

The Welcome Record

Steel Warriors Promo-Movie

Some of the 50 plus people enjoying the promo-movie
In the beer garden at The Railway Hotel.

Yuriy, who was the main cameraman and edited the *Steel Warriors* promo-movie, was impressed with the crowd of about 50 or more turning up for the promo-video presentation on Saturday 24th August, at The Railway Hotel. The beer garden was full of entranced and delighted people, who thoroughly enjoyed the movie.

“What I can say about last Saturday in Dunolly?”, Yuriy said. “It was a great evening there was and an unexpected feeling of excitement. People who came along for the screening of *Steel Warriors* said that they liked it very much. I am very proud to have been involved in the making of this movie.”

“Also, it was a great pleasure for me to work with all these amazing people. It gave me some opportunity to meet up with new people around Australia. A great big thank you to everyone who has been involved and helped with this promo-movie”, Yuriy added.

Jan Brock, who attended the screening, was also pleasantly surprised at how many people turned up. The Railway Hotel was packed and ‘jumping’. They were from many states and were either involved in the production of the movie; friends of actors and bike riders who are going on the big ride next year in memory of Dewey Hungerford.

Story and Photos from Yuriy Chernyak
and Jan Brock

For anyone wishing to see the short promo-movie,
a TV release is planned and a YouTube follow-up.

Official Memorial Patch for
the Dewey Hungerford
Memorial Ride 2020

A reminder —

Dewey Hungerford played Septic, one of the gang members in the iconic 1974 movie *Stone*.

The memorial ride is dedicated to his memory and is taking place on 8th February, 2020. Leaving from Mickleham, the tour takes them to Coolac in NSW, a journey of 487k.

For more information on the 1974 movie *Stone*.

All un-acknowledged photo/pictures are from stock.

The Welcome Record aims to present the diversity of viewpoints which reflect the concerns and interests of our community. It will not print contributions which are defamatory or being used as an alternative to a personal approach in dealing with a personal issue. The opinions expressed by contributors are not necessarily those of *The Welcome Record*.

Was there anyone remotely interested in the Test Match on Sunday night/Monday morning who turned the TV or radio off with only seven runs to go for England to win? Yes, there was — Sister Ramble. She is a mad Aussie fan and, in an act of self-preservation, (scared she would have a heart attack) refused to watch the last over. All that is gobbledegook to anyone who doesn't like cricket. What a match though!

I know that sore and dry feet are painful and annoying, but I do feel that the instructions on a recently-acquired file for feet is a bit over the top. Quote, "removes dead skin from the hells of your feet". Haven't tried it yet though.

With all the worry about re-cycling, and what waste goes where, I was pleased to see a very flash bin in the Information Centre display area in Maryborough. It has bins for all the awkward-to-get-rid-of stuff like small batteries, dead mobile phones and other E waste. There is a battery collector in the Big German store, and I've been told there are bins in our RTC in Dunolly. The soft plastic bin in WW was full to overflowing the other day — just hope it all goes to the right places.

Talk about everything old is new again — there is an "anywhere ironing mat" being advertised in one of those mail/phone order catalogues. You can turn any flat surface into an ironing board. When we were kids, just about everyone had an ironing blanket — an old blanket folded to the size needed, and lined with an old cotton sheet. It also could be used on any flat surface — usually the kitchen table. It was an acquired skill to iron shirts and dresses on the above mentioned surface.

Been enjoying the frosty mornings? I am in the lucky position of being able to stay in my nice warm bed until the frost melts if I want too. Eat your hearts out, those who must rise early.

Can you spell hungry horse in four letters?

Answer on page 7.

 **LETTERS TO EDITOR**

Dear Editor,
 Recently I put a letter in this paper about the Local Government Inspectorate's investigation into the Central Goldfields Shire and raised some questions.
 Now their chief municipal inspector David Wolf has paid a visit to Maryborough with a corresponding front page story in the Carisbrook Mercury. It has a happy photo and lots of positive statements but misses out horribly on content. This is spin designed to fool a gullible public.
 Mr Wolf said amalgamating many charges against Mark Johnston was a good thing for witnesses and costs, but that didn't matter as most of the serious charges were dropped. The Inspectorate have never given a reason for this. He cited a successful prosecution. However, their successful prosecution only amounted to about 0.02% of the missing money.
 Mr Wolf's comments in the article were a complete whitewash of the 2017 Inspectorate report. Grant money is unaccounted for and some invoices used multiple times for acquittal of different grants. They know who signed off for these acquittals but they were never charged. One staff manager claimed false wages of about \$60,000 but no charges laid. Mr Wolf's response is that we "should not dwell on matters from the past." Actually it is the Inspectorate's job to investigate the past.
 In my experience, if a public servant gives an irrelevant or false answer then go to a higher level.
 So that this does not happen to another shire I ask the Minister of Local Government, Adem Somyurek to introduce a policy that if the Inspectorate discovers criminal activity and chooses not to prosecute that their files be then passed on to the police.
 John Tully, Carisbrook

