. "Being able to do bone scans here will dramatically help health outcomes for this community," he said. "This machine is the final suite of the equipment we received funding for."

According to the health service, osteoporosis often goes undiagnosed until a person experiences their first fracture, and once this occurs there is about a 50 percent chance the person will have another fracture. With an ageing population, Mr Welch said the new equipment will be particularly beneficial to older patients. "People over 70 are considered at high risk of bone disease like osteoporosis," he said.

"We know we have an older population and we know that travel is a challenge so this will eliminate the need to spend a whole day travelling to another town." Mr Welch said the new equipment is another step forward for the health service. "In the last 18 months we've been focussing on pursuing everything we can to get services here in Maryborough," he said.

Bookings for a bone mineral density scan are essential and can be made by calling 5461 0353.

## New ATM for the Rural Transaction Centre

Star ATM is the company that owns the ATM at the Dunolly RTC. There have been several owners of the machine since the community won the battle to have an ATM installed at the RTC in 2012. The current machine is well out-of-date and frequently breaks down (as we are all too often aware), so it is good news to learn that a new machine will be installed very soon. The company plans to make the changeover on this Friday 10th May, which will mean the service will be out of action for some or all of the day.

When an ATM was first installed, the provider agreed that no transaction fees would be charged for Bendigo Bank customers and a small monthly fee would be paid to the RTC as a form of rental.

However, that agreement is well-expired but subsequent arrangements informally maintained the status quo.

Star ATM, the current owners, have reviewed the usage figures for our ATM and concluded that the Dunolly ATM is not viable with the current arrangements. They point out that half of all transactions are for customers of the Bendigo Bank, so their income is derived from approximately 50% of ATM users.

The RTC considers our first priority is to ensure that our community and visitors continue to have access to an ATM, especially outside business hours. To maintain this service, all customers will be obliged to pay a transaction fee when using the ATM, as is the usual practice with commercial machines. The RTC will also forego the fee we receive for use of the space. We take this action reluctantly, but do so in order to maintain a useful community service. We hope that Bendigo Bank customers will make more over-the-counter transactions if they wish to avoid paying an ATM transaction fee and so boost the foot traffic for the Maldon Community Bank.

Fiona Lindsay  
President  
Dunolly RTC

**\$150,000 ways to celebrate 20 years of community banking**

The Dunolly and District Community have shared in the Maldon & District Community Bank® \$150,000 grants. Eleven groups from Betley, Dunolly, Eddington and Moliagul received grants at the Community Bank's 20th birthday celebrations in April.

Young people and families are set to benefit with a number of projects funded around the district. Funding was awarded to the Dunolly Primary School's library regeneration project – to expand the library's resources and books. The Dunolly Community Garden and Preschool will jointly benefit from a grant to purchase netting for the fruit trees at the preschool – so more fruit is eaten by young (and older) people and less by birds! The Dunolly Football Netball Club will use their grant to fence the playground, making this safer for the children. New lighting will improve productions at the Town Hall and is sure to be appreciated by performers and audiences alike. A new roof will ensure the protection of artefacts and displays at the Dunolly Historic Museum. The Dunolly Hospital Auxiliary's application for funding for reconstructing the Red Cross Garden at the hospital received support. A defib machine was provided to the Eddington Community Committee for the community centre. This grant includes training for the community to learn how use the defibrillator. The Dunolly & District Neighbourhood Centre's new program "Let's cook for one (or two)" is ready to go, with the bank funding the project to support skills and provide social connections for Dunolly and district residents. Sharon Hiley from the Neighbourhood Centre explained the program. "The targeted group we have in mind for our cooking program are men who are living on their own, single parents and lonely people who find it difficult to become active members of a community, as well as new residents who may have retired to our area.

Getting people together over a meal, learning new cooking skills and learning to be socially interactive will be of enormous benefit to our whole community. There is nothing like chatter, laughter and making new friends while enjoying and interacting over a meal!" said Sharon. Finally, a number of community facilities will see improvements thanks to the grants program. Funding for new heating and cooling will improve conditions in the Betley Mechanics Hall.

The Moliagul Reserves Committee received funding to continue to improve the amenity of the Moliagul hall, and new curtains will be fitted at the Dunolly Senior Citizens Hall.

