

# The Welcome Record

Volume 34 Issue 23

Wednesday 19th June 2019

Donation: 50c

## Dunolly Bistro & Bar

At Dunolly's Bistro & Bar the music nights are really popular, attracting visitors from NZ. Pictured with Peter is Samuel from the band Sons of Zion who, with his sister Selina Eriwata (along with a funky little drummer and lead dancer), played a beautiful set.

Every Friday from 6.30pm-11pm Dunolly Music Group meets for a jam session.

The aim is for like-minded people to learn basic guitar. Experienced players are also welcomed to demonstrate their style. Diversity of instruments is also encouraged. Apparently some dancing also goes on here. Seems like a fun night. Go and check it out!

And don't forget the specialty nights. Tuesday for curry and Wednesday for pasta.

Info and photo from Facebook page

## What's happening at Dunolly Eateries?

## The Gold & Grain

Her Majesty, Queen Victoria, gives her royal seal of approval to Dunolly's newest café, The Gold & Grain. During the recent celebrations for Her Maj's birthday where she officiated at a number of venues, she took a well-earned break and had a delightful cup of coffee to revive herself for the next round of official duties. Her lowly lady-in-waiting (i.e. me) also enjoyed a cuppa.

The Gold & Grain is open every day except Monday from 7am to 3pm.

Susan Anderson

Orders can be placed at Dunolly Post Office for the Welcome Stranger commemorative coin and "first day cover" envelope.

What a fog this morning (Monday). I reckon two of the worst jobs to have on a really foggy morning would have to be a school bus driver (in case you miss a pick-up), and postie — having to avoid all the usual hazards without being able to see much. Went out to the mail box when I still couldn't see across the road, not really expecting anything to be there — but the mail always gets through.

I wonder who decided that peach and vanilla is a good taste for cough mixture. It isn't! Have to admit it seems to work, but is a last resort taste-wise. We used to have Bonnington's Irish Moss when we were young - now that had real flavour.

Hearing the cricket on the radio coming from England at night also took me back. Uncle Jim used to listen to cricket and boxing from England late at night 50 years ago. Would that have been on short wave?

I would like to thank the young people who picked up my mobile phone on Wednesday and returned it. It doesn't have my whole life on it as some people do, but it was great to have it back. Thanks again!

Finally found out how big slabs of vanilla slices are cut so evenly — I went to the bakery and asked! Heather was kind enough to show me the gadget that does it. It is a fold up tool that pulls out like a concertina. The bottom of each V-shaped piece has a sharp disc on it. This can be adjusted to the width of slice required and either cuts right through or marks the top so it can be cut with a sharp knife. Ingenious — and a fair amount of skill is needed to operate it.

On the way home from a very enjoyable high tea at Rostrata on Wednesday, Sister Ramble was driving and we were discussing the kangaroo-on-road problem. Suddenly, she made a startled sort of noise and when I looked there was a young roo loping along right outside the driver's door. Luckily it did a right-hand turn and went off into the scrub. On the subject of kangaroos, Sister Ramble tells me that someone has made some artistic, if sexist, adaptations to the kangaroo warning signs between Talbot and Maryborough.

 **LETTERS TO EDITOR**

**Charlotte Plains Hotel**

Did the shire issue a demolition permit for an historic building? A simple question that they have not answered. Last month the former Charlotte Plains Hotel on the Carisbrook Eddington Road was demolished. So too were the old pine trees on the road reserve outside the hotel. I contacted the Central Goldfields Shire and asked if they issued a demolition permit for this historic building and gave them the building's citation number from the Central Goldfields Heritage Database. To the permit they haven't responded. As for the citation number they haven't been able to relate that to a particular property.

After three weeks they have not been able to work out where the building was or who owns the property. They have even suggested it is in the Mount Alexander Shire! Why would a building on the Central Goldfields Heritage Database be in Mount Alexander?

It seems obvious that if the shire cannot match an historic building in their own database to an actual location then how can they protect it? If the owner had asked about any heritage on their property, then the shire could not have told them.

The Central Goldfields Shire has made several statements in the media about its commitment to heritage. Its total failure in this instance shows otherwise.

John Tully, Carisbrook

Charlotte Plains Hotel c1890 – Carisbrook Historical Society

**Hon Jaala Pulford MP**  
MEMBER FOR WESTERN VICTORIA  
Media Release

**Children's facilities capital program opens in Western Victoria**

The Andrews Government is providing grants for state-of-the-art kindergarten facilities across Victoria ahead of the three-year-old kindergarten roll-out next year.

Applications are now open to local councils and other kindergarten services for grants to build, expand and improve early year's facilities.

Major grants of up to \$2 million are available for new facilities or significant upgrades, while grants of up to \$50,000 are available for expansions and refurbishments of existing facilities.

The funding is part of the record \$473.2 million investment from the Victorian Government to build and expand the kinder facilities needed for the state-wide roll-out of three-year-old kinder.

I urge our local councils and providers across Western Victoria to apply for the Children's Facilities Capital Program. This is a great opportunity to expand and refurbish existing facilities, and create brand new Early Learning Centres and Integrated Children's Centres in Western Victoria.

The roll-out of three-year-old kindergarten will start next year in six local government areas including Buloke, Hindmarsh, Northern Grampians and Yarriambiack.

In 2021, three-year-olds in an additional 15 local government areas will be able to access two years of subsidised kindergarten programs.

From 2022, children across the rest of the state will have access to five hours of three-year old kindergarten programs each week. This will be progressively scaled up to reach the full 15-hour program by 2029.

**Small business advice heads to Central Goldfields Shire**

Small business operators in Central Goldfields Shire will be able to access support and government business services when the Small Business Bus visits in early July.

The Small Business Bus is part of a wide package of assistance offered by the Andrews Government, from cuts to payroll tax in Regional Victoria to mentoring and advice services.