Dear Editor
 As we all age, the possibility of a sudden unexpected heart attack increases. Therefore, it was great to read in last weeks Welcome Record that Eddington now has an AED (Automated External Defibrillator)
 Of all the sudden cardiac arrests that occur each year, more than 95% of the victims die before they reach hospital. Survival rates improve dramatically if an AED is accessible within 5-7 minutes.
 Veronica Palmer said that theirs is registered with the AED locator App but after lots of Googling I was unable to find any such devices to be found in our area.
 We need to know where they are in our community and how to quickly and easily access them.....time is of the essence.
 Veronica has now let us know that the defibrillator is on an external door at Eddington community centre
 How many do we have here in Dunolly and where are they located?
 Is it possible to have another training/familiarisation session for those that were unable to attend last time ?
 Could we also have a phone contact list for our local police, fire and SES units?
 Not all residents have computer access at the ready.
 Jan Brock
 Thank you for your questions Jan. After discussion with Monika, our office manager, it was decided to add a list of important phone numbers for the paper. These will be published weekly.
 The Editor

Dear Editor,
 On behalf of the Betley Mechanics Institute I would like to inform you that we have completed the installation of smoke detectors and reverse cycle air conditioners to our Hall as part of our upgrade. Again we thank your committee for your contribution of \$340.00 to these projects.
 Yours faithfully
 Maree Gale
 Secretary
 Betley Mechanics Institute

We are pleased to get information from groups that we have given a grant to over the year. Thank you for letting us know how the grant was used.

Hon Jaala Pulford MP
MEMBER FOR WESTERN VICTORIA
Media Release

Helping Western Victorians to stay safe in the sun

People from across Western Victoria will be better protected from the sun's damaging rays thanks to new grants being made available by the Andrews Government. Labor Member for Western Victoria, Jaala Pulford, today announced the School Shade Grants Program and the Community Shade Grants Program are both open, providing funding for shade structures, tree planting and other sun protection measures.

The Labor Government is giving a big \$10 million boost to the programs, paving the way for about 1,000 schools and community groups to install shade over the next four years.

As part of the boost, schools and community groups will be able to share in \$2 million for other protective measures such as hats and sunscreen.

Ms Pulford said the programs make sure that more Victorians than ever can access much-needed shade when the hot sun hits hard thanks to new shade sails or newly-planted trees.

"We all love spending time outdoors on nice sunny days, but the sun's UV can be dangerous and deadly if we don't protect ourselves," she said.

"Our grants programs have helped hundreds of schools and community groups provide the protection Victorians need to prevent cancer and I'd encourage people to apply for these new rounds of funding," Ms Pulford said.

Dozens of community groups and schools in Western Victoria have already benefited from the Labor Government's shade funding including Hamilton Lawn Tennis Club, Ararat North Primary School, Moyston Primary School, Talbot Football Netball Club, Natte Yallock Recreation Reserve, Maryborough Lawn Tennis Club and Rainbow P-12 College.

Australia has the highest rates of skin cancer in the world, with two in three people diagnosed by the age of 70.

In 2017, melanoma was the fourth most common cancer in Victoria, with 2,993 invasive melanomas diagnosed and 270 deaths. The five-year survival rate for Victorians diagnosed with invasive melanoma was at 90 per cent in 2013-16.

To apply for a grant [visit www.health.vic.gov.au](http://www.health.vic.gov.au)

Oncology appointments close to home for Central Goldfields residents

Families in Central Goldfields Shire will be able to get the specialist care they need closer to home following a funding boost from the Andrews Government.

Member for Western Victoria, Jaala Pulford, today announced the Labor Government had delivered on its commitment to fund 500,000 specialist appointments in regional Victoria, thanks to a \$136.2 million investment in the Victorian Budget 2019-20.

Some 125,000 specialist appointments are funded across regional Victoria this financial year alone.

In Maryborough, patients needing specialist cancer treatment will benefit from 2,000 more local oncology appointments in 2019-20 at Maryborough Hospital.

Ms Pulford said the \$500,000 funding boost to Maryborough District Health Service is part of the Labor Government's plan to make sure that regional Victorians get the same world-class healthcare as Melbourne patients.

"The last thing local patients need when they're battling illness is long, costly and inconvenient trips to Melbourne to get the treatment they need. We're fixing that," Ms Pulford said.

"Our investment means that Central Goldfields patients will no longer face huge bills for private oncology appointments or pay for costly trips to Melbourne to see a specialist. It means more time to recover at home with loved ones," she said.

"Country patients deserve the very best access to healthcare as people in Melbourne and that's exactly what we're delivering," Ms Pulford said.

Media Release

**CENTRAL GOLDFIELDS
RATEPAYERS AND
RESIDENTS ASSOC. INC.**

Last week, some of our members attended a public meeting by PMAV in Maryborough, assisting us in gaining some understanding of the differences between the VEAC proposal to redesignate some sections of State Forests to National Park status and the proposed World Heritage listings for parts of the Victorian Goldfields.

