

Celebration for Trophy winner and Life Membership

Bill Willmott Memorial Trophy winner

A field of 21 golfers turned out to play on Saturday to compete for the 21st year of the Bill Willmott Memorial Trophy.

Our Juniors are going from strength to strength with both winners being Juniors. Congratulations to Cooper Polinelli who won the Men's trophy with a Stableford score of 40. Cooper won on a count back ahead of Josh Hunt who also came close to the course par. Congratulations Cooper.

Shenae Hunt took out a hat trick by winning the Women's event for the third year in a row with a well earned 34. The runner up was Jenny Lovel.

Our club is pleased to welcome all new players and as of Saturday we have 3 new players playing to qualify for a handicap. All the best from us all at the club.

Dunolly Golf Life Member presentation

It was with great delight that Mr. Ken Brereton was presented with a Life Membership from the club as recognition of years of dedicated service to the club.

Of special note Ken has worked tirelessly throughout many, many years, clearing debris and keeping the off fairway areas in the best possible condition.

We at the club appreciate everything you do Kenny and we also love the sense of humour that goes with it! Congratulations and we look forward to many more years of seeing you on the golf course.

Jenny Lovel

Contributions are accepted up to **3pm on Tuesdays**. Exceptions are made only by prior arrangement, or for important community notices for the *Classified* pages. If in doubt, please ring us before 3pm on Tuesday to avoid disappointment.

All letters, articles and classifieds must contain the author's full name, home address and daytime telephone number, not necessarily for publication if so requested. However, during election campaigns, all communications pertaining to candidates must have authors name and suburb published in accordance with electoral regulations. All un-acknowledged photo/pictures are from stock.

The Welcome Record aims to present the diversity of viewpoints which reflect the concerns and interests of our community. It will not print contributions which are defamatory or being used as an alternative to a personal approach in dealing with a personal issue. The opinions expressed by contributors are not necessarily those of *The Welcome Record*.

Another fall of rain to add to last night's total. The trees and bigger shrubs have really enjoyed the wash and drink.

Daughter Ramble was up over the weekend and we went to the market on Sunday. Got there a bit later than usual, but it was nice and warm by then. After looking around we went to the Railway Hotel for a very nice roast dinner. I received very handy gifts for Mother's Day. I am using one at the moment — a padded tray with a slot to sit the tablet in. Meaning I do not have to hold the tablet. The other is a lovely fluffy warm battery operated foot massager — not the posh one you see on TV, but a nice place to put weary feet.

I had some pretty visitors in the back yard during the week — four fat crested pigeons. The don't usually come to the back yard. They hang out in a dead tree in the front yard. I counted 10 of various sizes one day. They are so pretty with their opalescent grey feathers. I should have the tree removed but I am afraid the birds might go away.

An ad for Toyota cars on the TV the other night had me wondering. It said "Toyota makes footy gooder for the community". GOODER !

Rosie

OLDER BUT NOT WISER —

Old age ain't for sissies.

Old enough to know better — young enough to do it anyway.

No elephant joke this week. I have been told they are too juvenile.

 **LETTERS TO EDITOR**

The Dunolly Historic Precinct Committee was pleased to see the success of the Tiny Towns Arts Trail over the recent ANZAC Day weekend.

DHP has been a long-time supporter of the arts and the Dunolly Court House has been purpose-fitted with gallery style hanging rails allowing us to offer the building as a unique exhibition space. Our experience shows us the creative community in Dunolly and surrounds plays an important role in bringing people to the town and provides an excellent vehicle for engaging visitors in conversations relating to the town's history and its beautifully maintained historic buildings.

The Tiny Towns Arts Trail Portrait Exhibition, held in the Dunolly Court House, brought more than 200 people to the precinct over the trail weekend, and visitors to the exhibition were encouraged to give a gold coin donation at entry, raising welcome funds for DHP. Volunteers from both DHP and the Tiny Towns Arts Trail committee were able to give visitors a tour of the Court House precinct and provide information on the history of the town.