The Small Business Bus will have on hand business mentoring specialists to provide advice on marketing, finance, human resources and sales. These experts have extensive small business and management experience.

The Small Business Bus gives Central Goldfields businesses owners access to expert, face-to-face advice.

Regardless of whether you're thinking about starting a small business or are already well established, the Andrews Government's Small Business Bus will be there to help you grow and thrive.

This program plays an important part in providing Victorians with greater access to government support services to encourage business and jobs growth across the whole state.

In 2018 more than 1,047 small businesses accessed free on-board mentoring, while a further 2,556 received assistance from information officers.

The Small Business Bus will be located outside the Maryborough Resource Centre at 91 Nolan Street on Monday 1st July from 10am to 4pm.

Then on Tuesday 2nd July, the bus will be outside Dunolly's Rural Transaction Centre at 109 Broadway from 10am to 4pm.

Free mentoring sessions on board the bus are limited and bookings are essential. For more information or to book a session, visit [business.vic.gov.au/sbb](http://business.vic.gov.au/sbb) or call Small Business Victoria on 13 22 15.

Jaala Pulford MP

## Freemasons Support Scout Camps

St George Lodge of Dunolly nominated Mataranka Scout and Guide Camp at Goldsbrough as the charity to be supported by the Freemasons Foundation of Victoria who have generously made available \$5,000 to every Masonic Lodge in the state to use for support of charitable causes. The campsite committee received the full grant of \$5,000 to help with roof repairs on the Mataranka building.

When presenting the cheque during the annual Baden Powell Lodge awards night at Waverley Masonic Centre, Worshipful Brother Ken Calder indicated that a new water tank would also be a big help. A small crowd funding exercise then ensued where a total of \$2,220 was raised which will fully pay for a new 22,000 litre water tank.

During the evening, awards were made to Venturer groups for magnificent volunteer works carried out at various camping facilities used by scouting groups.

Further presentations of cheques were made; firstly, by Keith Murray the Grand Master of Freemasons Victoria who presented \$1,000 to Harkaway Scout Camp to assist in repairs from vandalism and theft of a heart-starter machine and then by Baden Powell Lodge who nominated Harkaway River Camp as the recipient of their \$5,000 Freemasons Foundation Grant.

While Baden Powell was not a Freemason, he set up the Scouting movement with very similar values and the Baden Powell Lodge has numerous scouting leaders as members.

### Freemasons provide \$10,000

Freemasons cheques were presented to Mataranka Campsite Committee by St George Lodge Director of Ceremonies Ken Calder; bringing the total Freemasons contribution provided to upgrade the campsite situated at Goldsbrough west of Dunolly to \$10,000. A large proportion of the funds were made available through the Victorian Freemasons Foundation.

With the Polymaster water tank already delivered and connected, the recent rain has already half-filled the 22,000-litre storage which will now guarantee a good supply for cooking and cleaning, besides servicing toilets and showers.

Accepting the cheques on behalf of the Campsite Committee, Anthony and Verena Doyle pointed out that plans to re-roof the building are arranged for September, while these extra funds are to be used to upgrade the interior of the building.

Ken Calder

## Vets warn dog owners about kennel cough as cases rise

Maryborough Veterinary Practice's Dr James Chadwick and four-legged friend Meg are urging residents to be aware of a number of kennel cough cases in the area.

Vets warn dog owners about kennel cough as cases rise. Maryborough is one of several areas across the state where a large number of "severe" kennel cough cases have been reported.

A highly contagious disease in dogs, kennel cough is caused by upper respiratory viruses and spread by affected dogs being in close proximity to healthy dogs. Maryborough Veterinary Practice's Dr James Chadwick said kennel cough generally isn't fatal, but of the 40 cases which have been brought to the clinic this month, some have been "severe". Kennel cough is a general term for a number of infectious diseases. It basically causes laryngitis in dogs," he said.

"Symptoms to look out for are a nasty, hacking cough. Most owners describe it as the dog having something stuck in their throat.

"We have had one dog present with a temperature of over 41 degrees, which is very high."

Dr Chadwick said kennel cough has been spread throughout the state by racing greyhounds, who have spread it to domestic pets.

"Greyhound Racing Victoria put out a press release saying a lot of dogs have been affected," he said.

"Racing greyhounds travel all over the state, so it's been spread fairly easily.

"To avoid your dog contracting kennel cough, we advise getting your dog vaccinated. We have a vaccination which works in 72 hours which is pretty good.

"Also avoid unknown dogs if your pet isn't vaccinated and I would be concerned about animals with weaker immune systems being exposed."

Dr Chadwick said winter is generally slightly worse for cases of kennel cough, however Maryborough has experienced fewer cases over the past five years.

Dr Chadwick recommended that dogs which haven't been vaccinated for kennel cough in the last 12 months should get a booster, particularly if they're young, old, have a weak immune system or go out in public frequently.

## Stories from Cynthia

## CENTRAL GOLDFIELDS RATEPAYERS AND RESIDENTS ASSOC. INC.

Continuing on with my life's adventures in my younger days, before Dick went away, we had bought an acre and a half of bush in St. Andrews where we planned to build our house. It was about a mile up a dirt road from the township which consisted of a general post office/store, a school, a pub and another shop up the other end which later burnt down. While we lived there, the town expanded to a mudbrick restaurant, the North Riding, a craft bakery and a gallery shop.

When the farmhouse where we had been living was sold, we moved to a very quaint house up the Buttermans Track, named because the butter man used it as the route to Yarra Glen.

This house had been built, or should I say put together, by a very eccentric man who experimented with every type of building material. There was a wall of fibro, a wall of red brick, a timber wall, one of mudbricks and a wattle and daub one. The back room had an earthen floor, so we threw an old carpet over it and it became the kids' playroom for rainy days. The plughole in the bath ran directly down to the ground underneath, no plumbing whatsoever. The light system all depended on one switch, each room connected to the main one. The toilet was a dunny can inside its little room, no plumbing of course, so that had to be transported outside where it belonged. This house was on a hill overlooking Kinglake and we never needed a TV because in the evenings we would sit at the big window and watch the changing sunsets. We had two goats, Mavis and Mabel which we milked for our own consumption. They kept getting out and I would have to chase them, and I think I lost a stone in weight that first summer.