In attendance were approximately 40 people, consisting of PMAV members and visitors, representatives from Bendigo and Ballarat Councils, Central Goldfields Shire Chief Administrator Noel Harvey and President of Central Goldfields Branch of PMAV, Bill Schulz.

The meeting heard that whilst the VEAC recommendations have now gone to Parliament to be voted on; over 2,000 signatures on petitions have now been received.

These are to be presented this week during the BUGU 'We Want our Bush Back' rally outside Parliament House. The proposed World Heritage listings however, will involve some buildings and individual historical sites over 13 municipalities within regional Victoria, not entire areas; it is anticipated that this process may take up to eight years.

This Friday sees the VCAT hearing involving the Regional Billboard Co. regarding the proposed billboard for Madman's Lane. This had been taken directly to VCAT by the applicant, as when it was originally submitted, Council had not responded within the designated time.

These and many other issues will be discussed at our next meeting, which is to be held in Dunolly, on Tuesday 3rd September at the SES Building, Broadway (entry at rear of building) at 7.30pm. We are anticipating a strong attendance and would love to see as many people as possible from Dunolly and surrounds.

You do not have to be a member to attend; everyone is welcome. Please come and have your say and help us to make a difference within the community.

Please address any questions to :

cgoldratepayers@mail.com or by post to P.O. Box 184, Maryborough, 3465.

CGR&RAI

DUNOLLY AND DISTRICT INC.
(DDI)

Dunolly District Inc. Annual General Meeting 14th August 2019, President's report, 2018-2019

Firstly, I would like to welcome you all to the sixth Annual General meeting of DDI, Dunolly and District incorporated. We exist to encourage and support local business, tourism and cultural activities, and assist in the development of the district.

We have welcomed Jenny Scott, Kerri Jongebloed and Susan Day as new members.

There has been quite a lot of activity over the last twelve months in a variety of endeavours.

The new 'Post Office Sign', which has been a major work of coordinating advertisers and graphic designers, has now been installed. Thank you to John Moir, Ken Skeats, and Marion for their perseverance in bringing this project to its completion. There are still advertising spaces available on it!

The Tiny Towns Arts Trail, ably coordinated by Judy Meldrum, was once again held on the weekends bookending Anzac Day, and generated significant visitor numbers and awareness of arts activities and practices within our town and neighbouring communities. A community grant from *The Welcome Record* assisted with publicity costs.

The 'Sense of Place' sculpture project, created by community members and auspiced by DDI, should soon be in place when the Gordon Gardens Master Plan has been accepted by the Council and works can commence.

Australia Day celebrations were once again held in rather warm conditions, but still well-attended, with local entertainment and the presentation of our Citizen of the year and Junior Citizen awards.

Rod Stuart is our representative on the Committee of Maryborough, giving Dunolly a voice. Rod and Susan Day have also been involved in the Loddon Mallee Leadership program, which has also organised a town visit to showcase Dunolly to other participants.

The offer, via Bendigo Regional Tourism, for participation in a digital mentoring programme was taken up by Rod, John and Philip.

In our role as supporting other community groups, we have provided letters of support to the Historic Precinct, Museum and Hospital Auxiliary towards their applications for community grants from the Maldon Community Bank...all of which were successful.

We have had continued involvement with the Shire over several issues.

The future library continues to be discussed, with the current temporary accommodation regarded as less than ideal.

The principle of installing a dump point for caravan waste has been approved, but the location is still a point under discussion, with the previously-favoured spot near the Gordon Gardens having been ruled out.

We assisted in the coordination of the Tourism and Economic Development strategy discussion evening with shire representatives and local businesses

Several members attended the consultation sessions regarding the development of a master plan for the Gordon Gardens. Liaison with the Shire has also seen progress in the upgrading of bike track signs which had become damaged.

In October, we assisted with the Rail Revival promotion at the station, where the proposal for the return of passenger rail services was promoted. So far there has been no further mention of this.

We held an informative session with Coliban water representative Rebecca McHutchinson, who enlightened us on plans for upgrading the water services to the town, promotional opportunities to increase awareness of Coliban's services and water saving measures that could be implemented. The community garden followed up from this with a water wise session.

Our website management has been taken over by Philip Ashton, giving it a new lease of life. It provides links to various community facilities and businesses.

Following a pub meeting last November, members combined to advertise in the Shire's Official Visitors Guide, giving a wide range of publicity for our local businesses.

With the increased interest in the retail sector, DDI has formed a retail subcommittee to focus on developing the retail business in town.

It has been interesting going through the last year's minutes and realising how much a small group of committed people has achieved.

We look forward to the next year and meeting the challenges it presents to us.

I table my report.

Anna Ashton

President, Dunolly District Incorporated.

MAYORAL COLUMN

Loddon women's health needs

The Murray Primary Health Network have commissioned Bendigo Loddon Primary Care Partnership together with Women's Health Loddon Mallee to undertake a women's health needs analysis for the Loddon Shire. The partnership will focus on the primary care and social needs of the women of Loddon Shire to identify current gaps in health systems and services. They are looking to engage Loddon women in conversation to understand their current ability to access healthcare services and what services are most important to them in order to live healthy and happy lives.