Chairman, Ross Egleton, said the grants and birthday celebrations recognise the significance and impact of two decades of community banking in the region. The grants, ranging from \$500 to \$9,500, were presented to 41 successful grant applicant groups.

"I am proud to announce that we have topped \$3 million of funding back to the community. This includes the money going to tonight's grant recipients as well as funding over the last 20 years to buying community buses, learner driver training, tertiary scholarships, equipment and vehicles for emergency services, schools and preschools, arts and cultural events, sporting clubs, as well as many many festivals, facilities, programs and projects," said Board Chairman Ross Egleton.

Groups receiving grants in this latest round of funding come from throughout the bank's service area of Dunolly, Maldon, Moliagul, Betley, Baringhup, Newstead, Eddington, Guildford, Muckleford, Harcourt and Mount Alexander Shire.

Ross said the locally-owned and operated branch had grown from strength to strength since it was established.

"As our profitability grows, so too does our ability to provide an important source of sustainable revenue for communities to help fund projects and initiatives that strengthen our communities.

"If you don't already bank with us at the Dunolly branch of the Community Bank, call into chat with our friendly staff to find out more about how banking locally is great for you and your community."

Karly Smith | Director | Executive Officer

**Around school this week: ANZAC DAY**

What an honour for our student leaders to be invited to MC the 11am service. Thank you to all the students who attended the services. We had 25 students at the Dawn service and approximately 55 at the 11am service. They all showed such wonderful respect and sense of community. Well done !

**PREP SWIMMING**

This term the Prep students will complete their swimming program. They will travel by bus to the Maryborough Sports and Leisure Centre each Wednesday. Permission forms and costs were sent home this week. Please return by Tuesday next week.

**CROSS COUNTRY**

A huge congratulations to our students who showed wonderful determination and a great sense of community, encouraging each other to complete the Cross Country. I was very proud of all of you who participated with such a great attitude! Thank you to the wonderful parents who volunteered on the day to ensure it all ran smoothly. We have 22 students who have qualified for the Bendigo Cross Country next Wednesday. Good luck !

**BUILDING WORKS**

We are very excited to see the progress with the building upgrade. The meeting room is taking shape along with the refurbished staff room, first aid room and upgrading to the doors at the junior entry area. We are on track for it to be finished around the 22nd May.

We are excited to be taking part in the 2019 Woolworths Earn & Learn program.

During the previous campaign, we were able to purchase some great resources with the points we earned.

From now until June 25th 2019, you can collect stickers at Woolworths that go towards Earn & Learn points. For every \$10 you spend at Woolworths (excluding the purchase of tobacco, liquor and gift cards), you will receive a sticker. These stickers can then be collected on a special sticker sheet. Once it is completed, you can either place them in the box located in the school's office or you can drop them into our school's box located at Woolworths in Maryborough.

The more points we earn, the more we can redeem from a choice of over 10,000 educational resources including mathematics and English resources, art & crafts materials and much, much more!

We are grateful for your support and look forward to receiving lots of stickers.

Dunolly Primary School participation at the ANZAC Day events

**Bread and Butter Pudding for One**

**Ingredients:**

- 2 thin slices of bread
- 1 Tbsp sultanas
- ¾ cup milk
- 1 egg
- 1 Tbsp Chelsea white sugar - Chelsea is a NZ brand name
- Any white sugar will do. Editor
- ½ tsp vanilla essence
- cinnamon

**Cooking Instructions:**

Cut the bread into small pieces and place with the sultanas in a small baking dish. Beat milk, egg, sugar and vanilla essence together. Pour over the bread and sprinkle with cinnamon. Bake at 180°C for 20-25 minutes until the custard is set. Serve with a little cream or ice cream. Serves 1.

## MAYORAL COLUMN

### Community grant applications open until 30 May

Applications for Council's Community Grants Scheme are now open until 4pm, Thursday 30 May 2019.

Grants of up to \$10,000 are available for not-for-profit clubs and organisations based in the Loddon Shire to deliver projects that directly benefit residents.

The Community Grants Scheme aims to help not-for-profit organisations enhance the provision of activities, facilities or delivery of services to people in our community.