Our landlord had a second-hand shop in Yarra Glen and he used to dump any unwanted goods outside another cottage he owned, in the valley below us. This place was occupied by a very fey, elderly lady who had been evicted from her city house because she had too many dogs, so she settled in the bush for peace and quiet. Her "house" was never finished; it had inside walls but no outside ones, just timber struts where the walls should have been. Miss Ellis had two dogs, the two Nips, same name each and two goats, Penny and Tuppence. I remember them well as they demolished our entire veggie garden one day when we were out. I used to keep an eye on Miss Ellis and she showed me all the treasures she collected from the pile of stuff our landlord left near her house. She had taught herself shorthand and Spanish and read history books from the things she found there. Our kids were the bane of our lives bringing back old toasters, jugs and an ancient set of kitchen scales which I still have. There's a replica in Dunolly museum.

Miss Ellis did not believe in wearing pre-worn hats as they had the previous wearer's brain waves which interfered with those of the next wearer. She would not enter the little shop if the TV was on as it dispersed harmful waves. Dear old Miss Ellis.

Cynthia Lindsay

The launch of the public consultation process relating to Council's 2019-2024 Waste Management Strategy has been held this week. It is hoped that this will lead to wider community consultation on this important strategy in the following weeks and we will await further developments with interest.

Please take the time to make yourself familiar with Council's Draft Property Occupancy Policy, which was endorsed at Council's May meeting, by visiting [www.centralgoldfields.vic.gov.au/haveyoursay](http://www.centralgoldfields.vic.gov.au/haveyoursay).

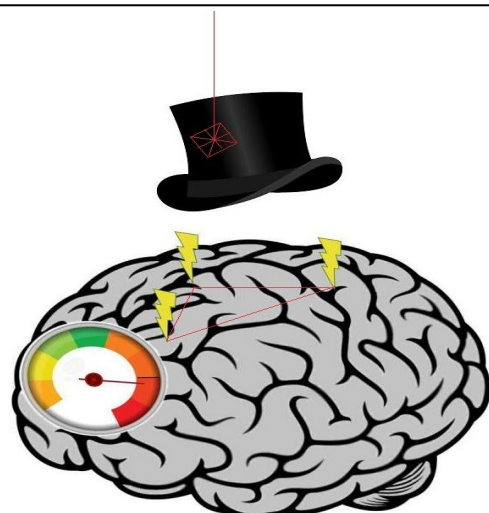

Despite Council's assurance that this will benefit the community groups who occupy around 100 Council-owned buildings across the Shire, it will definitely impact many, by at the very least formalising their previous arrangements, with the likelihood for some, of increased operating costs. All groups who use the relevant buildings will be contacted in writing and invited to comment. There is to be a Q & A session on the Policy on Wednesday 17th July at the Community Hub, Burns St. Maryborough. Submissions are to be received by Thursday 1st August, with a hearing of the submissions on Tuesday 13th August, 2019.

Other suggestions arising out of the Economic and Tourism forum conducted at our last meeting included one for a constantly-updated listing by Council of priority programs, with information constantly being disseminated to the public; also improved and more open accounting processes; the need to promote the Shire as a destination with choices, with direction for all towns and with more effort being applied to ensuring venues are more community-friendly, thus having a positive effect on tourism

CGR&RAI Membership fees are now payable for the 2019-20 Financial Year. Membership is \$10 per person per annum, which assists us in paying hall hire fees and other expenses incurred during the year.

Our next monthly meeting is to be held on Tuesday 2nd July, at 7.30pm at the Senior Citizens Hall, Urquhart Street, Carisbrook. Everyone is welcome to attend our meetings; you do not have to be a member. Please address any questions to [cgoldratepayers@mail.com](mailto:cgoldratepayers@mail.com) or by post to P.O. Box 184, Maryborough, 3465.

CGR&RAI

### A new place to put your e-waste

From 1 July, 2019, all Central Goldfields Shire residents can dispose of their e-waste at any of the local transfer stations at Carisbrook, Talbot, Dunolly and Bealiba.

Smaller e-waste items can also be delivered to a sorting storage unit at Council's Customer

Service Centre at 22 Nolan Street, Maryborough, Maryborough Resource Centre and Talbot Post Office. E-waste is any unwanted product that has a cord or a battery attached. This initiative will help reduce e-waste ending in landfill and minimise our impact on the environment.

### Draft Property Occupancy Policy

The Draft Property Occupancy Policy was endorsed at the May Ordinary Council Meeting. Representatives from community groups and organisations will be invited to an upcoming Q&A session at the Community Hub, Burns Street, Maryborough on Wednesday 17 July, 2019 from 6pm. The draft policy will benefit community groups who occupy Council owned or managed land and buildings by providing tenure security, an equitable and transparent pricing structure and a clear understanding of any maintenance and reporting responsibilities. Council provides a number of buildings and public spaces to community groups to allow them to perform their valued roles in the community. Community and recreation groups provide much-needed services in our Shire and Council is committed to seeing these groups flourish by providing a secure future to those who utilise Council-owned facilities.

This draft policy will help make Council more accountable for its actions, which is a key priority highlighted in the 2017-2021 Council Plan. Council will engage in extensive public consultation in relation to the Draft Property Occupancy Policy. The draft policy will be on public display for two months and members of the community are invited to provide feedback. In addition, each group that uses a Council-owned building will be contacted in writing and invited to provide comments or feedback.