Informal conversations will be held throughout Loddon between August and September 2019 to discuss all things health over morning or afternoon tea and refreshments. Women and women's groups throughout Loddon are encouraged to participate in the project. For more information, contact Samantha Turner at Bendigo Loddon Primary Care Partnership on 03 4444 2414 or email: samanthaturner@bchs.com.au.

Best vanilla slice in Australia right here in Loddon

Congratulations to Patrick and Therese O'Toole at the Bridgewater Bakehouse for winning the Great Australian Vanilla Slice Triumph for the second year in a row. The competition was held in Mildura on Saturday 17th August and attracted a strong field of accomplished bakers from across the country. Pat and the team are extremely proud that the hard work and attention to detail has been recognised in this national award.

Support for young Australians in primary industries

Young people aged between 18 and 35 who are working or studying in a forestry, agriculture or fisheries related industry can apply for a grant to turn their original research ideas into reality.

Since 2011 the Science and Innovation Awards have helped more than 250 young researchers by funding projects that will benefit Australia's primary industries. There are 11 industry category grants available, worth up to \$22,000 each to encourage young scientists, researchers and innovators who want to make a difference. Applications are open until Friday 4th October 2019. For more information visit the website:

<http://www.agriculture.gov.au/abares/conferences-events/scienceawards>

National Scams Awareness Week

The recent National Scams Awareness Week was an opportunity for the Australian Competition and Consumer Commission (ACCC) to warn people to be vigilant of scams.

There are countless types of scams with new ones emerging constantly. Scammers are becoming increasingly sophisticated with Australians predicted to lose a record amount in 2019, in excess of \$532 million.

Investment scams, lottery and cryptocurrency scams are particularly common. According to the ACCC, scammers are increasingly using trusted brands like NBN to trick unsuspecting consumers into parting with money or personal information, with people aged over 65 particularly vulnerable.

Australians are losing more money to NBN scams than any other, with an average of over \$100,000 lost every month.

In response, NBN has launched an awareness campaign to help educate and protect people from scammers. This includes urging people not to share personal or financial information or give remote access to their computer or device to any unsolicited callers.

NBN does not make automated or robocalls. If in doubt, consumers should hang up and call their retail service provider to verify information.

If you think a scammer has gained access to your personal information, contact your financial institution immediately.

Did you know?

In mentioning innovation that can benefit our primary industries, in the Loddon Shire Agriculture (including forestry and fishing) accounts for over 37% of employment and includes dairy, horticulture, viticulture, cropping, lamb, cattle, intensive poultry and piggeries. This is significantly higher in comparison to elsewhere in regional Victoria.

Cr Cheryl McKinnon

New tourism website launched

Last week, Council launched the new Maryborough and Surrounds tourism website. The new site delivers marketing, including digital and social media, accommodation bookings, and ticketing services, along with being mobile responsive.

The overall website was part of a region wide project undertaken by our regional tourism board, Bendigo Regional Tourism and the platform supports the tourism websites of Bendigo and Heathcote, Loddon Valley, and Castlemaine, Maldon and surrounding regions.

The overall aim is to have a responsive regional consumer website that meets best-practice digital marketing, and leads visitors to move through the planning journey to conversion.

The website is highly visual in design and structure, and has automation and aggregation.

Content has been carefully curated and has been mapped out to the visitor journey (inspiration, information, logistical information etc) and includes destination overviews, accommodation, things to see and do, eat and drink, events, maps, how to get here and essential visitor information.

The site can be visited at :

www.visitmaryboroughandsurrounds.com.au or www.visitmaryborough.com.au

Porteous Bridge closure

Central Goldfields Shire Council has awarded Murray Constructions Pty Ltd the contract to carry out the renewal of the Porteous Road Bridge.

Work is proposed to start on Monday 26 August 2019 and be completed by Friday 29 November.

This work will involve tree removal, demolition, construction noise, dust and the closing of Porteous Road between Wareek-Homebush Road and Wareek Road.

The road closure will be for the duration of the project with traffic control including detours in place. Local traffic will have access to their properties.

Murray Constructions will make every effort to minimise the disruption and effect caused by these issues.

Work will occur between the hours of 7am to 6pm Monday to Friday and between 8am and 4pm on Saturdays

If there are any issues with work that is taking place, please contact Murray Constructions directly on: 03 5881 3104.

Rates now being delivered

Central Goldfields Shire Council ratepayers are set to receive their 2019-2020 rate notice in the mail or email following the adoption of the 2019-2020 Council Budget.

The Understanding Your Rates brochure will also be distributed soon. This document contains useful information about how your rates are calculated and how they are used.

For more information about rates, visit :

www.centralgoldfields.vic.gov.au/rates

CARDS

The next Card Making session is on Wednesday 4th September, held at the Centre at 7pm. Rhonda is an expert at cards and will show you how to make beautiful cards for your friends and family. \$12 making 3 cards per session, all inclusive.