As someone who is an artist and feels a strong emotional (if not familial) connection to the history of our region, including the Indigenous history, I see great benefits to be gained in building and strengthening the relationship between arts and history in Dunolly and the surrounding towns. It is my sincere hope we can come together, and build on the positives each of these things bring, to create a thriving and inclusive community for all to enjoy.

Tenar Dwyer
President
Dunolly Historic Precinct

Stories from Cynthia

While chatting to a friend of my daughter, who has made a study of 'bush tucker', she mentioned that there is a nice little edible plant growing in our immediate area which could easily be mistaken for a weed. It has a yellow flower and is known as the Yam Daisy or Murnong (*Microseris Lancolata*) and looks very much like a dandelion but on closer inspection you will note the differences. So I decided to look it up and find out more about this little plant using *Wikipedia*.

Apparently the Yam Daisy was a staple food for the Wurundjeri people in our area and other surrounding parts of Victoria. In New South Wales and Canberra it was a common and prolific plant, however the sheep introduced in the 1840s by the colonists trampled the earth, obliterating the Yam Daisy in many parts of its habitat where it was unable to re-establish itself. The tuberous roots of the plant can be eaten raw or baked and can be added to salads or served warm with butter, or just added to vegetables.

Since I read that the Yam Daisy is harvested in Autumn I plan to pay closer attention when out and about and see if I can discover this rare plant. They can be grown in your veggie patch or in a pot. Wouldn't it be nice to grow an Australian native vegetable that was once a staple for 50,000 years. It could become a regular in our cuisine. So everyone, start looking.

Cynthia Lindsay

Image sourced from <https://connectingcountry.org.au/what-is-in-a-name-murnong-or-yam-daisy-now-known-as>

This month its all about causes of house fires with week #1 asking "Do you know what the three most common causes of winter fires are? "

MyGov impersonation scam doing the rounds

The Australian Taxation Office (ATO) and Services Australia are warning the community about a new email impersonation scam that is doing the rounds.

The fake emails claim to be from "myGov" and include screen shots of the myGovID app.

The email asks people to click a link to verify their identity using a "secure form" which takes them to a fake myGov page requesting personal identifying information and banking details.

According to a statement from the ATO, myGovID is an app that can be used to prove who you are when accessing government online services. ATO systems, myGov, and myGovID have not been compromised.

ATO assistant commissioner Ben Foster said this new phishing scam contains classic warning signs that it is not legitimate, for example, asking people to click a link to confirm their details and spelling errors.

"The ATO and myGov does send emails and SMS messages, however will never send you an email or SMS with a hyperlink directing you to a login page for our online services," Mr Foster said.

"In the lead up to tax time, we expect to see more of these malicious attempts to harvest identity details. So we encourage everyone to be on alert and take the time to remind family and friends to be on the lookout and stay safe online."

Mr Foster confirmed that this scam was all about collecting personal information from victims rather than gaining access to live information via myGov or myGovID.

Services Australia general manager Hank Jongen said scams were becoming more sophisticated, and people should be wary of emails asking for identity documents or personal identifying information.

"If you've opened an email that looks suspicious, don't click any links, open any attachments or reply to it," he said.

"If you've received the suspicious email and provided your myGov sign in information you should take immediate action.

"Change your myGov password and if you've provided your banking details, contact your bank.

"If you're still concerned and require extra support you can call Services Australia's Scams and Identity Theft Helpdesk on 1800 941 126.

"Staff will be able to give you advice on what to do if you've been scammed, and connect you with identity recovery services."

Mr Jongen said the Helpdesk is open Monday to Friday, 8am to 5pm AEST.

If you receive an SMS or email that looks like it's from myGov, but it contains a link or appears suspicious, you can report it to ScamWatch.

Lists of the latest ATO and Services Australia scam alerts and more information about how to identify and report impersonation scams are available at ato.gov.au/scams and servicesaustralia.gov.au/scams.

Tips to protect yourself from scammers:

- Be cautious when clicking on hyperlinks embedded in SMS and emails — do not click on links or attachments in emails from unknown sources.
- When logging in with myGovID, ensure that the URL displayed in our browser includes <https://www.myGovID.gov.au> or <https://myGovID.gov.au>.
- Keep your personal information and passwords secure — don't share your password with others and change your passwords regularly.