Written submissions regarding the Draft Occupancy Policy are invited and should be submitted to Council by close of business at 5pm on Thursday 1 August 2019. Written submissions can be sent to [mail@cgoldshire.vic.gov.au](mailto:mail@cgoldshire.vic.gov.au) or PO Box 194, Maryborough, 3465. There is an opportunity for submissions to be heard at a special hearing at 5.30pm on Tuesday 13 August 2019 at the Community Hub, Burns Street, Maryborough. For more information visit [www.centralgoldfields.vic.gov.au/haveyoursay](http://www.centralgoldfields.vic.gov.au/haveyoursay)

### Energy Breakthrough vacancies

The Energy Breakthrough is recruiting for two people to take charge of two exciting categories:

Innovations In Technology Coordinator & Pushcarts Coordinator. Visit [eb.org.au](http://eb.org.au) to download the Position Descriptions. For further information contact Alisha Chadwick or Nigel Preston on (03) 5461 0610 or [enquiries@eb.org.au](mailto:enquiries@eb.org.au). Applications close 28th June 2019.

### EOIs wanted for new Tree Advisory Committee

Council is seeking to form a single Public Places Tree Advisory Committee that covers all locations of the Shire and welcomes applications from community members from all areas.

The Public Places Tree Advisory Committees will provide invaluable assistance in understanding and determining programs and strategies for our places and spaces.

Key objectives of the Committee are;

- To assist in formulating greening strategies and enhancements to our open spaces
- To review and provide input into the "Street Tree" strategy and annual planting program
- To understand the community needs and act as a conduit between Council and the community
- To associate with and consult with community groups in relation to open space

- To assist Council in identifying opportunities to work in partnership with other authorities and community groups to achieve high quality open spaces and places through planting programs
- To understand and further our relationship with the Dja Dja Wurrung as the traditional custodians of this Country and use their unique relationship and skills in managing this Country
- To identify the role public place planting has in responding to climate change.

The Public Places Tree Advisory Committee will meet quarterly. Applications close 12 July, 2019.

Please apply via mail to; The Secretary Council PPTAC PO BOX 194 MARYBOROUGH VIC 3465

Or email: [mail@cgoldshire.vic.gov.au](mailto:mail@cgoldshire.vic.gov.au) Attention: The Secretary Council PPTAC.

CGSC News

## MAYORAL COLUMN

### Matching feed to livestock goals

– Wedderburn workshop

Agriculture Victoria is inviting livestock producers to a livestock feeding workshop on Thursday 27 June at the Wedderburn Golf Club from 1.30pm to 4.30pm.

The workshop will be conducted by ruminant nutritionist, cattle veterinarian/consultant and beef producer Dr Paul Cusack. Dr Cusack has conducted extensive research into yard weaning and lot feeding systems, including major studies into Bovine Respiratory disease, and is regarded as a leading expert in the field. Workshop topics include: making the most out of green feed, are mixed crops the best option for grazing?, getting more from grazing cereals, when to feed what to get the most out of your livestock, and more. Afternoon tea will be provided at the workshop, please RSVP for catering purposes by 25th June via Eventbrite at <https://bit.ly/2wJPmV1>

If you are unable to register online or would like more information, please contact Agriculture Victoria Land Management Extension Officer Darryl Pearl on 0417 432 711, [Darryl.Pearl@ecodev.vic.gov.au](mailto:Darryl.Pearl@ecodev.vic.gov.au) or Mixed Farming Development Officer, Rachel Coombes on 0436 001 258, [Rachel.Coombes@ecodev.vic.gov.au](mailto:Rachel.Coombes@ecodev.vic.gov.au)

### Loddon Mallee Waste Info App

It has been quite a while since I have mentioned the Loddon Mallee Waste Info App, and given the focus in recent columns around waste and recycling, I thought it was worth a reminder.

This free app has been developed to help Loddon Shire residents make quick and simple waste and recycling decisions, while aiming to reduce contamination and increase recycling levels. The app provides you with a personalised bin collection calendar (with optional reminders) and an A to Z list of materials and images showing which bin to put materials in. It also offers information, hints and tips to help with waste management, provides details about Council's waste and recycling services and facilities (including contact details, opening times and maps), and lets you report a problem directly to Council.

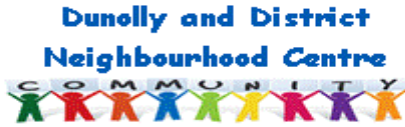

The app even has push notifications to let you know of changes to collection dates, events and programs.

The app is available through the App Store or Google Play. Just search for "Loddon Mallee Waste" and download on your device.

### Did you know?

According to the Loddon Mallee Waste and Resource Recovery Group, recovering old electronics instead of throwing them in the bin means valuable materials can be reused to produce new items. To help recover more of these materials, the Victorian Government is introducing a ban on e-waste in any bin or landfill site starting 1 July 2019. To find out more go to <http://ewaste.vic.gov.au>

Cr Cheryl McKinnon

**Waste & Resource Recovery Group Tuesday 25th June!**

Whispering Weeders Garden Group invite everyone to come and chat with Paul Lehmann from the Waste & Resource Recovery Group. Paul will

talk on waste, composting and worm farming. He will also talk on how to set up a tree register for our area, registering all old, important and significant trees. This will be happening at the Arts Hub on Tuesday 25th June at 1pm. Afternoon tea provided (you can bring a plate for this if you feel so inclined). The fire will be blazing; it will be warm and cosy and you can find out some very important stuff! What more could you want on a winter's afternoon?

**Want more information?**

Call in for a cuppa and a chat, or ring 5468 1511 Monday to Thursday, or email: [admin@dunnhc.com.au](mailto:admin@dunnhc.com.au).

Sharon Hiley Coordinator

**Change of date for the Heritage Fruit Tree Information Session**

The Arts Hub is hosting the Garden Club event this month on Tuesday 25th June. The Neighbourhood Centre has joined with the Grampians Waste & Resource Group to have a Heritage Fruit Tree Register. The Garden Club has invited Paul Lehman to talk about why we need to register and protect these living history fruit trees and how to make a register. All the community is welcome to come to this informative afternoon on Tuesday 25th June from 1pm to 3pm. Afternoon tea supplied.