SINGING

The D'Sharp's are having a break for a few weeks and will return in full voice on Monday 16th September. (note a change of time) Held at the Centre from 2.30pm till 4pm. Don't just sing in the shower, join us!

AGM

The Dunolly & District Neighbourhood Centre Inc Annual General Meeting is on Wednesday 18th September at 11.30am.

The purpose of this meeting is to present the annual reports from the president, coordinator and treasurer and to declare all positions vacant and to elect new office bearers.

Want more information? Call in for a cuppa and a chat or Ring 54681511 Monday to Thursday or simply email: admin@dunnhc.com.au

Around school this week

CURRICULUM DAY MONDAY SEPTEMBER 2nd

On Monday September 2nd students are not required at school. The staff will be catching up with Rob Vingerhoets, Maths Consultant. Rob worked with us last year and amazed the students with his approach to teaching maths. On Tuesday September 3rd Rob will then be working in classrooms with students.

BOOK WEEK DRESS UP

WOW – congratulations to all students who dressed up today to take part in our annual book week parade. The staff once again thrilled the audience with their performance of Snow White and the Seven Dwarves.

MDPSSA ATHLETICS

Congratulations to all our students who qualified for the MDPSSA athletics last Friday. Your determination and persistence in colder weather was noted. Well done to you all.

SCHOOL COUNCIL

School Council met on Tuesday night. We looked at the School Review report including recommendations for the next strategic plan. We discussed the need for a working bee which will be on Sunday 6th October starting at 9.30am. We would love to see all families here to help with pruning, weeding, spreading blue stones and much more.

CHARLIE AND THE CHOCOLATE FACTORY

Our students will have the amazing opportunity to go to Melbourne on a whole school excursion to see the live performance of Charlie and the Chocolate Factory.

STUDENTS OF THE WEEK

- Prep – Christopher Kurzke
- Year 1/2 – Nikki Skilling
- Year 3/4 H – to be announced
- Year 3/4 M – Hannah Freemantle
- Year 5/6 – Victoria Heywood
- Principal's – Blake Baxter

The Op-shop is open on Tuesdays from 9.30am to 2pm
Thursdays and Fridays from 10am to 4pm

Uniting Church

This week on the 1st September Rev. Gordon Wild will lead us in Holy Communion. Everyone is welcome to come and listen to his inspiring sermons. We are so lucky to have him leading us at the moment.

UCAF will meet at 1.30 pm on Thursday 5th September.

Devotions:- Jan Watts on Priscilla in Acts (18:2,3).

Activity: Bring a photo of when you were young. Please bring a small plate of food to share.

Thursday 12th September is a service at the Dunolly Hospital. at 10.30am.

Every Wednesday we are holding a 'Know your Bible' class in the Church at 11am to 12.30pm.

The OP-Shop is full of clothes just for you to browse though. Many books and so much more, come in and see for yourselves on Tuesday 9.30am to 2pm, Thursday and Friday 10am to 4pm.

 **BEALIBA CWA UPDATE**

I think it would be fair to say members were somewhat amazed (but thrilled) to hear that in the State Creative Arts Exhibition, Bealiba won the cup for the branch (with a membership between 17-30) who accrued the most points. I should hasten to add this was largely as a result of our Juniors – Morgan and Alexis Lea-Brightwell, Charlotte Smith and Olivia McClelland. From their 13 entries the girls won nine prizes. Other prize winners were Pam Brightwell and Jan Murphy. Well done girls – both big and small. I'd also like to make mention of the Juniors' mentor – Jenny Lovel – and thank her for her enthusiastic leadership. In the years to come these girls are going to be very capable women.

Further kudos goes to the Juniors, in particular Olivia, who won a 2nd prize for her YoYos at the recent East Wimmera Group Conference. The branches in our Group host a lot of formidable cooks so this was a great effort.

Craft in August involved making gift cards, under the tutelage of our very creative Craft Convener, Jan Murphy. A variety of embellishments were used and the end results were really nice. Thanks, Jan.

Dates for the Diary

Tuesday, 3rd September Craft at St Arnaud at 10am.

Attendees will be making a crocheted pot holder.

Thursday, 19th September General Meeting at 10.30am followed by the branch Birthday Lunch at The Gold & Grain at 12.30pm.

Competition Winners for August

Single Bloom	First:	Shirley Coburn
	Second:	Jan Murphy
Multiple Bloom	First:	Jenny Lovel
	Second:	Betty Lovel
Competition	An Amphibian	
	First:	Lyn Gale
	Second:	Jan Murphy

 **News from the Dojo**

Last month, Charlotte Liddicoat, Cedric Carless, Tyson and Darcy Hoban and Jaxson Conway all attended a Karate Competition on Sunday 28th July, and all did very well.

Charlotte and Cedric were named "Rising Stars" for today's event (by a National level Karate Judge)

Fantastic effort by all five local Dunolly kids! A great day had by all!