Successful grant applications are funded on a two-to-one basis. This means for every \$2 provided by Council, the successful applicants must contribute a minimum of \$1 towards the cost of the project. Up to 50 per cent of an applicant's contribution can be in-kind.

Please note, applications must be submitted online through Smarty Grants. Council's Community Support team are available to assist with completing your application online via phone or an appointment can be made to meet to complete the application.

To find out more, call Council's Community Support Team on 5494 1200.

### National Road Safety Week

Every year, more than 1200 people are killed and another 35,000 seriously injured on Australian roads.

This week is National Road Safety Week. Running from Monday 6th to Sunday 12th May, the week highlights the impact of road trauma and ways to reduce it.

The week is an annual initiative from the Safer Australian Roads and Highways (SARAH) Group, partnering road safety organisations and Government.

Additionally, the week honours those we have lost and pledges to make the roads safer for everyone.

The theme for this year's National Road Safety Week is Drive so others survive. People are asked to pledge to drive so others survive.

This includes driving as if your loved ones are on the road ahead and removing all distractions and never using your mobile phone while behind the wheel. The pledge also asks people to be aware of road and people working in the road environment who are vulnerable, slow down, and drive safely near them.

To find out more and to take the pledge, visit: [www.roadsafetyweek.net.au](http://www.roadsafetyweek.net.au)

### Recycling – what happens to green waste?

This financial year, Loddon Shire has collected 156 cubic metres of green waste. Green waste is treated for contamination and shredded on site to be re-used for site rehabilitation, landfill cover and beautification.

Council offers separation of green waste/organics and materials such as timbers, furniture, construction and demolition materials in domestic quantities to be broken down and retreated.

The separation from the green waste and organics pile provides maximum efficiency and cost to Council during the shredding phase.

It also reduces contamination of re-useable material onsite and provides maximum return of available materials to be used on Council's parks, gardens and open spaces.

### Did you know?

Having mentioned last week that the draft Activating Open Spaces Strategy is now open for public comment, did you know that there are 113 or more parcels of public open spaces located within our Shire? This diversity of public open spaces includes parks, playgrounds, sports ovals, bushland, footpaths, cycling/walking tracks, rivers and lakes.

Cr Cheryl McKinnon

### Feedback for 2019-2020 Proposed Budget invited

Central Goldfields Shire Council endorsed the 2019-2020 Proposed Budget at the

Tuesday 23 April Ordinary Council Meeting.

The Proposed Budget is now on display and open for feedback from residents.

The Proposed Budget delivers a surplus and reflects the Council Plan which sets the strategic direction for Council and reflects our vision to be a vibrant, thriving and inclusive community.

A key focus of the Proposed Budget is infrastructure with Council investing \$10.29 million into local roads, Maryborough Sports and Leisure Centre, Gordon Gardens Masterplan, community buildings such as Carisbrook and Talbot town halls, sustainability and waste.

Some of the highlights from the Proposed Budget include:

- Community plans for eight towns across the Shire—\$120,000
- Significant funding to roads funded through Regional Roads Victoria and Roads to Recovery—\$2.74 million
- Carisbrook levee works—\$900,000
- Energy saving programs for buildings—\$222,000, 50% grant funded
- Waste projects at transfer stations including monitoring systems at old landfill sites and bin roofs—\$180,000
- Support for the Australian National Pipe Band Championships—\$10,000

The Proposed Budget is available at :

[www.centralgoldfields.vic.gov.au/haveyoursay](http://www.centralgoldfields.vic.gov.au/haveyoursay)

or at Council's Customer Service Centre at 22 Nolan Street, Maryborough.

Central Goldfields Shire Administrator Karen Douglas said the 2019-2020 Proposed Budget aims to have the best outcomes for the local community for the long term.

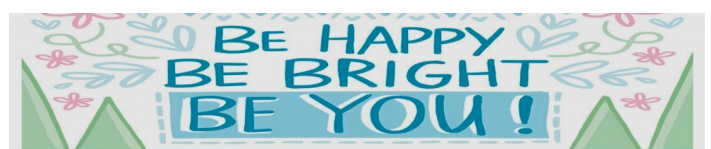

"Our Budget invests into our community infrastructure and is complemented by strategic planning that will guide Central Goldfields Shire's economic, tourism and recreation needs into the future."