- Install anti-virus software on all devices and set the software to automatically check for updates on a daily basis.
- Make data security an everyday priority, practise good cyber hygiene and constantly review your security habits.
- Store personal information in a secure place — make sure electronic documents containing personal information are secure and avoid carrying your birth certificate or passport in a wallet or handbag unless you need them.
- When downloading the myGovID app make sure it's from the Apple App Store or Google Play Store.

Slow-cooker beef brisket bourguignon

Pop this beef brisket in the slow cooker in the morning and come home to the delicious aroma of bourguignon filling the house. This is easy cooking at its best!

INGREDIENTS

- 2 tablespoons extra virgin olive oil
- 1.5kg Beef Brisket
- 12 eschalots, peeled
- 200g streaky bacon, halved lengthways, chopped
- 3 garlic cloves, crushed
- 6 sprigs fresh thyme, plus extra to serve
- 1 dried bay leaf
- 1 cup red wine
- 1/2 cup Massel beef style liquid stock
- 1 tablespoon tomato paste
- 2 carrots, thickly sliced
- 200g swiss brown mushrooms, halved
- 200g button mushrooms
- 300g green beans, steamed, to serve
- Mashed potato, to serve

EQUIPMENT

- 5.5-litre slow cooker

METHOD

Step 1 Heat half the oil in a flameproof slow cooker bowl or frypan over medium-high heat. Cook beef for five minutes each side or until browned. Transfer to a plate.

Step 2 Reduce heat to medium. Add remaining oil to bowl. Add eschalot and bacon. Cook, stirring, for five minutes or until eschalot softens. Add garlic and thyme. Cook for one minute. Transfer bowl to slow cooker. Add brisket, bay leaf, wine, stock and tomato paste. Top with carrot and mushroom. Cover with lid, Cook on low for six hours or until beef is very tender.

Step 3 Remove and discard bay leaf. Using two forks shred meat coarsely. Season with salt and pepper. Serve with green beans and mashed potato.

RECIPE NOTES

To make this in the pressure cooker, follow steps 1 and 2 in a pressure cooker. Seal cooker. Cook, following manufacturer's directions, for one hour 40 minutes. Continue from step 3.

Beautiful blooms

Laanecoorie was the place to be last Saturday afternoon, especially if you admire chrysanthemums. There was much to admire. Table loads of single blooms in vases were set out in the Laanecoorie Hall. There were very large spider chrysanthemums (though grower Graeme assured me he won Best In Show at the Chrysanthemum Society of Victoria's Melbourne exhibition last week with an even bigger one he had grown), others with petals artfully hanging down which reminded me of hats women used to wear in the 1950s and 60s, and anemones with lovely domes; there were also perfectly round little balls to name just a few, as well as my personal favourite the fire wheel. It was red and white with pinched petals towards the centre. Very beautiful.

Graeme Cain won all the certificates on offer at the show because all the other usual growers had difficulties ranging from health problems to soil troubles. In fact nearly all the blooms on display were grown by this Laanecoorie local. When asked he said his garden patch was not very big. All the chrysanthemums were grown under shade cloth until the first bud begins to colour then they need to be protected from rain at critical times. Half his plants are grown in the ground, the other half in pots. It takes a lot of trimming to keep the number of blooms per plant low so blooms can reach their maximum size. He also explained some of the tricks to successfully showing your loved blooms.

As visitors entered the hall door one of the women behind the table was enjoying a mouth watering Devonshire tea. It proved to be great advertising as many people sat down to their own Devonshire tea after inspecting the blooms. Gardening was the main topic of the conversations which buzzed through the room. Thanks Heather and Brenda for your company and exchange of ideas and information.