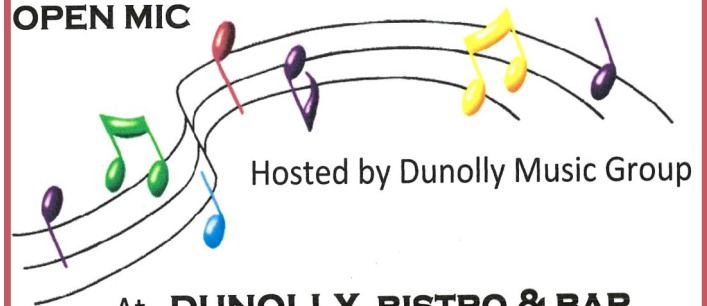

Thank you to Ballarat Karate club for having us.

It's nice to join in with other Karate clubs; it encourages good camaraderie amongst Karatekas and it's wonderful to see new friendships form!

CHEDDAR AND SPRING ONION SCONES

Makes 12 180 degrees

Ingredients:

- 2 tablespoons olive oil
- 6 spring onions, chopped
- 2 tablespoons finely chopped thyme leaves
- 1-2 garlic cloves, crushed
- 3 1/4 cups SR flour
- 125g cold butter, chopped
- 250ml buttermilk
- 200g mature cheddar cheese, grated
- 1/4 cup finely chopped parsley
- 1 egg, beaten for glazing
- Salt and pepper

Method:

Heat oil in small pan over medium heat, sauté spring onions for 2-3 minutes, then add thyme and garlic. Set aside to cool.

Rub butter into flour (can pulse in food processor), remove to large bowl. Add onion mixture, 3/4 of cheese, salt and pepper and buttermilk.

Bring together with a flat bladed knife adding more buttermilk if too dry, do not work too much. Pat or roll out to 3 1/2 cm thick. Cut scones with a 6cm cutter.

Place just touching on a paper lined oven tray. Brush tops with egg wash and sprinkle remaining cheese over.

Bake 30-40 minutes until golden and cooked through. Serve buttered.

The deal was made over a very expensive bottle of whisky one hot summer's night, delighting Robyn to no end. Wishes do come true, they could now shed the stress of the city life to enjoy more of their passion, gold detecting and the charms of Dunolly.

In the last three and half years, since owning the motel, they have slowly and with much dedication, refurbished and improved the standard to a four-star motel with latest review, a 9.6. Approximately, one third of their clients are avid gold detectorists.

They are even installing two Tesla Electric Car Charging Stations and listed on all the Nav maps; great forward thinking. This is something they did not have to do, however, they realised the winds of change and decided it's best to swim with the current than against it. Besides, this will attract a different demographic to town; think of the ripple effect. An even greater benefit for Dunolly; what a wonderful couple we are blessed to have in our town.

Termina Ashton and David Hood

Behind the Scenes with.....

Ken and Robyn Skeats

Golden Triangle Motel, Dunolly

Ken and Robyn have made Dunolly their home these past few years. They consider Dunolly to be a wonderful place that has grown on them since they first started visiting around ten years ago staying at the motel run by hosts Doug and his wife. The attraction of gold detecting and reconnecting with nature in the forest with good friends Vicky and Paul.

Upon one of their regular visits they heard that the motel was up for sale and while Ken and Robyn were debating buying, it was sold to Graham and Joy Ashton, also keen detectorists and patchwork quilting for the Starlight Foundation. Visiting Dunolly every few weeks for rest and relaxation Ken and Robyn soon became friends and detecting mates with hosts Graham and Joy.

Ken started out as a network engineer and electrician, a real bright spark this bloke! He has established and run several successful businesses such as "Big Bottle Wines". After resigning as the C.E.O. of a dot com internet service provider (I.S.P.) Robyn told Ken he was now unemployable since he was used to "running the show". Ken went back to his roots working for the Big Bottle Wine Co as an electrical technician and five months later, liked it so much and bought the company.

Fast forward a little and by the time the wine business sold Ken established AV2PC (Audiovisual Visual to Personal Computers) installing home theatres and network systems such as smart home integration.

No wonder Ken and Robyn travelled to Dunolly and the surrounding forests for a much-deserved break from the busy frequencies of Melbourne, and not to mention raising eight kids. With long nights spent installing network servers and customised software in large corporate office buildings throughout the country, including Crown Casino and the Arts Centre, Ken and his team have been "locked in" these office towers more than once. Pizzas needed to be delivered and lifting them up on improvised ropes made out of power cables ensured that they got to their destination; a man can't go hungry!

Upon hearing a whisper the motel was once again up for sale Robyn said to Ken, no mucking around, let's buy it this time!

TARNAGULLA & DISTRICT GOLF CLUB INC. "LUCKY 5" REPORT

On Sunday afternoon 18th August 2019, the "Lucky 5" Golf competition was played at the beautiful Tarnagulla Golf Course. Dave Shay had mown and groomed the course to perfection and Mick Radich had helped prepare the sands so that they played beautifully. Nature had also played a very large part with green fairways and scores of wattle trees in golden bloom.

The afternoon presented with a light rain and at one stage heavy rain and intermittently bright sunshine and blue sky. So, what a mixed bag of conditions! However, that didn't deter the intrepid golfers, who all said they had such a good time. Laughter and encouragement to others were the common elements. Great fun.