**Words in Winter in August**

This year's event will be a fundraising book sale. We are renting out tables @ \$5 per table. A great time to clear out your bookshelves.

The book sale will be held on the afternoon of Saturday 3rd August, from 1pm to 4pm. If you would like rent a table please call Lynda on 0418 875 453.

**The Craft Exhibition**

The Craft Exhibition is coming on 13th & 14th July, so it is the perfect time to get busy with an exhibition piece. There are entry forms and an information sheet at the Neighbourhood Centre. They are also at the Hub and online on Facebook pages: Dunolly Arts Hub & Discovering Dunolly on Air. Folk from all over the region are welcome to exhibit. Cost per exhibit \$2 per item.

**Crafty Afternoons in July**

Monday afternoon at about 12.30pm. We always have a fire for Mosaics in the morning. It seems such a shame to waste a warm room, so please come and join us — everyone is welcome. Winter is the perfect time to gather and create.

Tai Chi led by Jason on Tuesdays & Thursdays at 10am and Wing Chun at 7pm.

Lynda

**AT BETTER THAN REASONABLE RATES**

**Around school this week:**

**Footy Colours day**

Tomorrow is Footy Colours Day. Students can wear their favourite team colours and bring along a gold coin donation. Money raised will be forwarded on to the Fight Cancer Foundation.

**Building Works**

We have finally moved into and have begun using our new First Aid, Meeting and Staff room this week. It has been well worth the wait. Could parents please note that even with the interior building works now finished, access to the junior classrooms is only through the new double doors and access to the office area is only through the front office door. There is now no corridor between the junior classrooms and the office; this area is now a meeting room. The rear door entry to the main building is a staff only entry which goes directly into the staffroom.

**Open Day**

We are holding an open afternoon this coming Monday for parents of students starting prep in 2020. If you know of anyone who has a child starting school next year please let them know to come along at 2pm-3.15pm and find out about our school and the Step into Prep Transition Program. Anyone unable to attend on Monday can contact the school to arrange another convenient time to visit.

**STUDENTS OF THE WEEK**

Prep – Chevy Lay  
 Year 1/2 – Poppy Smith  
 Year 3/4 H – Aisling Eddy  
 Year 3/4 M – Charlotte Liddicoat  
 Year 5/6 – Tyson Hoban  
 Principal's Award – to be announced  
 Auslan –

**Last week's students of the week**

**A reminder DOXA Malsbury is offering a Winter school holiday camp for students in year 4, 5 or 6. July 8<sup>th</sup> to 12<sup>th</sup> Only \$45 for the week.**

WUNDERFOL CRYSTAL SHOP

**A Slimmer You?**

Apatite is an amazing crystal that can help suppress your appetite; raising your metabolic rate, and encourages healthier eating. Now that is something a lot of us could do with!

Psychologically Apatite is a great motivator stimulating the intellect to expand knowledge and truth, which is a great tool for personal growth and achieving goals. The physical attributes are formation of new cells, healing bones by aiding the absorption of calcium, and improving arthritis and joint problems. One of the key factors in aiding weight loss is the reduction of hypertension; in other words high blood pressure, leading to excess body weight. This is why Apatite is a true gift from the gods because it also helps diminish hypertension! When you begin to see even the slightest results, motivation is increased, thus creating a ripple effect throughout the body and mind. Blue Apatite is not only pleasing to the eye, but has a very high level of spiritual guidance enhancing public speaking, group communication by opening up the throat chakra. A slimmer you, a more confident and happier you! A stone of the future bringing knowledge and creativity to awaken the finer, inner-self to those attuned. All you have to do is believe; belief in one's self and let the crystals guide you. It's the belief that makes it so. A slimmer you!

David Hood

**Dunolly Christian Churches**

Invites you to worship God  
and welcomes you to their services:

**Anglican Church Services:**

**St John's Dunolly**

10am Thursday 20th June, Eucharist with Canon Heather

**Emu**

5.30pm, 4th Sunday of the month

**Bealiba St. David's**

8.00am Mass 1st and 3rd Sunday of the month

**Catholic Church Services:**

**Dunolly, St. Mary's**

8.30 Assembly, 1st & 3rd Sunday of the month

8.30 Mass, 2nd & 4th Sunday of the month

**Bealiba, St. Patrick's**

8.30am Mass, 5th Sunday of the month

**Uniting Church Services:**

**Dunolly**

9.30am Sunday, prayer and song with Jan Watts

**Catholic Church**

A second Bible Study Group will commence this Friday 21st June at 1pm. You can BYO lunch from 12.30 on. Meetings will be held in the Parish Office, adjacent to St. Augustine's.

The annual collection for the Pope's pastoral around the world will be taken up at Masses on 29th and 30th June. St. Augustine's is a child-safe Parish. A list of measures taken is in *The Bulletin*. A copy will be on our Parish website.

There will be Mass at St. Mary's Dunolly at 8.30am on Sunday 23rd June. Mass at St. Patrick's Church, Bealiba at 8.30am on Sunday 30 June.

R Mecredy

*Glory to the Father, the Son and the Holy Spirit:  
To God Who is, Who was, and Who is to come.*

**St John's Church**

Thursday 20th June, 10am Eucharist Canon Heather. Our fellowship meeting will be held after church this Thursday 20th June. Come join us Monday 15th July at 12 noon for a traditional Christmas Dinner and entertainment. A three-course meal will be served, with nibbles on the tables, for a cost of \$30.