The chrysanthemum show was run by the Bendigo Chrysanthemum Society. In past years they have hired space at the Bendigo Show grounds and that has been very expensive. This year, because of COVID 19, things have been uncertain for everything. Graeme Cain suggested that the Laanecoorie Hall would be available to them and so the society agreed to give it a go for 2021. If it has been deemed a success then it might happen again in 2022. The society has had a lot of support from the local community, particularly the Laanecoorie Hall Committee and the local CFA. Bendigo Chrysanthemum Society member Julia said the advertising was easier and the support from the local community has been greatly appreciated.

It would be excellent if the Bendigo Society decided to put on a full show in 2022. This would include such things as floral art and vegetables. Hopefully it could all happen again at Laanecoorie in 2022.

Vicky Frizzell

Dunolly Community Market

“Giving Back” come along

The May Market was somewhat of a success as 26 stallholders and shops participated and welcomed visitors from all over who came to enjoy all the goods on offer.

The Market again showed pleasing signs of how working together we can all be COVID safe. Many of the people who attended the Market again exercised social distancing and used the sanitizer provided with a lot either signing in or using the QR Code.

At the May Market the CFA hosted the BBQ and at the next Market the BBQ will be hosted by the RSL on Sunday 13th June, starting at 8am.

If your group would like to host a BBQ, please contact Market Committee on 0460 705 311 or Facebook.

During this Market we held our Mother's Day raffle, and it was won by Chris Evens, second prize went to Jason Cornish and third prize went to Mel Schodde.

The Market Committee would like to extend a big thank you to all the stallholders, shop owners and businesses (especially The Railway Hotel) which helped make the Market raffle a great success with their generous donations.

A special thanks to those shops who opened early, All Day on Broadway, The Country Kitchen, The Railway Hotel and of course The Dunolly Bakery. Please come along to the next market and help support your community.

Home owners urged to service wood heaters as temperatures drop

As the temperature drops and the autumn leaves fall, Victorians are warned to have their wood heater serviced to avoid a potential fire hazard.

It is important to have a wood heater serviced regularly to reduce the risk of unintentional fire.

Wood heaters and flues should be serviced each year by a registered or licensed mechanical services plumber to ensure it operates efficiently and does not put lives at risk.

The VBA's state building surveyor Andrew Cialini said consumers need to play it safe when keeping their homes warm.

"Wood heaters that have not been cleaned and maintained properly present the added risk of flue/chimney fires with the possibility of combustible materials such as built up creosote (wood tar), twigs and other debris catching fire," he said.

"Outside the house, it is also important to keep combustible materials, such as overhanging tree branches, well clear of flues."

Mr Cialini said regular servicing of a wood heater and its flue system address key risk factors.

"It removes creosote, or wood tar, that has accumulated in the heater or flue. This substance is highly combustible, it can build up quickly and block the flue, leading to inefficient heater operation and cause fire," he said.

"A check of the flue system will also help ensure it is free of defects and flammable materials such as grass, small twigs and other debris that may be the result of birds nesting in the flue or surrounding chimney cavity."

Tips for operating your wood heater:

- Follow the manufacturer's instructions for lighting, fuelling and operating the wood heater, use paper or kindling wood to get the fire started
- Only use dry, seasoned wood
- Arrange the wood so plenty of air can circulate around all sides
- Always leave the air control open for at least 20 minutes after starting or refuelling the fire
- Do not overfill the heater or try to burn logs that are too large.

For more information about the safe operation and maintenance of wood heaters visit the VBA website.

Wedderburn Open Gallery Mural Project launch

It was an honour last Thursday to launch the Wedderburn Open Gallery Mural Project "Birds Eye View", at the Uniting Church grounds.

On behalf of Council, I would like to congratulate the working group, the artists Andrew Bourke, Jimmy Dvate, Bryan Itch and the community of Wedderburn on this fantastic project.

The Wedderburn Open Air Gallery project originated from local artist Ross Currie, who approached Wedderburn Tourism regarding developing murals around the town. Following initial feedback, the project's working group identified the Wedderburn Streetscape Improvement Project vicinity as the initial location for the murals.

Wedderburn Community House, in conjunction with the working group, sourced funding from Creative Victoria to establish five murals – forming the open-air gallery and providing a point of difference for visitors to explore the town. The theme is "Birds Eye View", due to Wedderburn being identified as a mecca for birdlife.