I was in the last foursome of wonderful golfers and a mob of curious kangaroos hopped across the 5th fairway and then stood about watching us! Did I hear kangaroo laughter? Possibly!

Later on, during afternoon tea, we could look out from the clubhouse and see the mob gathered on the 1st fairway, just looking.

We also saw an eagle soaring overhead for about 10 minutes and no, we didn't get a "birdie" at that time!

Anne Smith and Christine Melton did a wonderful job hosting the afternoon tea, which we really enjoyed after working up a very healthy appetite! Pixie McNamee ran the Raffle and friends and families came to the Club to talk, meet others, catch up with friends and to enjoy the afternoon tea. You are all invited to come along anytime. Afternoon Tea starts at 2.30 p.m and please come along and enjoy yourselves. The happy "hubbub" in the Clubhouse was pure fun!

During afternoon tea, the 5 holes that were to be counted were drawn out and Mick used his Maths skills to work out the scores taking into account each player's allotted handicap1.

WINNER: DAVE SHAY
 RUNNER-UP: JEREMY CASSAR
 (a talented junior player)

NEAREST THE PIN: MICK RADICH
 LONGEST DRIVE: JEREMY CASSAR

We were delighted to see newcomers Sue and Lewis who also donated a bag and full set of clubs for people without clubs to use. (Any golf day we can lend you clubs, balls and tees. Often a buggy too.) (We also lend them out for people who would like to try hitting on their own on other days and they just return them at some stage. Easy. So come along on our next golf afternoon and mention you need clubs.)

The next event we are holding is the "KANGAROO CADDY" on Sunday afternoon 22nd September. (Mark that Sunday on your calendar). It will be a fun singles event, based on handicap, so come along by 12.15pm to 12.30p.m, if you're playing golf and anytime for the afternoon tea. Everyone is welcome.

If you'd like to book a place before hand just contact:

lraad@mail.com or Ph: 0481 008 006

Or just come along early afternoon.

We also have a facebook site:

www.facebook.com/tarnagullagolfclub Visit our facebook site at any time.

HAVE HAMMER
WILL TRAVEL!

A Tribute...

for one of our resolute advertisers
and gas bottle delivery people.

Australia Post recognises Greg and Heather McNeilly (Talbot Bottle Gas) for service to the community.

Owning the Talbot Post Office for 20 years, community stalwarts Greg and Heather McNeilly have called it a day, handing over the keys to new owners earlier this week. Walking into the post office as new owners in July 1999, Greg said Talbot quickly became home as the community welcomed them as its newest family members.

"All the licensees before us had only ever stayed for 18 months to five years," he said.

"The post office was struggling when we bought it and if the community hadn't been behind us, we wouldn't be where we are today."

Entering semi-retirement on Monday, Greg said the pair are calling it quits because of the amount of work they do.

"It's not just the post office or the mail contract, it's with Talbot Bottle Gas as well," he said.

"Starting at five in the morning and not getting home until 10 at night, my family were all concerned that I couldn't do it forever.

"Ross and Denise (the new owners) had expressed their wish that over the course of a few years and when the time was right for them they'd like to take on the post office."

Greg said the post office, and the community more broadly, have been the couple's life for the past two decades and they've "seen it all" in that time.

At the Bealiba Hall

We had a mixed bag this week with the team of Heather Cooper, Keith Brightwell and Tiger Coburn having two wins.

Two other teams had a win, draw and loss each and one team had one win and two losses.

We have a few away at the moment with travel and illness. We are looking forward to having everyone back on board.

Netball Report

Under 11s

The 11&U team came up against a more consistent Carisbrook side and went down by three goals.

Despite having lots of the ball, our inaccurate passing and shooting cost us many turnovers. The positives were the determination shown by all players to continually try their best and the encouragement they gave each other.

This week we face Natte in what will be another tough match. Good luck to our young guns.

Under 13s

The 13s played their first round of finals on the weekend against Carisbrook. Dunolly had a very strong and convincing start to the game, taking the lead in the first quarter. Everyone continued playing with confidence and determination, but Carisbrook's ability to intercept brought them back and into the lead. Dunolly had an unfortunate loss, with the scores being 26-21.

Best on went to Chloe Goodwin for her amazing defensive pressure, never dropping her head, and her great communication to everyone on the court.

A Grade

A grade girls came out absolutely firing and determined to prove their spot in finals. Quarter time saw the girls up with an outstanding lead, 11-1 which set up a hard fight back for the Natte girls. With every single player executing their roles on court perfectly and giving a high intensity game, it saw Dunolly get the win 31-24.

Defensive absolutely dominated keeping Natte to only 24 goals for the game. Attack worked brilliantly, showing some beautiful court flow. A whole team effort to secure the win. Congratulations A Grade and good luck for the Semi Final.