For bookings phone Dos Polinelli on 5468 1280 or Trina Kay on 5468 1709

Trina Kay

**SCRIPTURE VERSE OF THE WEEK**

*'Does not wisdom call,  
and does not understanding raise her voice?  
'The Lord created me at the beginning of his work,  
the first of his acts of long ago.'*

Proverbs 8:1,22

**Uniting Church**

This week Jan Watts will lead us in prayer and song as Rev Gordon Wild will be busy in Bendigo. It's lovely to see him back, and his service last week was inspirational as usual. We are so lucky to have him.

On our "Blokes Night Out" on 28th June, Rev Gordon Wild will be the guest speaker for the night. Please see below for details. Get your coat out and go! Our Church is warm and friendly.

The winter clothes in the Op-shop are flying off the racks at the moment, so come in and view our very extensive range in all sizes for men, women and children. We have so much in all areas of bric-a-brac and books.

Jean Richardson

The Op-shop is open on Tuesdays from 9.30am to 2pm  
Thursdays and Fridays from 10am to 4pm

You are invited to a "Blokess Night Out" on Friday 28th June at the Dunolly Uniting Church commencing at 6.30pm.

This is a Dunolly Uniting Church initiative to enable local blokes to get together for an informal barbeque followed by a topical and informative speaker.

The format will be the same; a barbeque commencing at 6.30pm followed by a guest speaker. The guest speaker this time will be Rev Gordon Wild.

This is an open night so if you have a friend or know someone who would like to come, do not hesitate to invite them.

To assist with catering could you please reply by Tuesday 25th June to Jim McKenzie on 5468 7246 or the Op-shop.

Jim McKenzie

**DUNOLLY CWA UPDATE**

The monthly meeting was held on Wednesday 5th June. We discussed upcoming events at other branches — Newstead is having a lunch on 3rd July at 11am. There is an invitation to a friendship lunch at the Old School House on Tuesday 9th July from Maryborough branch.

Members, friends, a husband and a sister went over to Rostrata House for a high tea/ lunch on Wednesday 12th June on a very wet morning. It was a lovely gathering with great food and plenty of chatter, (photo below). Colin and Rob entertained us with stories of the early days at Rostrata, and life in the Mallee years ago. There was a huge mob of sheep on the way in (2,000 head) that had been handfed during the dry time, and were looking very well. Lots of green everywhere now. Many thanks to Dorothy and Colin for a lovely day.

The next meeting is on Wednesday 3rd July at 12 noon, starting with a shared lunch. Competitions are the usual flower and a recipe. Sorry for my mistake last report — I was a month early.

R. Mecredy (Publicity)

## WAYAWA CAFE

Tarnagulla Community Centre

Open every Sunday  
10.00AM to 4.00PM

Homemade cakes, pastries,  
soup and sandwiches

Come along and enjoy

**Power bill relief on the way  
for some households**

Electricity bill relief is on the way for some local households with the introduction of the State Government's new Victorian Default Offer (VDO).

From July 1st, more than 130,000 Victorian households paying more than necessary for their electricity will be automatically switched to a cheaper deal under the offer.

The VDO was recommended by the Essential Services Commission and typical residential customers on standing offers and using 4000 kWh of electricity per year could save between \$310 and \$450 per year. Small businesses will also benefit from the VDO with 30,000 businesses also switching from July, saving between \$1380 and \$2050 per year. Minister for Energy, Environment and Solar Homes, Lily D'Ambrosio, said this is one of the biggest reforms to the energy sector in over a decade.

"This is not just available to people currently on standing offers, anyone can ask for the Victorian Default Offer," she said. "We've set a fair price based on advice from the experts, delivering automatic savings for thousands of Victorian households and small businesses from July 1st."

Prices will vary depending on distribution network and location, and the Central Goldfields Shire falls under Powercor's distribution zone which encompasses much of western Victoria.

The commission estimated the annual bill for residential customers using 4000 kWh per year in the Powercor distribution zone will be \$1411, a saving of over \$400.

Ms D'Ambrosio said the VDO comes on top of the Labor Government's solar homes package which is helping Victorians take control of their energy bills by rolling out solar panels, solar hot water or solar batteries over the next 10 years.

"The VDO is just one of the ways we're putting power back into the hands of Victorians, as we put solar on 770,000 homes and cut the cost of energy," she said.

Wednesday 19th	12.30pm	Dunolly Senior Citizens Luncheon — Bull Street, Dunolly

## TARNAGULLA & DISTRICT GOLF CLUB

### QUEEN'S BIRTHDAY BASH REPORT:

What a wonderful event this was! About 40 lovely people joined in for the fun Stableford event. Elizabeth R wasn't in attendance, but we all enjoyed her long weekend golf event nonetheless!

The weather was just perfect for us all. The sun shone brightly and the course was green, lush and so picturesque. (Thankyou to those various volunteers who come along at various times and keep the course looking beautiful).

Everyone played with gusto and all ages and all standards mixed in so well together. It was great to see some new and familiar faces from the Quarry Hill Golf Club, who even brought one of their own electric golf carts to grace the fairways of Royal Tarnagulla! How regal, indeed.

The afternoon was a pleasure to be a part of and it was lovely that families and friends came to enjoy the afternoon tea and meet others. (Many thanks to Anne Smith and Christine Melton who hosted the afternoon tea and made sure everyone felt very welcome.)

What was obvious was the marvellous spirit with which everyone joined in and smiles were the most common factor. At afternoon tea, the clubhouse was buzzing with talk, laughter and conviviality. What a happy group!

First Prize Winners: Sandra and Stewart from Quarry Hill.

Second Prize Winners: Sheryl and Bev from Quarry Hill.

Third Prize Winners (on a countback) : Betty Higgs and Daphne Chamberlain.

Longest Drive: Brad from Quarry Hill.

Nearest the Pin: Leo McCartin.

Our next event is the Big Cat Scramble on Sunday 27th July. Briefing at 12.15 pm and Hit Off at 12.30 pm.

The afternoon is a pairs event (we can team you with a partner) where each play the best drive from the pair and then play their own shots after that — on each hole.