Wedderburn's Uniting Church features the project's sixth mural. The mural was funded by the local community and Council's Community Grants scheme.

The event last week also saw the launch of the Storytown "Birds Eye View" podcast, which is designed to provide an entertaining experience for both travelling tourists and locals alike.

The podcast tells the story of the Mistletoe Bird mural on the Wedderburn Newsagency wall. It also features local conservationist and amateur ornithologist Jeroen van Veen and artist Andrew Bourke telling the story of Jimmy Dvate who painted the mural.

Visitors and locals can listen to the podcast via social media or the Visit Loddon Valley website.

Changes to Disabled Parking Permit applications

The Victorian Government has made changes to disability parking to create an easier and fairer system for all.

A new disability parking permit scheme known as the Accessible Parking Permit (APP) scheme is now in effect. The new APP Scheme will streamline the application process, making it easier, simpler and consistent across the state.

Loddon Shire Council transitioned to the new APP scheme from last month. Residents and organisations which require a new permit, or need to renew or replace a permit, will need to apply with the new application process by going to: www.accessibleparking.vic.gov.au/permits/

You can also apply for renewals, replacements and cancellations to your current permit via this process.

If you require assistance through the application process, please contact Council's customer support team on (03) 5494 1201.

11th May

**CENTRAL GOLDFIELDS
RATEPAYERS AND
RESIDENTS ASSOC. INC.**

We held our May public CGR&RAI meeting at the Maryborough hub. It was attended by 11 participants including Councillors Long and Sproull.

At this meeting the Airport, Carisbrook levee, Budget, Men's Shed, Assembly of Councillors, Industrial direction, our growing list of FOIs, the Dunolly Mosaics and a few general items were discussed. Councillors Long and Sproull offered an interesting insight into the activities and duties they have partaken in since being sworn in as a councillors. I thank them both for that.

CGR&RAI followed with an assessment of the six months of the elected councillors, the direction and actions are reasonably good, but there are still huge concerns about transparency, accountability and public consultation. Those three councillors promised, and we still would like to see a much better display of those values.

In the council's April monthly meeting, the council endorsed their proposed 2021/2022 budget. The budget includes a rate increase of 1.5% (the maximum auto-increase allowed by the State Government). Using the council's budget figures, the CGR&RAI proposed a rate decrease which we believe is manageable. No expenses would be impacted by a rate reduction, and the Council would still provide all services to the community and undertake all works listed in the budget. One of the elected councillors ran on a platform of addressing the rates and in particular the discrepancy between CIV (Capital Improvement Value) valuation increases between residential, rural and business properties. CGR&RAI would like to hear their update on that. The council is holding four community information sessions to explain the budget to the community (the dates and times of the session are listed on the council's website). CGR&RAI encourages the community to attend a session.

We also invite the council to present to the community budget modelling at these sessions; modelling for a zero rate increase and modelling for a rate reduction. The community should be aware of the budget options available and the impact on council's budget as they pertain to their rates. Are these sessions for hearing what the community want, or for the council to inform us of what we are getting? Community consultation or Information session? Regarding the budget — we believe funding allocation toward building assets and property assets seem to have fallen short.

The Airport is being very topical and described as a valuable asset to the community, with the council spending six months already just on lease agreements. We believe only a few of the leases have been settled at this stage. With the actual airport (other than erosion issues and the fences) the maintenance of that asset is paramount if we are to attract more investment and that area should be in pristine condition. Possibly an allocation or commitment to have maintenance works which is so badly needed. As for the town halls we acknowledge the efforts made on some of the town halls in the Shire. But the Maryborough Town Hall which is a very used asset should be open, and the Carisbrook Town Hall is also sadly in need of much repair work. Has any commitment been made to have the Maryborough Town Hall re opened?

The interest in industry development and growth also seems to be amiss in this. For four years we have heard about industry and growth, yet still would love to see some form of action toward this.

Our next CGR&RAI meeting will be in Carisbrook June 1st.