The Semi-Final times and locations are as below:

- A Grade — Dunolly V Harcourt 2.35pm
- Saturday 31st August at Princes Park Maryborough
- Under 11s — Dunolly V Natte Bealiba 9am
- Sunday 1st September at Princes Park Maryborough
- Under 13s — Dunolly V Campbells Creek 9.45am
- Sunday 1st September at Princes Park Maryborough

On the first weekend in August four competitors from Kokoro Kai Karate here in Dunolly/Maryborough took their place on the tatami at the National Karate Championships in Launceston, Tasmania.

For a rural-based club it's surprisingly unusual to have so many talented and passionate competitors compete at a national level – which is testament to the high level of training they receive!

Sedoin Troy Hoban proudly and deservedly was awarded the bronze medal in his division, one position higher than last year's efforts at Nationals in Queensland.

Troy not only competes but teaches classes several times each and every week.

Veteran Susie Oh competed in the Veterans 45 years and up division and placed 8th overall. A fantastic effort considering the calibre of each competitor within.

Tyson Hoban and Leah McCoy were both filled with excitement and pride as they performed their best kata's at their first ever national championships.

Both excelled beyond their own expectations, but were met with tough competition and were unable to continue through to the next round. Their respective divisions had thirty or more competitors, all who have been training much longer than they, nevertheless both found themselves sitting comfortably in the middle of the field by the time competition ended. Tyson and Leah can now say that they are ranked within the top twenty within their division throughout the whole of AUSTRALIA!!

Not too many 12 and 13 year old kids can say that. Shihan Peter Jackson, who is head of Kokoro Kai Goju karate was bursting with pride as he watched all four of his students compete. "No matter how many mistakes each competitor makes in the lead up to a competition all bring their best to the tatami each and every time they compete. As a coach I couldn't ask for anything more than that."

Being involved in such a large national competition has ignited a spark within all four competitors. Troy, Susie, Tyson and Leah are set to train harder than ever before to secure their place in next year's state team.

The National Championships will be held in Western Australia next year which once again will incur a large cost for each competitor and their families. (Let the fundraising begin.) But just try and stop them from chasing their dreams and achieving their goals!

We are proud of each and every one of our students
Stacey McCoy

Geri and I attended 'Numbers Up' in Bealiba for the first time on Monday 26th August is organised by the Anglican Ladies of Bealiba and held in the community hall. What a welcoming, friendly group of enthusiastic bingo players. Geri, who is finding hearing a challenge at times, was anxious that she would be too slow, but she found that she could follow the caller of the numbers quite easily. Betty Lovel also assisted Geri until she felt confident of finding and marking off the numbers in the bingo book by herself. Some players played 6 games at a time - great for ear, eye and hand coordination exercise.

Players came as far away as Logan and St. Arnaud. Overall, there were 15 who played, one caller and one helper. Winners could choose from an array of useful items laid out on a table, e.g. paper towels, washing powder and so many other choices.

The goodies on the cake stall quickly disappeared. There was such a good variety of biscuits, sponges and chocolate coated slices, everything was worthy of a purchase.

It was an enjoyable afternoon, topped off with scrumptious afternoon tea.

Marilyn Goldie

Prizes - very useful items

The players...very serious

Photos M Goldie

As listening and marking off bingo books took over the room, the chattering quickly receded. All that could be heard was the numbered balls dropping as John called. The quiet was broken by the shout of "bingo" and everyone else saying, "I only needed one more to win, (or two or three)". Such is the game of numbers.

Bingo. And how saving your bottle caps assists others in a handy way.

Dunolly Saves Bottle Caps for Envision Hands

Over the past few weeks, quite a number of Dunolly residents have been getting into the swing of saving their plastic bottle caps to assist Victorian plastics recycling company, Envision, in one of their programs, producing colourful prosthetic hands for people in both Australia and overseas.

Currently, there are collection boxes at Dunolly Primary School, Dunolly Arts Hub (outside the back door) and Gold & Grain Cafe. The only types of caps that Envision can utilise, are the smaller type of flat caps, with a Grade 2 or 4 plastic. Caps are usually marked with a '2' or '4'; these appear mostly on soft drink, water and milk bottles, not wide-mouthed bottles or jars. Only caps on their own, without any attached plastic or metal, can be used; please also ensure that the caps have been washed.

The caps will eventually need to be transported to Melbourne and so far we have had some kind offers in this regard; it would be ideal if this could happen every few months or so, allowing space for more to be collected.

Envision also have a Go Fund Me link, to help raise funds for new equipment and for transporting caps, where communities are unable to have them delivered. This can be found at <https://www.gofundme.com/envision-hands/>

At this point, over \$10,000 has been raised from their \$50,000 target.

Envision is a not-for-profit community organisation which also assists the long-term unemployed within its recycling and education projects. Brightly-coloured prosthetic hands are created on a 3-D printer; many of these are in super-hero colours, which are popular with children over the world.

We hope you will join others in Dunolly and surrounds who are contributing to this worthwhile program and at the same time keeping these plastics out of landfill.

Recycling of other small items such as bread tags, to benefit other charities, has also been taking place in town, so please watch this space for further information and collection points in the near future. Jenny Scott