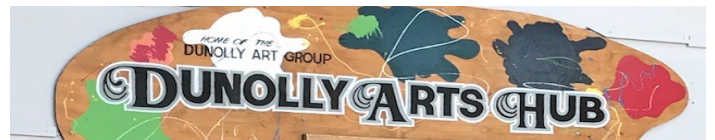

Written submissions regarding the Proposed Budget are invited and should be submitted to Council by close of business at 5pm on Wednesday 29th May 2019.

There is an opportunity for submissions to be heard at a special hearing at 5.30pm on Tuesday 11th June 2019 at the Community Hub, Burns Street, Maryborough.

For more information about the 2019-2020 Proposed Budget or the submission hearing, contact Council's Customer Service Centre on 5461 0610.

CGSC News

### Cards With Rhonda

Making your own greeting cards is very therapeutic. Learn creative ways to colour, embellish and make your cards special.

Cards or scrapbooking workshops are moving to the centre for the winter months (it will be warmer).

The next session is on Wednesday 22nd May at 7pm. \$12 per person per session for three cards, all materials supplied. Come along, it's a fun thing to do.

### Craft Show

Our Annual Craft Show is on the weekend of the 13th and 14th of July at the Arts Hub.

Get your fabulous work together and show off what talent we have in this district!

Look out for more details in Lynda's Arts Hub column. The Dunolly and District Neighbourhood Inc. is open from Monday to Thursday from 9am. 25 Havelock Street, the building to the right of the hospital. If you want more information on any of the above or anything else ring 54681511 or email: [admin@dunnhc.com.au](mailto:admin@dunnhc.com.au)

Sharon Hiley  
Coordinator

All programs are back now at the Hub so join us for Mosaics on Monday at 10am.

Maybe you might need to get some harmony and balance back in your life, if so Tai Chi with Jason, classes on Tuesdays and Thursdays at 10am also Wing Chun at 6pm on a Tuesday evening.

We have just had a load of wood delivered so the fire will be lit at The Hub making the space very cosy for upcoming classes and events.

### Upcoming Events at the Hub

#### Annual Craft Exhibition July 13/14 weekend

Last year's exhibition was wonderful, so if you are a crafter please take note of the dates and get crafting. This year as with last the event will be an exhibition, but to add a little competition into the mix we will have a people's choice so the visitors to the exhibition can get involved.

A Literary Lunch for Words in Winter is to be held on Saturday 3rd August, at the Arts Hub; this is part of the *Annual Words in Winter Festival*. This will be part of a workshop with a renowned guest writer (to be announced). The lunch will be hearty country fare set at long tables, with the author as an invited guest. Sit and enjoy a leisurely lunch followed by a workshop hosted by the guest author in casual and relaxing surroundings. Prices of the workshop to be announced – bookings are essential.

#### Craft Mega Sale

Due to the popularity of the last craft sale we will be holding another in September, so start gathering your excess craft supplies ready for the mega sale.

#### Art Show

November 2/3rd will this year be a Photography Show so get out there and start snapping some pictures of our beautiful surrounding country.

There will be several categories to choose from to enter, a main theme to enter specifically. We are collaborating with the primary school again, so expect some amazing shots from our budding photographers.

I can't wait – it is nice to change things around a little, get a fresh perspective and showcase how much talent there is in the Goldfields.

#### Decorate Dunolly

Does the community want something new to decorate Broadway for Xma? Shall we hang the bunting flags again? Ideas, opinions welcome.

#### Workshops booked

As workshops are booked we will add them here in this column or on the Facebook page 'Dunolly Arts Hub'.

#### Dunolly

9.30am Sunday, Mothers Day service with Jan Watts

## Uniting Church

Jan Watts is will lead us in our service for the 12th May. This is a Mother's Day service.

On Saturday 11th May we are holding our Car-Boot Sale in the Church grounds. The Moliagul Ladies are the hosts for the day. The Op-Shop will be open too, with all our winter clothes on the racks and much more in the way of Bric-a-brac.

Our Fashion Parade held on Thursday 2nd May was very well attended. With more than 90 people attending, the clothes were well received with people buying them after the parade.