The Lord has revealed to the nation's his saving power.

Ps. 97; 1_4

Dunolly CWA has had a very enjoyable and social time these past few weeks .

Last month a couple of members went to Maryborough CWA for their Kay's fashion parade and saw a lovely lot of clothes.

The next expedition was a very enjoyable trip to Bridgewater. We left early, visited the op shop (of course), had lunch at the bakery and all went for a walk. There is a concrete path along both sides of the river which makes for safe and easy walking. We paused for a breather at the swimming pool and watched a family of ducks floating on the edge of the dam. Finally we raided the very nice plant nursery which seems to go on forever behind the street entrance.

The next week we had a visit from Chewton-Phoenix branch which included the op shop, the Court House precinct, the Town Hall and then lunch at the Railway Hotel. A visit to the fascinating cork tree rounded off a busy day.

Last week we held a very successful Danny Blumes fashion show at the Senior Citizens rooms. Members from other branches came as well as a lot of Dunollyites. It was a bigger crowd than we expected. There was a fair amount of buying going on. Thanks to our members for their hard work and to all who helped make it a great day.

In between all this socialising, we have also attended to CWA business at meetings. We have another new member, welcome to Jill.

Whole Town Garage Sales

This event is on Saturday 22nd May. Last chance to get your address on the list if you're going to have a garage sale.

The cost is \$10, we do all advertising, and you will get a garage sale kit consisting of signs, ribbon, and tips. Maps are free and are available at the CFA stall in front of the Town Hall on Broadway and the Dunolly Bakery. All garage sales addresses are listed.

For those already registered you can pick up your kit between Monday and Wednesday next week (afternoons before 3pm are good). Want more information? Just ring 5468 1511 or email: admin@dunnhc.com.au

BEALIBA CWA UPDATE

The East Wimmera CWA Craft Exhibition has come and gone. For some (the procrastinators) this has been a somewhat stressful few day. Nonetheless, the Exhibition itself was hugely successful. Cabaritta (Charlton) came in first and Bealiba a close second. Congratulations to all at Cabaritta — they had some stunning entries.

The most pleasing aspect of Bealiba's second place was that this really was a branch success — virtually all our members contributed at least one entry. Overall, we had 163 entries and of those entries 82 won either a first, second or third. Even more impressive was that three of the major awards went to Bealiba. Namely Jan Murphy for the Best Article of Handcraft, Betty Lovel for the Best Cookery exhibit and to seven-year-old Alexis Lea-Brightwell the Outstanding Junior Entry under 13. Well done everyone.

Additionally, our Branch table which comprised five separate items made by four of our members came third in that category.

Finally, a special thank you to President Pam Brightwell who is also our Craft Leader. Pam kept us all on track and worked tirelessly behind the scenes to ensure everything went smoothly.

Community Bank - Maldon & District

Supporting your community

When you bank with the Community Bank, profits pour back into the Dunolly community. So far we've invested over \$3 million into our communities.

A bank giving back sounds fantastic, but for us that means business as usual.

Feel good about who you bank with.

**Call 5468 1596 or drop in to 109 Broadway
www.mdcdb.com.au**

G'day Dunolly and district

We've launched our Shaping Central Goldfields project and our first step is to work with your community to finalise our Council Budget and to activate the existing Community Township Plans.

We need your help to understand if the initiatives in these plans are still relevant.

- What are our priorities for our townships?
- How can Council and the community work together to make these priorities happen?

You are invited to workshops to help set these priorities and help us get clear on how we can work together to make change happen over time.

Attend a community workshop

Around school this week

May is Scholastic National Family Reading Month! 2021 marks the 25th year of National Family Reading Month which celebrates and encourages families to read more together. Most of us know how important reading together is and its long-term value to our children's success in school and in life.

A massive well done and congratulations to all our students who demonstrated a great growth mindset to accept the challenge of cross country last Friday. I was so proud to see each and every one of them giving it their best shot and having fun on the day. Well done to the students who competed in Bendigo too.

Mother's/ Friends Day Stall

Thank you to the super volunteers who assisted children to purchase something for their mums or a special female in their lives.