We would like to invite you all. Even if you don't play golf, come along and enjoy chatting and have a lovely afternoon tea. If you do play golf or can resurrect a rusty game from years ago, come along and have a fun afternoon.

You can either book with Liam Radich: Ph: 0481 008 006; email: [lraad@mail.com](mailto:lraad@mail.com) OR just come along after midday.

The course is at its best. Remember that you can play golf, have some practice hits, walk the course, spot kangaroos, enjoy the "serenity" all-year-round. The flags are there every day and we do get a kick out of so many people enjoying your community golf course.

Mary McNamee, Secretary

### Windows 10 – Latest Release

Windows 10, release 1903, is here. It is the newest version of Windows 10 and comes with a host of new features. It is a big update, so if you're on a limited download budget, you might like to find an alternative download source. We have the café here, bring your laptop in and download the update. We can also put the update on a USB device if you would like a bootable recovery media which can also be used to upgrade. (There is a small fee for this).

*Here are two of the new coolest features.*

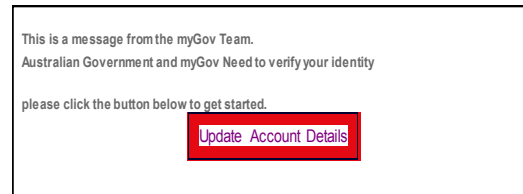

Pause Updates, has always been available in Windows 10 professional. Now it is available in Windows 10 Home as well. Just click the Windows icon, Settings, Windows Update. From there you will see a range of new options to pause and delay updates. Please remember though, updates are important to keep your computing experience safe from new and emerging threats.

Quick access to Icons. Accessing icons and emotes in windows in the past was always a painful process. Well, now just press Windows and ; (semi-colon) and a little popup window will appear. From there you can pick from a whole range of icons and emotes. There is a whole range of new technical features, including security and threat mitigation stuff. If you want to read more about the technical details:

<https://docs.microsoft.com/en-us/windows/whats-new/whats-new-windows-10-version-1903>

### myGov Scam

Below is a copy of an email being sent out. If you hover your mouse over the "Update Account Details" you can see that the link is "u.to/04bsfq" which is NOT linked to myGov. If you receive any emails with a link to click on, please IGNORE the link and go direct to the website.

As usual, if you have questions or concerns, please feel free to send us an email or drop in, in person.

Microblast Computers

Email: [sales@microblastcomputers.com](mailto:sales@microblastcomputers.com)

Australians are losing more money to NBN scams, with reported losses in 2019 already higher than the total of last year's losses. Consumers lost an average of more than \$110,000 each month between January and May this year, compared with around \$38,500 in monthly average losses throughout 2018 – an increase of nearly 300 per cent.

"People aged over 65 are particularly vulnerable, making the most reports and losing more than \$330,000 this year. That's more than 60 per cent of the current losses," ACCC Acting Chair Delia Rickard said. "Scammers are increasingly using trusted brands like 'NBN' to trick unsuspecting consumers into parting with their money or personal information."

### Common types of NBN scams include:

Someone pretending to be from NBN Co or an internet provider calls a victim and claims there is a problem with their phone or internet connection, which requires remote access to fix. The scammer can then install malware or steal valuable personal information, including banking details. Scammers pretending to be the NBN attempt to sell NBN services, often at a discount, or equipment to you over the phone. Scammers may also call or visit people at their homes to sign them up to the NBN, get them

a better deal or test the speed of their connection. They may ask people to provide personal details such as their name, address, date of birth, and Medicare number or ask for payment through gift cards. Scammers calling you during a blackout offering you the ability to stay connected during a blackout for an extra fee. It is important to remember NBN Co is a wholesale-only company and does not sell services directly to consumers.

"We will never make unsolicited calls or door knock to sell broadband services to the public. People need to contact their preferred phone and internet service provider to make the switch," NBN Co Chief Security Officer Darren Kane said. "We will never request remote access to a resident's computer and we will never make unsolicited requests for payment or financial information. If someone claiming to work 'for the NBN' tries to sell you an internet or phone service and you are unsure, ask for their details, hang up, and call your service provider to check if they're legitimate. Do a Google search or check the phone book to get your service provider's number, don't use contact details provided by the sales person," Ms Rickard said.

"Never give an unsolicited caller remote access to your computer, and never give out your personal, credit card or online account details to anyone you don't know".

More information about NBN scams is available online at: [nbnco.com.au/scamadvice](http://nbnco.com.au/scamadvice).

## Solution for No.22

## Local farmers urged to take care on quad bikes

The Andrews Government is taking action to protect and educate farmers and workers in Western Victoria with a renewed call for vigilance on and around all-terrain vehicles or quad bikes.

Labor Member for Western Victoria, Jaala Pulford, said the campaign is part of an ongoing push to reduce the number of deaths and injuries on quad bikes.

The campaign includes WorkSafe television commercials that depict how easily quad bikes can roll and the devastating consequences they can have when not operated properly.

To help farmers manage the risk of rollovers, the Labor Government introduced a rebate in 2016 to fit operator protection devices to existing quad bikes, or to switch to more terrain appropriate vehicles such as side by sides.

So far, more than \$4 million has been spent to fit more than 2,600 operator protection devices, and to assist with more than 1850 purchases of more suitable vehicles.

Ms Pulford said the campaign is reinforcing the message that no two rides are ever the same and that rollovers happen quickly and without warning.

"Any death on a Victorian farm, factory or workplace is one too many and that's why we're running this campaign, so families don't have to experience the grief of losing a loved one," Ms Pulford said.

"Farmers across Western Victoria use quad bikes every day to carryout vital work on their farms and we're taking action to reduce injuries and deaths on farms, and make sure we're supporting our farmers to work safer and smarter," she said.

Since March 2018, WorkSafe inspectors have issued more than 460 improvement notices on quad bikes, including 347 that have directly related to adequately controlling the risk of rollover.