The afternoon tea was delicious and plentiful. Thanks must go to all who put so much into this afternoon to entertain everyone and look after you all.

The Church people and its friends.

Jean Richardson.

The Op-shop is open on Tuesdays  
from 9.30am to 2pm  
Thursdays and Fridays  
from 10am to 4pm

### Uniting Church Car boot Sale

## In the Veggie Patch

We are into the last month of Autumn and still waiting for the rain to come.

This month is more for preparing the soil for Spring and early Summer planting. Most fertilisers and manure are better spread on top of the soil, and then dug in with a fork. Over the winter any garden bed that is not in use, is better turned over and the soil left open as much as possible to let the air enter the soil. Air is just as important as fertilisers in the garden soil, compacted soils do not grow good crops.

There are some winter plants that can go in the soil this month. Broad beans can be sown from May to July. Prepare bed well ahead with manure (not chicken as it is high in nitrogen) and a generous dressing of lime. Later sowings are more reliable, the early sowings are more likely to get the brown spot on their leaves.

Stock photo

Sugar snap or snow peas can go in, they need a tall trellis or tepee to grow on. Prepare beds as for broad beans, sow seeds two centimetres deep, water well and do not water again until shoots appear because the seeds are prone to rot.

Plant seedlings of early maturing onions, the red or

white varieties, do not cover as bulbs should sit on the surface of the soil. Seed of the long keeping browns can be sown in seed beds or trays to be transplant later. Onions take six to eight months to mature but can be used when smaller. They are ready when the tops start to dry and fall over. Pull them and leave to dry for a few days. Store in a cool, dry airy place.

Strawberry runners planted out this month, will bear for a longer period. These plants are better treated as annuals. Left in the soil for two or more years, the soil sets hard and the weeds get a hold on and are very hard to control in amongst the plants.

Rhubarb crowns can be planted out this month. The best method is to divide the crowns. That way you can choose the variety that you prefer. Rhubarb will adapt itself to climate conditions. It is one of the few perennial plants, that can be left in the same soil for a few years, providing the soil has been well prepared before planting with generous feeding to get the best results.

### Fruit Trees

Rake fallen leaves away from fruit trees to prevent leaf-borne disease from recurring. To treat fungal disease spray with copper spray or lime sulphur in alternate years. The first spray should be in late autumn at leaf fall just before the tree enters its dormancy. Spray again at bud swell or bud burst in late winter or early spring. Once the leaves have opened out it is too late to spray for peach leaf curl and many other fungal diseases.

### Autumn Garden Hints

Remove old foliage from established hellebores, leaving new growth, This tidies up the plants and will allow flowers to be seen. Remove any build up of mulch around base. For tall shrubby species leave foliage on until after flowering and trim in Spring.

Feed plants with any complete fertilizer with nitrogen, potassium and phosphorous and give a light dressing of dolomite lime.

If you need to move or divide Hellebore x hybridus plants then autumn is also the right time.

Spring-flowering bulbs are traditionally planted in autumn, any time between March and mid-May. They're really not fussy. To plant, dig the soil over to get rid of any clods and weeds.

Scatter complete fertiliser. Remember not to use fresh chook manure, because that can burn the bulbs. Planting depth is quite important. Plant at least twice as deep as the bulb is high, and you obviously plant with the neck up and the roots down the bottom. The only exception is with Ranunculus. Always have the legs going down.

Before planting tulips and hyacinths put them in a paper bag and then into the crisper part of the fridge for about six to seven weeks. That enables them to have a very strong flowering shoot.

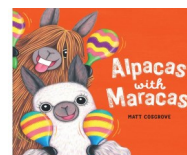

### Top frost protection and prevention tips

In the lead-up to cold weather spray water tender plants with a seaweed-based solution, which will help develop an internal resistance to frost. Seaweed solution takes about a week to take effect if you spray it on the leaves, and two to three weeks if applied to the roots

Anti-transpirant products such as Drought Shield and Envy, which are used during transplanting and for heat protection, also provide frost protection if sprayed over the leaves of frost-sensitive plants before frosts occur these are biodegradable so should be applied monthly during cold weather and after applying seaweed solution to ensure the seaweed solution gets taken up by the plant. Physical barriers also protect plants from mild frosts. Place plastic, cardboard or sheeting over plants overnight. Remove coverings in the morning.