Students of the week

- Prep/1 – Harrison Smith
- Year 2/3 – Anders Smith
- Year 4/5 – Jacob Soulsby
- Year 5/6 – Aisling Eddy
- Principal's – Kimberlie Holliday
- Auslan – Jaxson Conway

We are looking at running one of our biggest ever community grants programs in 2021

The Community Grants Program is designed to make targeted use of funds that are responsive to community needs in order to create a sustainable, resilient and thriving society. Its purpose is to aid community-based groups or organisations, based in or servicing the Maldon, Newstead, Dunolly and Mount Alexander Districts.

Our Community Grants Forum night is a great chance to hear more about the program, who can apply, how to apply and to ask any questions of our team.

Where: Wednesday 26th May 2021

Time: Light refreshments from 5.30pm for a 6pm start

Where: Maldon Golf Club, Golf Link Rd, Maldon

Applications are open from Tuesday 1st June to Friday 9th July and can be made at bendigobank.com.au/foundation.

Any queries please contact Shannon Burdeu on 0478 435 110 or executiveofficer@mdcb.com.au

SPORTS

DUNOLLY BOWLS

Sunday 30th May 2021

BBQ lunch, Trophies presentation, followed by the AGM starting 12 noon. The club will provide the BBQ lunch, however please put your name down on the list which is up on the board in the clubrooms for catering purposes or ring or text Hannah.

In house club championship

Over the past months we held our in-house club championships. This year's champions:

Ladies

25 up	Marg Davies
100	Alice Raven
Handicap singles	Karen Stephens
Championship pairs	Alice Raven and H. Freemantle

Men

25 up	Chris Williams
100	Still to be played
Handicap Singles	Greg Dobbin
Championship pairs	Peter Waters and Chris Williams

The above list of names was taken from the sheets in the club room, should they be incorrect please let me know and I will amend it in next week's *Welcome Record*.

With the wonders of modern technology Dunolly Bowling Club is now on *Facebook*. Our *Facebook* page Dunolly Bowls Club and *The Welcome Record* will keep you up to date with events that are happening within our club.

In a few weeks time I will be attempting to write a weekly segment about the club's history. I have collected this information from long serving players, as well as notes from past players, Mr A Freemantle and Mrs I Flett. I will endeavour to have the correct information; should I misquote please let me know and I will amend accordingly.

On Wednesday 5th May Dunolly hosted the first game of the Winter Jackpot Pairs for the season. After the horrid weather we had on Tuesday 4th, we were blessed with a warm sunny day. Congratulations to this week's winners Addy and Matt from Talbot. Please note that on Wednesday 19th May games will be played at Avoca.

Hannah Delconte

Don and Barry organising the Wednesday Winter Jackpot, looking on are Heather Weir and Keith Elliott

A smaller gathering this week with four teams of pairs. One or two close games but the others saw run away victories. Congratulations to President Gordon Smith and Jenny Lovel on three wins, they proved unstoppable. Heather Cooper and Tiger Coburn also bowled well and recorded two wins.
Happy Bowling

Chris Evans

DFNC NEWS

What a great weekend seeing footy and netball back at Deledio Reserve. While we didn't get a win this week all our players played fantastic games. With all coaches saying to me how proud they are of their teams and how fantastic to hear words of encouragement from our supporters on the sidelines.

Thank you to everyone who came and supported us in our first home game and a very big thank you to all our hard-working volunteers, a few of whom went above and beyond for our club when we were stuck. You have no idea how grateful we are as a club to have so many fantastic people willing to jump in and help. Our next home game is Saturday 22nd May against Avoca where our seniors will play for the Geoff Calder Memorial Cup.

If you would like to help us out we are currently looking for volunteers for the canteen, gate, goal umpires and time keepers. Either come see us at training on Thursday night or contact our President Sam 0476 773 513. We have our sponsors' day happening Saturday 22nd May too where we get to show our appreciation for their ongoing support. If you wish to come on board as a sponsor contact Nat Conlin – 0400 611 655 or Sam (on the number above) and because we haven't got enough on we also have our family night. With our friendly local band "The Staples" playing for you from 6pm, and they are bringing some friends so come hang out with us and let the kids run around while we enjoy some great music and friendly conversation.