Last year, the Labor Government announced \$20 million in funding for the new Victorian Agriculture Skills Statement: Smarter, Safer Farms.

The Smarter, Safer Farms program includes \$10 million in farm safety and wellbeing initiatives to change Victoria's farm safety culture and reduce the number of deaths and injuries on farms.

The Labor Government has also extended its rebate to install roll-over protection on quad bikes, or to substitute them for more terrain appropriate vehicles, to September this year.

DFNC NEWS

**Netball**

**U11.5**

What more can I say these kids give it a red hot go every week. Once again it was another tight contest with Lexton being able to kick two late goals in the last quarter just to push the margin out.

The team is playing some really hard, tough footy and the most important thing is they really do play the game in a great spirit. Extremely pleasing to know that these kids wear the Dunolly jumper with pride. Club is extremely proud of them, as should you, the parents.

Big thanks to all the parents who have been helping out with training, running water, being the runner/time keeper. Also thanks to our Senior Coach, Jamie Townsend for umpiring.

**Junior Awards for this week**

- Dunolly Bakery                      Ben Raczynski
- Bendigo Sportsco                  Cooper Willoughby
- Canteen Voucher                  Haylee Booker,
- Joe Lacey Encouragement Award Lachie Condie and Tyler Murphy

Justin Penny

**Seniors**

Patches of really good football showcased what we are capable of. Unfortunately we are struggling at the moment to maintain that level of pressure and intensity for four quarters; still plenty of positives to take out of the game. A rather young side gaining invaluable experience at senior level and a lot of those new faces are becoming more and more consistent as they gain confidence in their own ability to play senior football.

Tyson Cope

**Social Club Update**

Saturday night saw our \$1,000 draw and iPod shuffle night held at the clubrooms. A fantastic turnout by players and the local community. Senior netballer, Serena Lanfranchi took home the top prize of \$1,000 with former player Jake Priems winning the iPod shuffle auction. A big thanks to everyone involved in running the night which turned out to be our most successful function yet.

Our next event will be celebrating the 1959 and 1969 senior football premierships reunions at Deledio Reserve on Saturday, 29th June 2019. \$20 tickets will include a roast meal, with drinks available at bar prices. 5.45pm for a 6pm start. Please contact Katie Lovel on 0408 179 870 for further information or to RSVP.

Also, with July fast-approaching, don't forget to block out your calendars for the Annual Black Tie Ball to be held at the Dunolly Town Hall on Saturday 27th July 2019. Further information will be available in the coming weeks.

Shelby Gloury

**Under 11s**

The 11&U netballers are doing an amazing job of trying to improve on the areas we have worked on at training. This week they did a fabulous job of creating space up the court. Charley Martin moved well and showed great concentration to score wonderful goals. Brianna Lovel gave great drive up the court and encouraged her team mates, while Eden Lang put on some great defensive pressure. Another superb team effort.

**Under 13s**

The 13&U team started slowly and many unforced errors occurred due to the great defensive pressure from Lexton. In the second half of the game they showed much greater space up the court which enabled all team members to play their role and allowing much more flow. Nykhita Cook worked tirelessly and put into place what she was asked to do. Jade Marson moved well in goals and Ella Patten was brilliant in defence as usual. A much more even team effort in the second half saw them take the game comfortably.

**Under 17s**

17s had a hard job coming up against Lexton. First quarter showed their determination, playing a strong game moving the ball through the court. Unfortunately Lexton's defensive work all over the court showed to be too consistent throughout the game and were too strong for our attackers. Ella Patten filled in from the 13s and applied some great pressure, causing great turnovers with her arms over the ball.

**C Grade**

No report provided

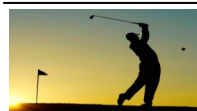

**B Grade**

B Grade girls came up against a strong Lexton side. The girls started great but just couldn't get the four quarters of consistency, going down 18-44. Tania Coombes was awarded best on for an outstanding game down both ends and her voice on court.

**A grade**

A Grade girls just couldn't get the points over Lexton going down 64-52. It was a great team effort by all girls. Sophie McQuinn was awarded best on for her outstanding defensive pressure and intercepts.

Shelby Gloury

**DUNOLLY GOLF CLUB**

Perfect weather conditions greeted a smaller than usual group of players who competed for honours in a Stableford event. Some great golf was played, with Josh Hunt scoring a very impressive 42 to win the Men's event from Ian Arnold on 36 and club captain Rob Scholes on 35.

Shenae Hunt made it a successful family occasion by winning the Ladies' event very comfortably. All players are reminded that the very important Dunolly Tournament is less than a month away, and time for running in to form is getting short.

The dates for the tournament are Friday July 12th and Sunday July 14th. Further details are found elsewhere in this and subsequent editions of *The Welcome Record*.

We will hold our final Junior Golf Clinic for this term on Sunday at 10am. We may continue the program after the school holidays, depending on demand and availability of coaches. We will advertise when and if it will continue.

A working bee will be held shortly to prepare the course for the tournament. All members are asked to attend if possible. The date will be decided at a meeting to be held after next week's play.

Ian Arnold

At the Bealiba Hall

Firstly, I would like to thank Joe Battisson, Shirley Coburn and Chris Evans for standing in for me during the past month. Well done.

We had some close bowling this week with the teams of Garry Coburn, Leanne Proctor, Gordon Smith, Geraldine Delgado and Joe Battisson, Betty Lovel, Keith Brightwell having two wins each. The other two teams had two losses and one win. We have a team entered in the St. Arnaud competition on Sunday 23rd. June. Best of luck.

Pam Brightwell

# Insectpets Visit at Dunolly Primary School

The P/1/2 students had a fantastic afternoon on Tuesday meeting lots of mini beasts! Margaret from Insectpets came with many interesting insects, spiders, slugs and snails for us to hold and get a closer look at!