Happy Gardening

## Join in the fun of National Simultaneous Storytime

Young families are invited to join in the fun of National Simultaneous Storytime, Australia's biggest storytelling session! The same book will be read across Australia and New Zealand at the same time.

This year's book is Matt Cosgrove's *Alpacas with Maracas*. This is a colourful celebration of persistence, friendship, and above all, having fun. *Alpacas with Maracas* will be enjoyed by more than one million children in over 8000 locations across Australia and New Zealand simultaneously.

Those who are unable to make it to a session, but don't want to miss out on the fun, are encouraged to log on to Story Box Library on the Goldfields Libraries eLibrary. Read along with Author Matt Cosgrove and ABCKids' Jimmy Giggle as they bring *Alpacas with Maracas* to life. Goldfields Libraries offer a range of fun and engaging children's resources and programs which support early years literacy and learning.

For more information call: 03 5449 2755 or email: [melissam@ncgrl.vic.gov.au](mailto:melissam@ncgrl.vic.gov.au)

### Small Business Mentoring Service

On Wednesday last week, some of our business operators took advantage of the visit by the Small Business Bus, to ask advice from mentor Janet Cropley on some aspects of their business. The bus is an initiative of the Small Business Mentoring Service and is operated by volunteers. We are always very grateful for having access to this service, which is offered to businesses across Victoria.

Jenny Scott

### CENTRAL GOLDFIELDS RATEPAYERS AND RESIDENTS ASSOC. INC.

Following on from Council's recent endorsement of the 2019-2020 Proposed Budget, we would remind you that residents are being invited to provide feedback and written submissions will be welcome. Please go to [www.centralgoldfields.vic.gov.au/haveyoursay](http://www.centralgoldfields.vic.gov.au/haveyoursay) to view the proposed Budget and the details. Submissions must be received by Wed. 29th May at 5pm with a special hearing to be held on Tuesday 11th June at 5.30pm at the Community Hub, Maryborough.

President, Wayne McKail was recently interviewed on local ABC radio; some of the subjects raised were the ongoing need for accountability and transparency, also for increased public consultation by Council, plus the Rating Strategy. It is pleasing to know that we are increasingly being heard as a voice within the community.

The Federal election is drawing closer and we have now had the opportunity to hear from more candidates; once again we would state that we do not support any candidates but are interested in hearing their policies, as many Federal issues affect our Shire.

Our next meeting will be Tuesday 4th June at the Community Hub, 48 Burns St, Maryborough at 7.30pm. You do not have to be a member to attend, everyone is welcome.

Please address any questions to: [cgoldratepayers@mail.com](mailto:cgoldratepayers@mail.com) or by post to P.O. Box 184, Maryborough, 3465.

| Monday 27th   | 10am          | Laanecoorie's Biggest Morning Tea—Laanecoorie Mechanic's Hall                                |

Remember to let us know here at *The Welcome Record*, of any events, markets or activities that you want advertised in our What's On section of the community paper - email: [welcomerecords@iinet.net.au](mailto:welcomerecords@iinet.net.au)

**We have VERY exciting news!**

Two of our local students, Leah McCoy and Tyson Hoban attended State Team Selection on Saturday 4th May in Melbourne, and BOTH have been selected as part of the Victorian State Karate Team.

They will attend a formal dinner in Melbourne on Saturday 25th May and officially be presented as part of the State team.

They have been chosen to represent Victoria at Nationals (which will be held in Tasmania in August)

So a HUGE pat on the back, and well done to both of our juniors.

We also have Troy Hoban and Susie Oh attending State Team selections on Saturday 11th May.

\*Fingers crossed\* Hopefully they both get in, as it will be a fantastic achievement to have FOUR people from right here in Dunolly in the State Victorian Karate Team!

Although we have our fingers crossed, we are secretly confident that both Troy and Susie have a great chance of being selected, as both were in the State Team last year.

They have been training very hard for selections this year; fingers crossed and good luck to both of them for Selections on Saturday!

We will be hosting the BBQ at the Mother's day Market in Dunolly on Sunday 12th May. The profits from the day will be going towards helping our competitors get to Nationals!