But first we take on Lexton at Lexton this Saturday. Thank you for your support.

11 and under

The girls came up against a very tall and tough competition. Not one of the girls gave up and did everything the coach asked of them. We went down 2-24. Best on was awarded to Mia for a great game in defence.

13 and under

Another tough game for these kids but the 13&U's are showing some great improvement each week. We went down 5-49. Best on went to Charley.

15 and under

Once again these girls took on a well oiled Harcourt side. Keep encouraging each other and sticking together and a win won't be far away. 2-47 was the final score.

C grade

The ladies worked tirelessly in defence, but Harcourt was just too strong. Keep up the never-give-up "attitude"! We went down 3 - 81.

Continued on page 19

continued from page 18

B grade

The ladies showed some great passages of play and improvement from previous weeks. Keep your heads up girls, a win isn't too far away. 15-70 was the final score.

A grade

The score definitely didn't reflect how close this game was. With many injuries we ended the game with only six on the court. Final score was 27-76.

Under 11.5s

Well it was a tough ask day-at-the-office against Harcourt but the kids gave it a red hot crack again and show lots of improvement across the ground each week. Dunolly 3.2-20 Harcourt 15.8-98.

Seniors

Another week with lots of great elements. Was fantastic to see Joe Thompson out on the track again. The boys kept their chins up and fought on. Dunolly 4.6-30 Harcourt 39.22-256.

Sam Wakeman
President

All sponsors, players, family, friends and supporters of the Dunolly Football Netball Club are invited to

Changed Forever:

Legacies of Conflict exhibition

A new exhibition from the Shrine of Remembrance, Changed Forever: Legacies of Conflict, interweaves stories of migrants from war-torn countries and recent veterans of overseas service, reflecting the range and depth of experiences of conflict.

Changed Forever: Legacies of Conflict will be officially opened by Central Goldfields Shire Mayor Cr Chris Meddows-Taylor at 2pm on Saturday 15th May.

At 1pm all are welcome to attend a free guided tour through the exhibition with an exhibition storyteller and a co-curator from the Shrine of Remembrance.

Then at 2pm, the official exhibition opening will be held at Tren Du Bourg Hall (adjacent to Central Goldfields Art Gallery). Shrine of Remembrance CEO Dean Lee will be the guest speaker. Devonshire tea will be provided by the Zonta Club of Central Goldfields.

The exhibition is based on a collection of oral histories undertaken by the Shrine with Australian Defence Force veterans of recent conflicts and peacekeeping operations, and migrants to Australia who have come here because of conflict.

Their stories are about loss and reconciliation— loss of lives, of identity, of loved ones, of community and for some, a loss of moral certainty. They explore reconciliation between the men and women of the Australian Defence Force and the civilian community, and between veterans and their sometimes-estranged families and friends.

For migrants, reconciliation between a past they can never retrieve, and the challenges and rewards of their new community.

Through paintings, sculpture, music, multimedia, poetry and photographs, these personal stories illustrate the effect of global and civil conflict on our society today.

Mayor Cr Chris Meddows-Taylor said this poignant exhibition will be a coup for the local community.

"We are incredibly lucky to be partnering with the Shrine of Remembrance to bring Changed Forever: Legacies of Conflict to the Central Goldfields Shire. This exhibition will no doubt be popular with locals and visitors alike and I am very excited to be launching this moving exhibition."

All are welcome to attend the exhibition opening. Bookings can be made online through <https://linktr.ee/CGArtGallery> or by phoning the gallery Tel: 03 5461 6600 or emailing cgsc.art@cgoldshire.vic.gov.au

The exhibition will be on display until 11 July 2021. Central Goldfields Art Gallery is open from Thursday to Sunday from 10am to 4pm. Entry is free.

Central Goldfields Art Gallery is at the Old Fire Station, 1 Neill Street Maryborough. Telephone 03 5461 6600.