Being an elite athlete, at this level (State level) is quite expensive when you add it all up. Accordingly, the club are supporting our competitors, and their fundraising efforts to help with entry fees, flights, accommodation etc. while they are in Tasmania for Nationals.

Come along to the Dunolly Market and grab some yummy food from the BBQ and help our members achieve their dreams. We will be doing our popular egg and bacon sangas, along with hamburgers (with optional coleslaw) and it ain't an Aussie barbie without a good ol' snag in bread!

Lactalis Australia (based in Bendigo) have also, once again, supplied us with a selection of flavoured milk (iced coffee, chocolate, strawberry, etc) as well as yogurt and custards, so there will be plenty on offer.

We also have a Mother's day Gift box Raffle, which will be drawn at the market!

We absolutely love and appreciate it when the Dunolly Community jump on board, and show their support.

To you it might not seem much, buying a snag in bread, or a raffle ticket..... but we are extremely appreciative.

Your support helps us follow our dreams, achieve goals, have new experiences, and make life-long memories!

For anyone who is interested in following our competitor's journey, check out our Facebook page.

**The Jackass**

On starting out this morning  
I was feeling kind of down  
And everything around me  
Seemed just plain brown.

Ah! Mr Kookaburra,  
Why do you chuckle so?  
Is it that you're so happy  
Or something that you know?

You sit atop a tall gum tree  
As I go walking by  
You laugh as though your lungs will burst,  
I really wonder why.

Have you some deep dark secret  
Tucked within your heart  
Is something going on here?  
I'd like to play a part.

But as I go along the bank  
Among the trees to wander  
I guess your little secret is  
Just left for me to ponder

The pelicans ignore you, and  
The ducks they pay no mind;  
The cormorant on the dead tree branch  
It seems he must be blind.

But never mind what they all think,  
And don't you feel too bad  
Just laugh, my friend, with all your might  
You make my heart feel glad.

### The History of the Maze and Labyrinths

The first recorded maze in history was the Egyptian Labyrinth. Herodotus, a Greek traveller and writer, visited the Egyptian Labyrinth in the 5th century, BC. ... On one side of the labyrinth was a pyramid 243 feet high. The temple was in two levels with half of the rooms above ground and the rest below.

## In Memoriam

### Bob Henderson

Bob's Family would like to sincerely thank everybody who offered their support and care throughout his illness. It was very heartening to see so many people who came to pay tribute to him at his funeral, thank you.

Our sincerest thanks to Dr. Jim Sharples, Melinda and girls; to Amherst Ward and Urgent Care staff; to the Dunolly Bowling Club for allowing us to use the clubrooms and the ladies for their wonderful afternoon tea and to John Stewart of Phelans Funerals for his assistance. Also to those who sent beautiful floral tributes and cards. Please take this as our personal thanks.

Shane, Matt and Jane, Kerry and Gavin, and Sue and Jeremy and families

"The above is the official notification from Bob's family. The previous obituary with Bob's photo and thanks from the family was an excerpt from the funeral booklet. I included it in The Welcome Record as a tribute to Bob as he was a friend to the staff and a fine man. However, it was without the sanction of the family. I apologise for my error and any distress it caused Shane and family. My intentions were well-meant."

Susan Anderson Editor

Date: Monday 27th May Time: 10am

Venue: Laanecoorie Mechanics Hall

Come along for \$5 which includes unlimited morning tea. Raffles tickets, guessing jar of lollies and auctions add to the fun. All Welcome!

**Netball**

**Under 17s**

A good start to the game with some great defensive pressure and drive down the court but unfortunately Rovers were just too strong on the day and we ended up going down.

Final score—Rovers 45 to Dunolly 11.

Briella Gibbs was awarded best on for her defensive pressure which resulted in multiple intercepts and great leadership.

**Under 13s**

For the team's second game, they unfortunately walked away with their first loss for the season. But this didn't stop them from keeping their heads up and continuing to work hard throughout the entire game.

The 13s had great defensive pressure all down the court, leading to multiple intercepts and turnovers.

Final score—Rovers 28 to Dunolly 8.

Congratulations to Cooper Willoughby for stepping up from the under 11s and playing half a game this weekend.

**C Grade**

C Grade suffered a disappointing loss to Rovers this week. Rovers took control of the game right from the start and it was great to see our girls step up and fight all the way through 4 quarters of a fast paced game.

Missing one of our shooters and 2 mid court players meant other team members had to step up and play positions not usually played but they took on the challenge and played amazingly well. Unfortunately, it did not convert where we needed it to.

Final score—Rovers 43 to Dunolly 20.

**B Grade**

B Grade girls came up against a strong and fast Rovers team, and unfortunately couldn't get the four points, 49 to 22. Kate Ashman was best on court with some fantastic goaling and for her hard work in creating team plays.

**A Grade**

A Grade came out firing for their first hit out of the season, but was unable to keep that momentum going for the full four quarters going down 35 to 37.

Sophie was awarded best on for some beautiful defence work in WD and providing lots of attacking drives through the mid court.

**Football**

**U11.5**

**Maryborough Rovers VS Dunolly**

A super brave effort today, going down by 1 goal against Rovers. All you can do as a coach is ask the players to do the hard things such as tackle, sheperd, lay smothers and have a red hot go and today I couldn't ask any more of the little champs. They played their absolute hearts out , it wasn't until the very end Rovers got us...

To the parents, be super proud of your kids. They are learning and taking a lot of it on board. At end of the day it's about the kids having fun and making friends and if we can pinch a win is a bonus. Great job to everyone involved in the Juniors. Absolute pleasure to coach.

Goal kickers: L Condie 2 T Murphy 1

Best Players: T Van De Ven, T Murphy, R Murphy, L Lee, E Condie, J Conway

This week we play our first home game against Talbot. Make sure to get down and support our teams.

Also, our first social function is this week, games night. Please see Shelby Earl for early bird tickets available up until 9 May for \$30, otherwise on the night for \$35.

Marion Da Costa

**DUNOLLY GOLF CLUB**

In cool conditions last Saturday, a dozen players contested the May monthly medal.

The winner of the ladies section was Cheryl Lovel with a nett 68, on a countback from Shenae Hunt.

The winner of the mens section was Darren Hunt, with a great score of nett 59, from Ian Arnold with 63.

Sunday 5th May, saw the start of our Junior Golf Clinic program for 2019, with seven very enthusiastic participants. We would love to see more in the coming weeks, as it is a low key starter program for beginners at a cost of only \$2 for the whole program. The sessions run from 10 am until 11.30 each Sunday, with party pies and soft drinks supplied at the completion of each session.

Note: There is no program this Sunday (12th) as it is Mother's Day.

This coming Saturday, 11th May, is an important day for the club, as we will compete for the Bill Willmott Memorial Trophy. We would like to see as many players as possible in attendance as this is one of our feature events on the calendar.

Play begins at the normal time of 12.30, so please be there by 12.15 if possible.

All players bring a plate please—and best of luck to everyone!

Ian Arnold

**At the Bealiba Hall**

It was a rowdy night. Some of the fellows were really enjoying themselves or so it seemed with the noise they were making. We had some very close games. Two wins each for the teams of Joe Battisson, Sam Whitehead, Jenny Lovel, Ian Lovel and Betty Lovel, Leanne Proctor, Tiger Coburn. Betty Lovel has been playing extremely well this year but last night she excelled.

Pam Brightwell

**PUNNY FILLERS**

Q: If there's a referee in football and an umpire in cricket, what is there in bowls?

A: Goldfish.

I took up playing bowls but soon gave it up. Couldn't believe how much bias there was to the game.

 (No draw last week)  
 No winner: Jackpot: \$1100  
 \$1 per entry. 5 numbers out of 15  
 Entry forms available in shops

C Williams

# Weekend entertainment

Around lunchtime on Saturday 4th of May, a promotional trailer for the up and coming Dewey Hungerford memorial ride was filmed at various locations around Dunolly. Dewey Hungerford played one of the gang members in the iconic 1974 movie Stone. Sadly Dewey passed away a few years ago so the memorial ride is dedicated to his memory. The ride will take place on the 8th February 2020, leaving from Mickleham to Coolac NSW. Quite a few Dunolly locals watched on with great interest and many cameras at some of the scenes outside the Railway Hotel.
